Dear Business Owners,

In the past few days, you received correspondence from the City of Burlington regarding the re-implementation of the Business Licensing Program. The City has received numerous comments and feedback from affected businesses regarding this program. Due to the nature of the feedback we received, the City has decided to put this project on hold, during which time the City will address concerns that have been voiced. You will be informed prior to the implementation of the new Business Licensing Program as it moves forward. Should you wish to voice concerns regarding this program, please provide your concerns in writing to City Hall. Your concerns will be addressed as a new program is being developed. Please do not remit any Business Licensing applications or payments at this time.

Sincerely,

A handwritten signature in black ink that reads "Shelly Clark". The signature is written in a cursive, flowing style.
