Second Case of COVID-19 Confirmed in Kit Carson County

The second case of COVID-19 was confirmed in a Kit Carson County resident. The individual had a travel history into a metro area of Colorado to obtain an essential service. The case was identified quickly and any others who were in contact with the individual were identified and evaluated. This case is not an infection that was acquired in Kit Carson County. The “Stay at Home” Order by the Governor is designed to decrease the incidence of viral spread as a result of leaving your community. Residents of Kit Carson County should only be leaving Kit Carson County for essential medical care, or other travel to locations where services that are essential cannot be obtained in the County. Please help each other stay healthy and COVID-19 free by following the Stay At Home order. It is for our protection and will assist our community return to “normal” sooner. For more information about COVID-19, go to [COVID-19.colorado.gov](https://www.COVID-19.colorado.gov).
