Burlington Comprehensive Plan

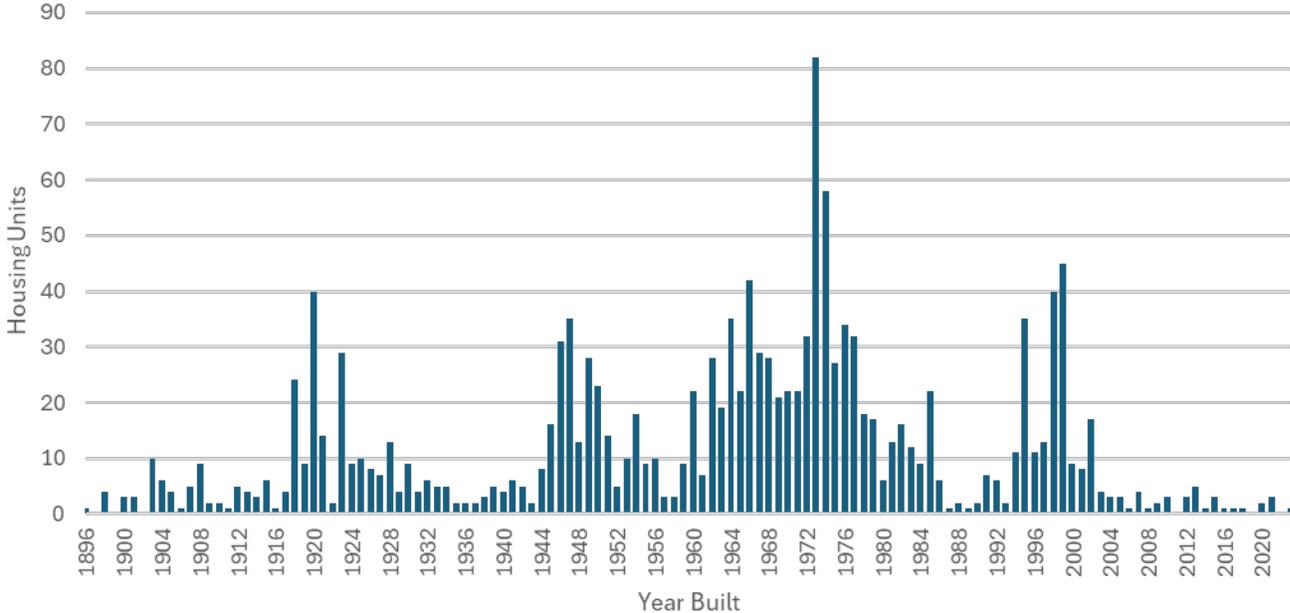

Existing Conditions: Housing Analysis

Historic Growth of Burlington Housing Inventory

Burlington has approximately 1,472 housing units, according to 2022 estimates by the Colorado State Demography Office. Two other data sources - the 2020 US Decennial Census and Kit Carson County Assessor data – also indicate highly similar housing unit counts in Burlington.¹

As illustrated in Figure 1 to follow, Burlington has grown at varying rates since its founding in 1888, based on the age of its current housing stock. Notable growth periods included 1918–1923, 1945–1954, 1960–1985, and 1994–2002. New housing development has been very modest from 2003 to the present.

Figure 1: Burlington Housing Units by Year Built

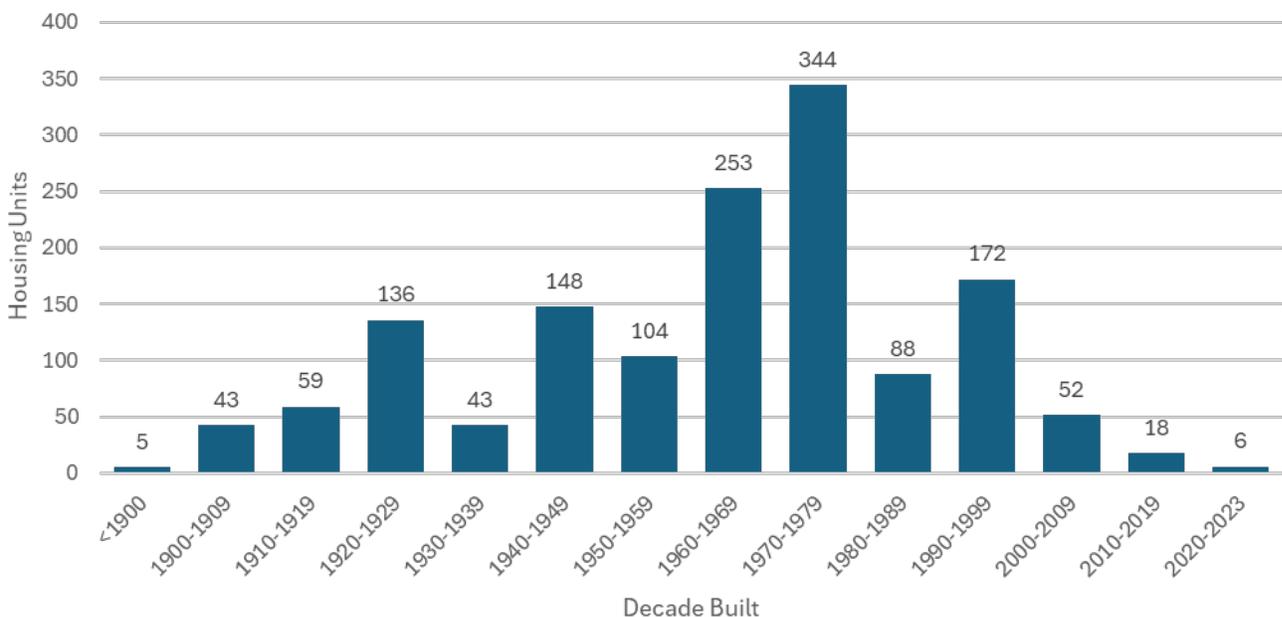

Source: Analysis of Kit Carson County Assessor database (data as of March 2024).

Note: Number of housing units is approximate, since housing unit counts are not available for all properties (particularly some multifamily properties).

When viewed by decade (Figure 2), it is also apparent that Burlington has experienced ongoing growth for over a century, with the strongest growth in the 1960s and 1970s, and comparatively modest growth in the 2010s and so far in the 2020s.

¹ The 2020 U.S. Decennial Census counted 1,470 housing units in Burlington as of April 1, 2020. Kit Carson County Assessor data accessed in March 2024 and analyzed by RRC indicates that there are currently approximately 1,471 housing units in Burlington. RRC needed to employ some additional research and assumptions when analyzing the Assessor data, since unit counts for some multifamily properties were not included in the Assessor file.

Physical Characteristics of the Burlington Housing Inventory

Unit Type

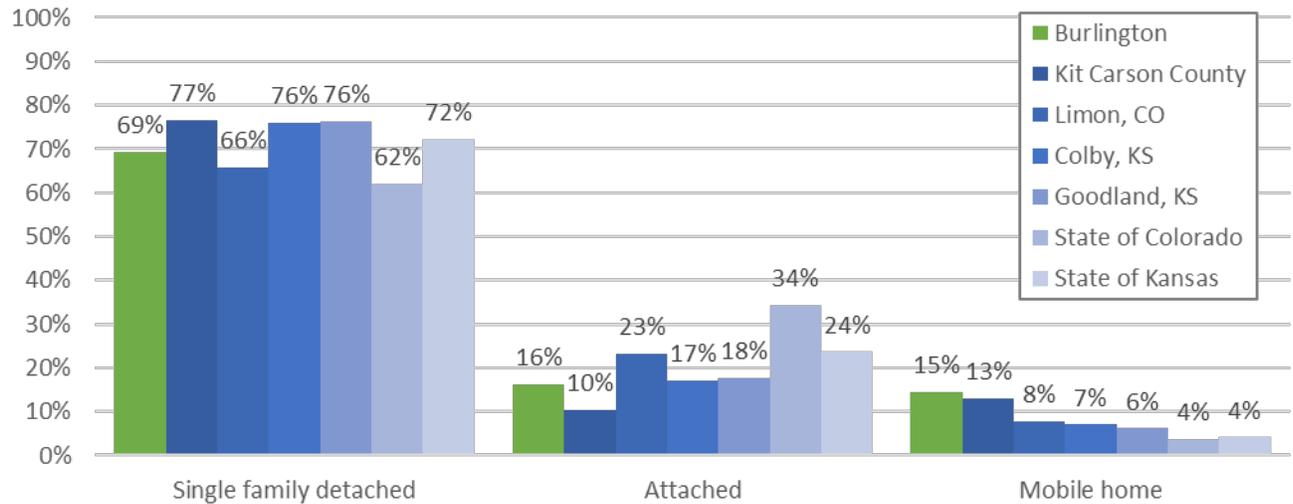

Burlington has a diverse blend of housing types. Based on 2018-2022 estimates by the US Census American Community survey, roughly two-thirds of the city’s housing units were single family detached units (69%), while 16% were attached units (duplexes, triplexes, apartments, etc.), and 15% were mobile homes (Figure 3).

Burlington has a somewhat higher share of attached units and somewhat lower share of detached units when compared to Kit Carson County as a whole.

Burlington’s housing mix is roughly similar to selected other communities along I-70 (Limon, Colby and Goodland), although Burlington does have a somewhat higher share of mobile homes.

As compared to the states of Colorado and Kansas, Burlington also has a comparatively high share of mobile homes, and a comparatively low share of attached units.

Figure 3: Housing Type (units in structure), 2018-2022 average

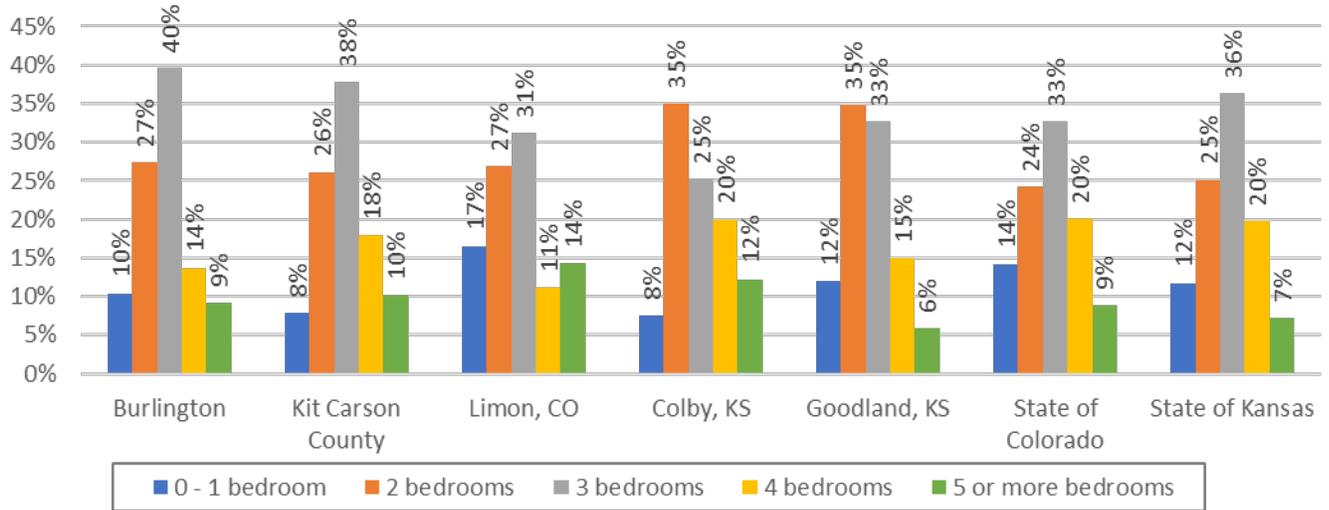

Source: US Census American Community Survey, 2018-22 Five-Year Estimates.

Number of Bedrooms

Burlington has a diverse mix of housing sizes (Figure 4). The largest share of units have three bedrooms (40%), followed by two bedrooms (27%), while 10% have 0-1 bedrooms, 14% have four bedrooms, and 9% have 5+ bedrooms.

Burlington’s bedroom mix generally resembles Kit Carson County as a whole, as well as the state of Kansas. As compared to the State of Colorado, Burlington has somewhat more three bedroom and two bedroom units, and somewhat fewer 0-1 bedroom and four bedroom units.

Figure 4: Number of Bedrooms, 2018-2022 average

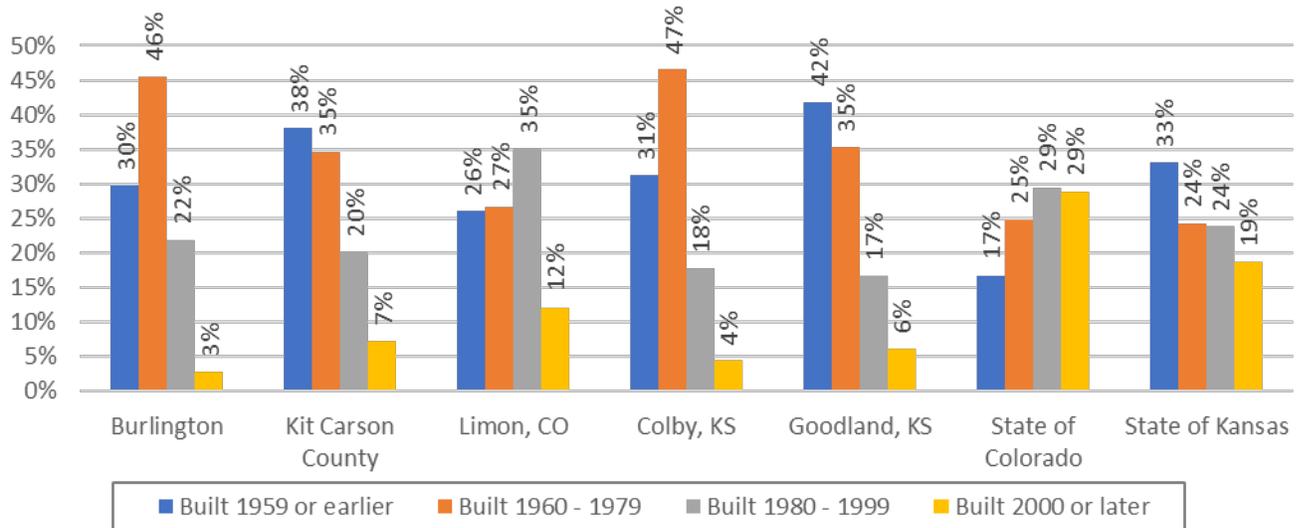

Source: US Census American Community Survey, 2018-22 Five-Year Estimates.

Year Built

As noted previously, Burlington’s housing stock was built over a range of years, although with a marked slowdown over the past two decades. Burlington also has a relatively small share of units built since 2000 (3%) as compared to similar I-70 communities (4-11%) and the states of Colorado (29%) and Kansas (19%; see Figure 5.) This slowdown in new construction has likely contributed to an identified lack of housing availability and affordability in the region.²

² The 2021-2026 Comprehensive Economic Development Strategy of the East Central Colorado Council of Governments (encompassing Kit Carson, Cheyenne, Elbert and Lincoln counties) identifies a lack of available and affordable housing of all types and across all price spectrums as being a weakness and a threat for the economic development of the region.

Figure 5: Year Structure Built, 2018-2022 average

Housing Occupancy Characteristics

Housing Occupancy and Tenure

Based on 2018-2022 five-year estimates, 14% of Burlington housing units are vacant, 55% are owner-occupied, and 31% are renter occupied (Figure 6).³ This mix is roughly similar to most comparison communities and the states of Colorado and Kansas, and suggests that Burlington’s housing serves a relatively balanced mix of owners and renters.

³ The 2020 US Decennial Census indicates a highly similar mix of 15% vacant, 55% owner-occupied, and 31% renter-occupied.

Figure 6: Housing Occupancy and Tenure, 2018-2022 average

Source: US Census American Community Survey, 2018-22 Five-Year Estimates.

Household Type

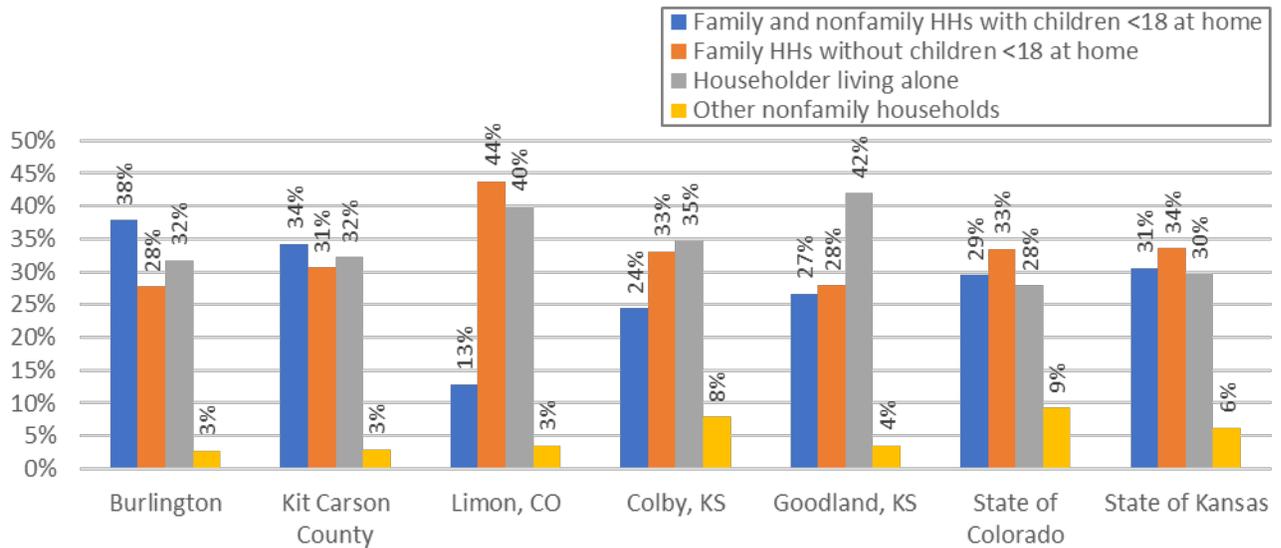

Burlington has a mix of household types (Figure 7). Based on 2018-2022 estimates, 38% of Burlington households have children under 18 living at home.⁴ An additional 28% are family households without children at home (most commonly married couples without kids at home), 32% are householders living alone, and 3% are other nonfamily households (e.g. households consisting of unrelated housemates).

Burlington has a generally similar household mix as Kit Carson County as a whole, and a slightly higher share of households with children than the State of Colorado.⁵

⁴ 2020 US Decennial Census data – which is likely more accurate than 2018-2022 ACS data– estimates that 33% of Burlington households had children under age 18 at home.

⁵ Based on 2020 US Decennial Census data – which is likely more accurate than 2018-2022 ACS data – Burlington also had a slightly higher share of households with children under 18 at home (33%) than Kit Carson County as a whole (30%), the State of Colorado (30%), and the other comparison communities (29-31%).

Figure 7: Household Type and Presence of Children, 2018-2022 average

Source: US Census American Community Survey, 2018-22 Five-Year Estimates.

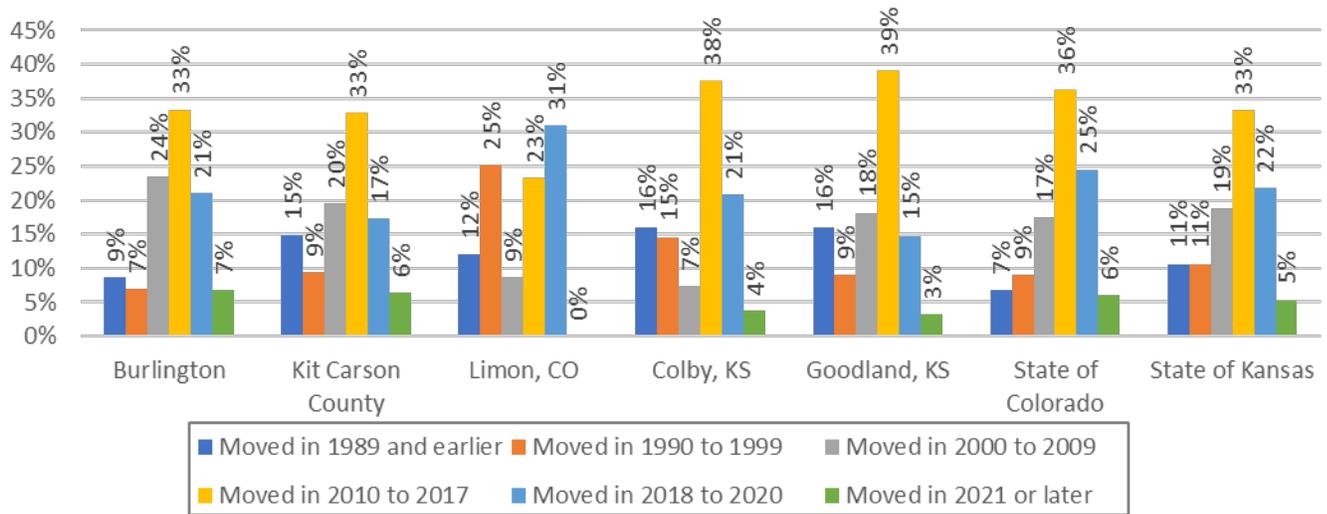

Note: A family is a group of two people or more (one of whom is the householder) related by birth, marriage, or adoption and residing together.

Year Householder Moved Into Unit

Burlington households have lived in their units for varying periods of time (Figure 8). Roughly similar shares of households moved into their unit in 2018– 2022 (28%), 2010–2017 (33%), and 2009 or before (39%). This is generally in the same ballpark as Kit Carson County overall and the State of Colorado, although Burlington has a somewhat greater share of recent movers than the county, and somewhat fewer recent movers than in the state of Colorado.

Altogether, the data suggests that Burlington households have a fairly typical mobility profile. A variety of motivations and life events can impact a decision to move, with younger households and renters typically exhibiting greater mobility than older households and homeowners.

Burlington Housing Costs and Affordability

Trends in Home Values

Burlington – like Colorado, Kansas, and the U.S. as a whole – has experienced dramatic growth in home values over the past four to eight years. Home values in each area climbed steadily from 2016 through mid-2020, then accelerated sharply through mid-2022, before moderating through early 2024 in response to higher interest rates. Cumulatively, Burlington experienced a 70% increase in the value of a typical home from February 2016 through February 2024 – similar to Kansas (68%), Colorado (76%) and the U.S. (77%).

Other I-70 communities including Limon, Kit Carson County as a whole, Colby and Goodland also experienced accelerated gains in home values from 2020 through 2022.

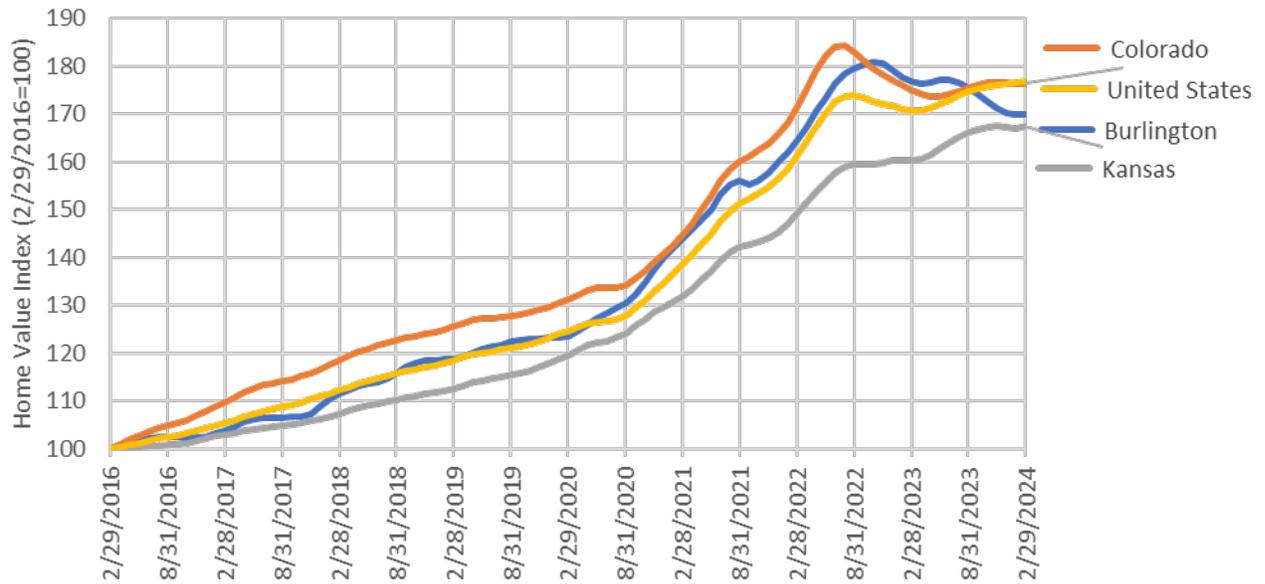

Gains in home values have significantly outstripped gains in income in Kit Carson County. The area median income (AMI) in Kit Carson County rose by 29% from 2016 to 2024 (as estimated by the US Department of Housing and Urban Development), a fraction of the 70% gain in home values. This, combined with higher mortgage interest rates, has reduced housing affordability for home purchasers.

The gains in home values across the country have commonly been attributed to a variety of macro factors impacting both housing demand and supply, including the factors listed below. The relative importance of these macro factors likely varies by location, but some combination of these factors has likely contributed to home value increases in Burlington.

- Historically low mortgage interest rates during the Covid period

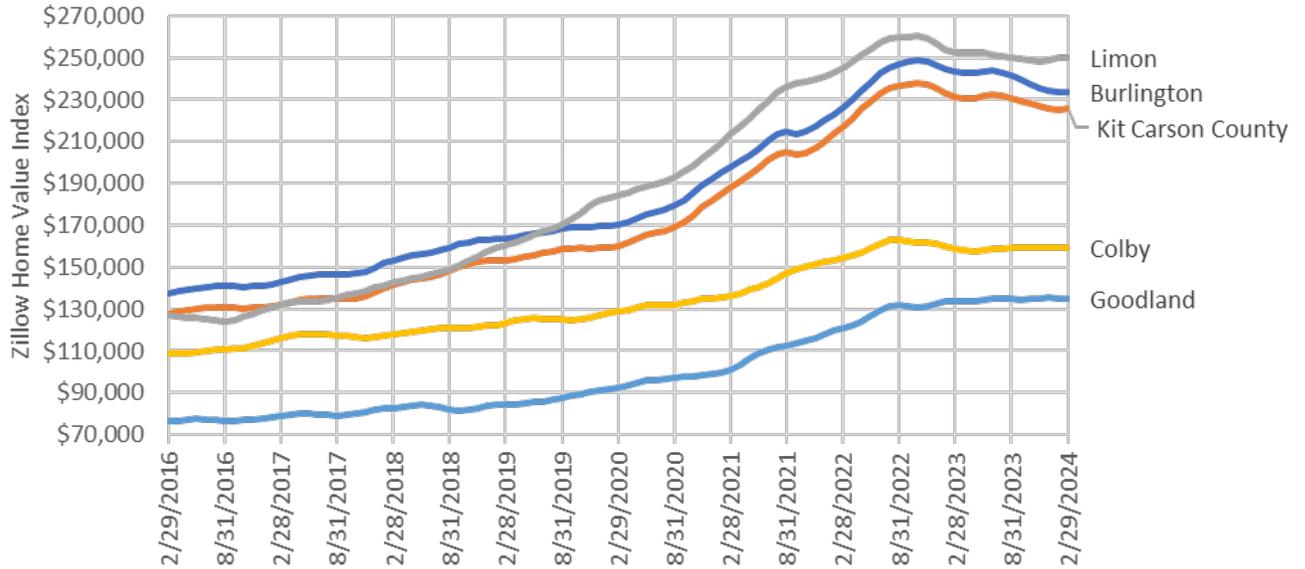

- Covid-driven increases in remote work lifestyles and migration from metro areas to smaller and lower cost markets
- A deep, extended slowdown in housing construction nationwide following the Great Recession/housing bust in 2008/2009
- A strong economy (except during the depths of Covid)
- The movement of the Millennial generation into their peak homebuying years
- Increased costs of construction (land, materials and labor)
- Zoning restrictions on growth and community opposition to growth

Housing Costs

Somewhat dated insight on housing costs incurred by Burlington households comes from U.S. Census 2018-2022 five year estimates. Burlington homeowners with a mortgage paid a median of \$1,299 monthly (in 2022 dollars) for their mortgage, property tax, insurance, utilities, and HOA fees. This is somewhat higher than Colby and Goodland; slightly lower than Kit Carson County and Limon; significantly lower than Kansas; and dramatically lower than Colorado.

Burlington's median monthly gross rent was \$1,012, somewhat higher than the comparison areas, with the exception of Colorado as a whole.

Figure 11: Median Monthly Housing Costs, 2018-2022 average

Source: US Census American Community Survey, 2018-22 Five-Year Estimates.

Note: Medians are shown in inflation-adjusted 2022 dollars.

Monthly owner costs include payments for debts on the property; real estate taxes; insurance; utilities; fuels; condo fees; and mobile home costs.

Gross rent is the contract rent plus the estimated average monthly cost of utilities and fuels.

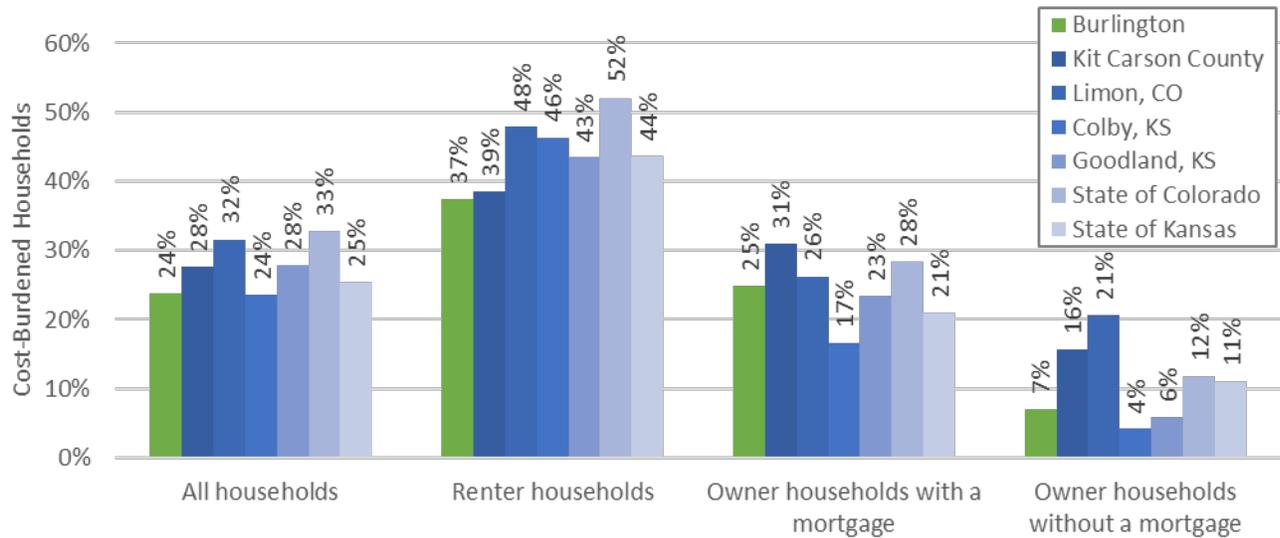

Housing Affordability

The affordability of housing to Burlington residents can be examined by comparing household income to housing costs. A home is typically considered affordable if a household spends no more than 30 percent of its income on housing. Households spending more than 30 percent of their income on housing are considered cost-burdened, and households spending more than 50 percent of their income on housing are considered severely cost burdened.

By these standards, 24% of Burlington households were considered cost-burdened in 2018-2022 (Figure 12), somewhat below most comparison communities (24-33%). Within Burlington, renters were more likely to be cost-burdened (37%) than owners with a mortgage (25%) and owners without a mortgage (7%), similar to the patterns in the comparison communities.

A lower share of Burlington households were severely cost burdened (7%), including 17% of renters and 2% of owners, each significantly less than in Colorado as a whole.

Source: U.S. Census American Community Survey, 2018-22 Five-Year Estimates.

Note: Owner costs include payments for debts on the property; real estate taxes; insurance; utilities; fuels; condo fees; and mobile home costs. Renter costs include the contract rent plus the estimated cost of utilities and fuels (if not included in the rent).

Note: Owner costs include payments for debts on the property; real estate taxes; insurance; utilities; fuels; condo fees; and mobile home costs. Renter costs include the contract rent plus the estimated cost of utilities and fuels (if not included in the rent).

Within Burlington, certain demographic groups are more likely to be housing cost burdened than others (Figure 14).

- Renters are more likely to be cost-burdened (37%) than owners (16%).
- Households with annual incomes less than \$35,000 are much more likely to be cost-burdened (82%) than households earning \$35,000 - \$49,999 (23%), \$50,000 - \$74,999 (7%), and households with higher incomes.
- Households headed by persons aged 15–24 are more likely to be cost-burdened (61%) than households headed by persons aged 25–34 (31%), 35–64 (15%), and 65+ (34%).

Universe: Households for whom housing costs as a percentage of household income can be computed.

Burlington does have some income- and price-restricted affordable housing. This includes the Burlington Manor Apartments, a 54-unit complex financed in part through federal low-income housing tax credits, and housing units managed by the Burlington Housing Authority.

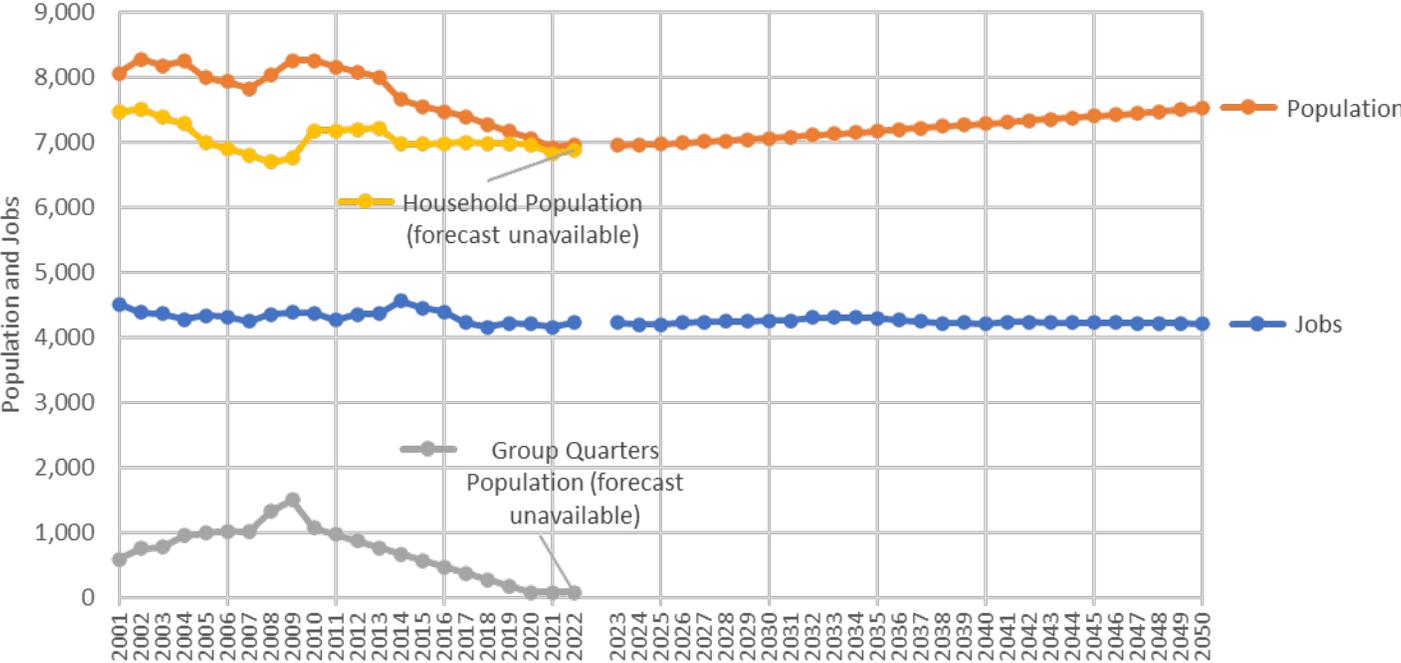

Burlington also has some housing designed for seniors in need of assistance, including The Legacy and Burlington Care Center (both assisted living communities), and Grace Manor Care Center (long-term skilled nursing care).

Future Growth Projections for Kit Carson County

The Colorado State Demography Office projects virtually flat job growth for Kit Carson County from 2022 thru 2050 (0.0% change), and modest population growth (+8% cumulatively; Figure 15). While these projections aren’t guaranteed to occur, and could be influenced one direction or another by a variety of factors, they do reflect a possible outcome based on plausible economic and demographic forecasts and assumptions.

Within this countywide context, baseline growth expectations for Burlington might also be expected to be moderate.

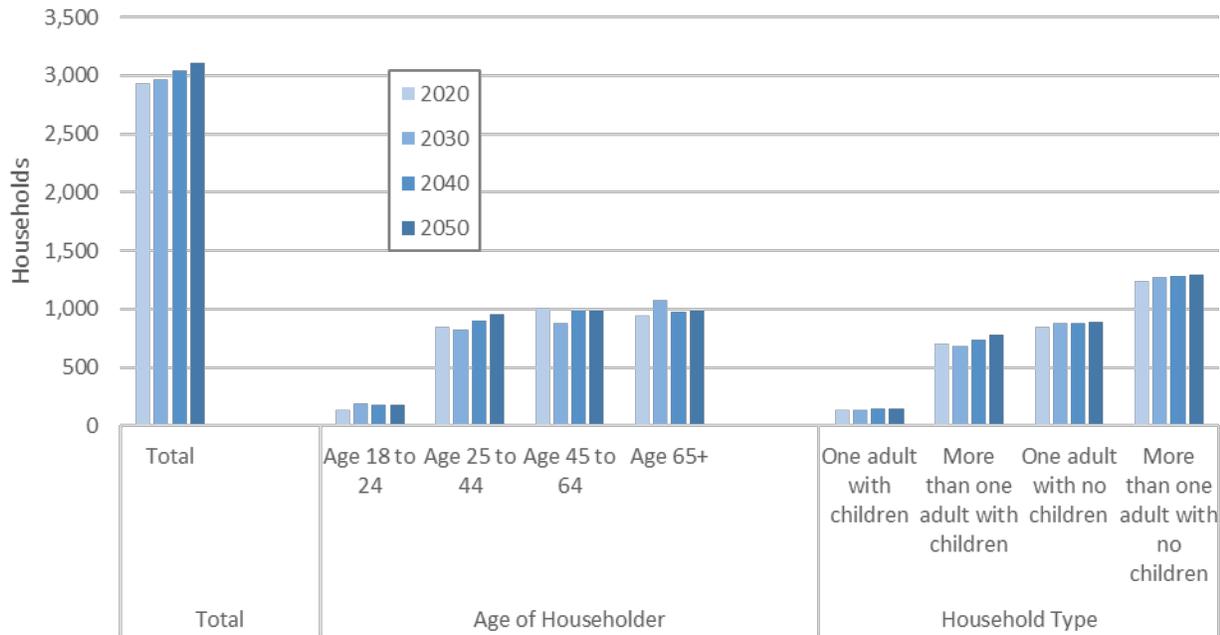

Figure 15: Kit Carson County Population and Jobs Estimates (2001 – 2022) and Forecasts (2023 – 2050)

Source: Colorado State Demography Office.

Consistent with these moderate population projections, the Colorado State Demography Office also projects moderate growth in Kit Carson County households, with a cumulative projected 6% increase through 2050 (Figure 16). The numbers of households are projected to increase slightly across most householder ages and household types.

Housing Takeaways

The following provides a recap of many of the key housing findings outlined in this report.

- Burlington has a reasonably diverse housing mix, as reflected in a range of unit types, home sizes (bedroom counts), and owner/renter mix, each of which are roughly similar in proportionate terms to larger comparables like the states of Colorado and Kansas.
- Burlington has a diverse mix of households, with a slightly above-average share of households with children at home, along with a mix of other family and non-family household types. Burlington householders move to different homes at rates which are generally similar to other communities, suggesting a degree of dynamism and flux as people move for varied reasons and life events.
- Burlington is notable for having minimal new housing construction over the past 20 years. This is likely a contributing factor to a perceived shortage of available and affordable housing. Several other communities along the I-70 corridor in eastern Colorado and northwest Kansas have also experienced very modest growth over the same period. Relatedly, a significant amount of Burlington’s housing stock is aging, and there may be needs and opportunities to upgrade and rehabilitate older housing units.

- Burlington’s home values have grown substantially over the past decade, far exceeding growth in incomes – a pattern likely driven in significant part by broader macro forces that have also impacted the Burlington area.
- Approximately 24% of Burlington households are experiencing a housing cost burden (paying 30% or more of incomes towards housing costs), which is significant although somewhat below statewide averages. Households with lower incomes (particularly less than \$35,000) and households headed by householders (ages 15–24) are disproportionately likely to experience housing cost burdens.
- Kit Carson County is projected to have very moderate growth in population, jobs and households through 2050, according to Colorado State Demography Office forecasts. While actual growth patterns could vary, the forecasts are based on plausible economic and demographic models, and could suggest that some caution is warranted when it comes to expectations for future growth and the amount future demand for housing, even as shortages of available and affordable housing exist today.

Burlington lies along Interstate 70 (I-70) and benefits from its two interchanges; however, the city was designed and settled decades before I-70 was built. Primary thoroughfares are Rose Avenue (Ave) (US 24, US 385) and 8th Street (St) (US 385), which concurrently serve as local segments of regional highways.

The city was designed with rectangular blocks and most streets intersect at perpendicular angles. Many blocks are bisected with unpaved alleys, and residential access (driveways) is to the local streets.

Vehicle Network

Road Network

The Town’s roadway network includes a series of major roadways (Figure 1).

- ▶ Interstate 70 (I-70): runs along the southern town border.
 - Interchange (on-off ramps) at I-70 and S. Lincoln St
 - Interchange (on-off ramps) at I-70 and Rose Ave. The rest of Rose Ave passes under I-70 (bridge)
 - Off-ramp / on-ramp at the CDOT Burlington Rest Area – west bound only
 - Two lanes in each direction
- ▶ Highway 24 (Hwy 24): runs east-west through Burlington, turning into Rose Ave at the city’s west and east borders
 - One lane in each direction
 - Effectively splits the town in half, with more residential and “small town” uses to the north, and car-focused (“pass through”) uses to the south. An exception to this split is the location of Old Town Burlington, which is along 14th St south of Rose Ave
 - Between 80’ and 99’ right-of-way width (ROW) according to the High Plains Highway Corridor Plan
- ▶ S. Lincoln St: runs from County Road (CR) W, north of Burlington, south past I-70. Lincoln St also serves as US 385 south of Rose Ave.
- ▶ 8th St: runs north from Rose Ave and serves as US 385, extending north from Burlington
- ▶ US 385: runs south of I-70, through town and north of Rose Ave
 - Between 80’ and 99’ ROW width according to the High Plains Highway Corridor Plan

The station at the intersection of Rose Ave. and 8th St. (#103154) is anticipated to experience a nearly 30 percent increase in traffic by 2042, which will add more than 1,000 additional vehicles to that segment.

Figure 2. AADT Traffic Count Stations (Source: CDOT OTIS)

Rail

The Kyle Railroad Company (KYLE) operates a freight railroad along tracks that run from Bethune (approximately 10 miles west of Burlington) parallel to US 24 through town and toward Goodland, KS (approximately 30 miles east of Burlington). The railroad serves primarily agricultural customers. No passenger trains operate on the Kyle railroad, but the rail tracks cross the area’s roadway network in three locations within the city limits and twice at locations close to, but outside of, the city limits.

The US Department of Transportation (DOT) and the Federal Railroad Administration (FRA) compile inventories of railroad crossing details. All crossings in the Burlington area are at-grade. The estimated number of daily train movements is one thru train per day (6 AM to 6 PM) and one thru train per night (6 PM to 6 AM). Table 2 shows additional details for crossings in Burlington, with the information presented from west to east.

Table 2. Railroad Crossing Data (Source: US DOT FRA)

Crossing #	Intersecting Street	Land Use	Passive Traffic Control Devices	Train Detection
594715L	CR 47	Open Space	Crossbuck Assemblies	None
594714E	Lincoln St	Industrial		None
594713X	N. 15 th St.	Residential	Crossbuck Assembly, Stop Signs	Motion Detection
594712R	8 th Ave./US 385	Industrial		Constant Warning Time
594711J	CR 50, east of Burlington limits	Open Space		

The three crossings within Burlington have signage. The Lincoln Street crossing is the least protected; the N. 15th Ave crossing has flashing lights/bells, and the 8th Ave / US 385 crossing also has crossing arms to prevent vehicles from crossing the tracks when a train is about to cross.

Transit: Outback Express

Within Kit Carson County/East Central Council of Local Governments (ECCOG)

The Outback Express is a coordinated public transit system serving the central plains of Colorado in the counties of Cheyenne, Elbert, Kit Carson and Lincoln. The following information is from the [ECCOG website](#).

- ▶ Anyone is eligible for service.
- ▶ Outback Express operates a combination of standard vans and wheelchair-accessible mini-buses (fleet of 19 in total).
- ▶ Destinations include nutrition sites, for essential shopping, errands, medical appointments, and related trips to the courthouse, the post office, etc.
- ▶ Trips can also be scheduled to Denver or Colorado Springs for medical and other necessary appointments.
- ▶ Tickets can be purchased in advance by contacting a local public transit driver or via telephone.
- ▶ Cash is also accepted on board; however, exact change is required.

Outback Express – within City of Burlington limits

Within Burlington, Outback Express also offers localized services, with the following information available on the [City's website](#).

- ▶ Localized runs within the city limits for 25 cents per segment.
- ▶ Local service operates Monday through Friday from 7:30 a.m. to 5:30 p.m.
- ▶ Rides can be scheduled by telephone.

Airport

The Kit Carson County General Aviation Airport is located about five miles south of Burlington via Highway 385. The airport is owned and operated by the City of Burlington, with professional pilot services offered by Meliaire Aviation. General information on the [Federal Aviation Administration \(FAA\) website](#) provides the following data regarding the airport:

- ▶ One 5,199-foot runway
- ▶ Fuel services are available 24 hours per day, seven days per week
- ▶ Based capacity: 20 single engine aircraft
- ▶ 8,000 total operations in 2016 (3,200 general aviation local, 4,713 general aviation itinerant, and 87 military)

Schools and Potential Safe Routes to School (SRTS)

The City of Burlington is home to three schools: Burlington Elementary School, Burlington Middle School, and Burlington High School. An online assessment of aerial images informed the following presence or lack of sidewalks and crosswalks.

- ▶ Burlington Elementary:
 - Crosswalks at Senter Ave at 11th St and 10th, but none that cross Senter at 9th St.
 - Crosswalks at Martine Ave at 11th and 10th, as well as a designated school crossing in front of the school itself.
 - No crosswalks at Martin and 9th St.
- ▶ Burlington Middle School – located directly along Rose Ave, one of the main roads in town.
 - There are no sidewalks along Rose Ave in front of the middle school, a pedestrian improvement the city may want to consider.
 - There is also no crosswalk parallel to Rose that crosses Hollowell, B St, Harrison St, Genessee St, or Madison St.
 - Hollowell St, B St, and Harrison have limited sidewalks, if any.
 - Genessee St has sidewalks adjacent to the ball fields from Donelan Ave to Lowell.
 - Many of the streets adjacent to the middle school may be slow enough to walk/bike directly on the street. However, given the proximity of the school to residential areas on both the east and west sides, the City may want to consider SRTS crossings on the east/west sides. This may also benefit the Burlington Scout Center and the McArthur Senior Center. There is one posted “school zone speed limit” sign on Genessee St.
- ▶ High School: Burlington HS is on the south side of Rose Ave., which may present problems and concerns for students trying to walk or bike to school.
 - There are sidewalks to the north of the high school along Mike Lounge Dr, and to the east along Fay St.
 - There are no visible crosswalks at any intersections adjacent to the high school.
 - The most significant roadblock for students who may want to ride/walk to Burlington High School is Rose Ave, although there is a crosswalk located at the intersection of Rose Ave with Mike Lounge Drive.

The CDOT [SRTS Funded Projects Map](#) indicates Burlington has not received SRTS funding for infrastructure or non-infrastructure projects since 2005.

Parking

Parking does not seem to be a concern in the City of Burlington at this time. It appears that on-street parking is acceptable in most parts of town.

Multimodal Facilities

Bicycles

According to [Google Maps](#), there are no trails, dedicated bike lanes, bike-friendly roads or dirt/unpaved bike trails in Burlington.

Trails

There appears to be no trails in town. Instead, there are paths throughout the City's local parks: Parmer Park and Outback Territory Park. However, the Longhorn Trail provides a dedicated multi-purpose sidewalk in the southern portion of the city, extending from Parmer Park to the north and east.

Sidewalks

An online assessment of aerial images informed this summary. Most sidewalks in Burlington appear to be three feet or less in width and/or in poor condition.

- ▶ Lincoln St: sidewalks between Martin and Senter; from Lowell to 271 Lincoln St.; from 243 Lincoln St. to Lincoln Liquor.
 - Lincoln is not unwalkable as a pedestrian from Martin to Rose, although none of the paths are compliant with the requirements of the Americans with Disabilities Act (ADA).
 - Evidence exists that some pedestrians are walking on grass along Lincoln Street.
 - The intersection crossings (crosswalk markings) at Rose Ave. are faded.
 - Sidewalks extend along Lincoln Street from Rose Ave south toward I-70 and terminate at McDonald's.
- ▶ Rose Ave: sidewalks between Lincoln St. and 8th St
 - Intersection crossings at Lincoln/Rose, 18th St./Rose and 14th St./Rose.
- ▶ 8th St.: sidewalks from S Railroad Ave
 - Crossing at Senter Ave to Rose Ave
 - No intersection crossing at Rose Ave.
- ▶ 13th St: sidewalks from Webster Ave. to Rose Ave.
 - No intersection crossing at Rose.
- ▶ 14th St: sidewalks from Webster Ave. to Fay St.
 - Intersection crossing at Rose Ave.
- ▶ 18th St: sidewalks from 440 18th St. to 246 18th St.; from 209 18th St. to Rose Ave.
 - Intersection crossing at Rose Ave.
- ▶ Railroad Ave: no sidewalks

Housing and Transportation Affordability Index

The Center for Neighborhood Technology (CNT) provides a metric illustrating the overall level of affordability for housing and transportation in a community. The CNT recommends that households in a community spend no more than half of their incomes on the combined total of housing and transportation costs. As illustrated below, on average, housing and transportation costs in Burlington consume 52% of household incomes. The cost of transportation averages 27% of household incomes. It appears that households in Burlington spend more on transportation (vehicular costs and repairs, fuel, insurance, etc.) than ideal.

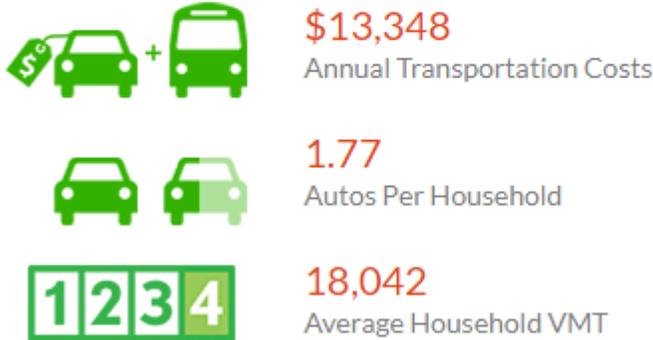

Average Housing + Transportation Costs % Income

Factoring in both housing *and* transportation costs provides a more comprehensive way of thinking about the cost of housing and true affordability.

Transportation Costs

In dispersed areas, people need to own more vehicles and rely upon driving them farther distances which also drives up the cost of living.

The average household in Burlington spends more than \$13,000 annually on transportation costs and the average household in the community drives more than 18,000 miles per year.

Inflow-Outflow

According to Census data, 600 Burlington residents both live and work in the city. Several hundred people commute in to Burlington for work every day, and several hundred commute from Burlington to other places for employment.

Distribution by Place of Residence and Place of Employment

Figure 4 shows the top ten locations of employment for workers who live in Burlington (year 2021 data). Outside of Burlington, Burlington residents commute significant distances to jobs on the Front Range. Some Burlington residents commute to jobs in nearby communities in Kit Carson County or across the state line in Kansas.

Walk Score

Somewhat Walkable

Some errands can be accomplished on foot.

The Walk Score metric provides a rating of the degree to which a community is conducive to walking. As noted by the rating, Burlington is 'somewhat walkable'. The community is relatively small and the grid network provides easy to follow routes between different locations in the community. However, missing gaps in the sidewalk and crosswalk network impede pedestrian movement around Burlington.

Bike Score

Somewhat Bikeable

Minimal bike infrastructure.

Similarly, Burlington's "Bike Score" of 46 indicates that the community is somewhat bikeable. The connected grid network of streets and the relatively low levels of traffic on local streets allows for relatively easy access by bicycle around town. However, the lack of bike trails, bike lanes, or other bike-related infrastructure limit the quality of the 'bikeable' environment in Burlington.

Electric Vehicle (EV) Charging

- ▶ There is one charging station in town (122 Lincoln St, Burlington, CO 80807) (CO Energy Office)
- ▶ There are two within 30 miles of town:
 - 800 Claremont St in Stratton, CO 80836 (Tesla only; for guests of Claremont Inn and Winery only)
 - 2631 Enterprise Rd in Goodland, KS 67735 (Tesla only)

Related Plans and Projects

2007 High Plains Highway Study

In 2007, the Town of Burlington participated in the High Plains Highway study, a corridor development and management plan for US 385, which runs from Cheyenne Wells through Burlington and north to Julesburg. The goals of the study were to improve safety, travel times, and freight mobility and to bolster local communities' economies and access to goods and services.

▶ Roadway Safety

Safety in terms of crash types were assessed as a part of the study. Between 2002 and 2004, approximately 36 crashes took place on US 385; 26 of these crashes were at intersections. Most crashes were either property damage only or injuries. No fatalities were reported during that period.

▶ Roadway Surface Conditions and ROW

Burlington Comprehensive Plan: Community Assessment – Transportation

Pavement conditions were assessed as a part of the study. While the segment of US 385 that runs along Rose Ave/US 24 was considered “good,” the segment to the south was considered “fair”, while the segment to the north was considered “poor.” According to the study, an eight-mile segment north of Burlington was slated for resurfacing in 2007.

▶ Structures

Structures (including highway overpasses) were assessed as a part of this study. Two structures in/near Burlington were found to be in fair condition (at Milepost [MP] 187.37 and MP 185.52). No projects are listed at this time to fix these deficiencies.

▶ Large Vehicles

According to the High Plains Highway Study, maneuvering large vehicles between S. Lincoln, I-70, US 385 and Rose Ave/US 24 can cause periodic delays at the points where these roads meet (intersections). The city may wish to consider additional intersection improvements or alternative freight routes within town to prevent delays in the northern (more residential) part of town.

▶ Additional Ongoing Projects

I-70 Bethune and Burlington Improvements: Improvements to I-70 from Burlington to the Kansas Line (MP 438 to MP 449) includes resurfacing the westbound lane, repair of 16 compression joints, upgrading guardrails, delineators and striping. Construction will begin on March 25, 2024, and is expected to be completed by October 31, 2025. Traffic impacts may include lane closures in both directions, traffic shifts, reduced speeds through the work zone, etc.

Eastern Colorado 2045 Statewide Transportation Plan

Burlington is in CDOT’s Eastern rural Transportation Planning Region (TPR). Projects from the CDOT [Eastern 2045 Regional Transportation Plan](#), shown in Figure 6, include the following:

- ▶ Project 1095: I-70 Replacement of failing pavement and safety improvements between Limon and Burlington (costs approx. \$175,000,000). Shown as “A” on the map.
- ▶ Project 2504: US 24 Shoulder Study and associated priority shoulder widening (cost TBD). Shown on map as “G”.

1	Expensive little town	6/7/2024 10:29 AM
2	A community caught between. Some growth and visible decay.	6/1/2024 8:22 AM
3	A small community that is working together to try and keep itself alive, but in need of some more housing and commerce. Such as good food places to eat.	5/29/2024 3:18 PM
4	Changing demographics	5/19/2024 4:26 PM
5	Several years ago--- I was anxious to move to a small town... People are great. It looks like a slum city. Yards are not kept up at all, trash, wood, iron, weeds, cars, Store parking lots are terrible. Inside stores look old, dirty, But the appearance of the town is bad. Pride is gone.	5/14/2024 2:15 PM
6	A small town that is caught in a tug-of-war between wanting to remain a small town, and also wanting expansion.	5/14/2024 11:16 AM

15	Crappy school systems. Nothing for kids to do besides seasonal sports. Even that's limited being we don't have gym space to cater to all groups/sports	5/5/2024 8:14 PM
16	While Burlington is seeing growth, the City council and administration seem ill-equipped to guide and plan for this growth. Addressing issues head on, create zoning practices, and address homelessness that has become a component of this community.	5/5/2024 10:38 AM
17	I moved here from the city. I was shocked to hear "thats just the way it is out here". All the time. People put up with sub-par everything	5/3/2024 2:12 PM
18	Very limited evening restaurants. Hospital is limited in what they do. Need activities for young people	5/3/2024 1:53 PM
19	Streets and electrical systems need work (everything looks worn out)	5/3/2024 12:01 PM
20	Streets and sidewalks are in poor condition. Seems like everything is aimed at Interstate business not local	5/3/2024 11:51 AM
21	Getting a lot of homeless people in the area.	5/3/2024 11:07 AM
22	It seems like Burlington is a stable community but occasioally it appears there are homeless and other parts of the own that aren't desirable	5/3/2024 9:53 AM
23	Homeless we never had before, drug problems appear to be increasing	5/3/2024 9:41 AM
24	It has a small community feel but I'm not sure how stable we are. Our medical community seems to rather send people away than care for them here. And our electrical infrastructure seems to still be a mess. My teen no longer feels safe with more 'sketchy' people walking the streets.	5/3/2024 5:41 AM
25	Streets are absolutely horrible and trash everywhere you look	5/2/2024 8:07 PM
26	Q stable community that is soon to be threatened by the new water regulations for farms	5/2/2024 4:15 PM
27	There are many active groups in Burlington, but they need to find a way to ALL work beside each other instead autonomous. Maybe the City could be the connector for all the groups-schools, 4H, Fair board, chamber, churches, etc	5/2/2024 2:30 PM
28	Mixed - good things are happening in some areas, but there's a cultural decline ... more irresponsible people, more dysfunction, more drugs. Less safety, more transient/homeless people everywhere.	5/2/2024 12:47 PM
29	Small and stable now but concerns for the community in the future	5/2/2024 12:25 PM
30	The streets are disgraceful and embarrassing.	5/2/2024 12:17 PM
31	I feel there are areas that community has seen growth with businesses, but there areas like our infrastructure with roads and power has seen a decline.	5/2/2024 11:22 AM
32	Very close minded	5/2/2024 10:03 AM
33	Still feels like small community but feeling very overpriced for rural life. Housing has skyrocketed, the new Safeway is not that great just more expensive ect.	5/2/2024 9:25 AM
34	Not necessarily a community in decline, but a community that needs more reasons for people to come visit or want to move/work here.	5/2/2024 9:16 AM

1	In regards to the parks - if they were taken care of better (water and spray weeds). The pool seems to be more of a problem to keep working in the last few years. Utilities are very high. Business and/or industry is imperative to keep Burlington going. Schools need work, which hopefully on track now. Indoor recreation would be nice that works for working people. Residents not taking care of property and yards. Tax already passed on streets, but doesn't seem to be applied.	5/28/2024 2:47 PM
2	We have wonderful parks that are not well kept	5/21/2024 10:37 AM
3	We need another pharmacy with better services for people outside Burlington. Better transportation for people without cars. Outback is an all day trip for a small errand.	5/19/2024 6:17 PM
4	Roads, street pans, curb and gutter, utilities and water and sewer lines	5/19/2024 3:18 PM
5	Water quality is a HUGE issue. Stop blending water and fix the issue. If people knew septic system was leaking into the water, it would be different!	5/19/2024 3:04 PM
6	No clue because I am not from here and don't live here	5/19/2024 2:51 PM

7	The big thing is having enough things to do. A lake or a pond would be nice	5/18/2024 7:33 PM
8	the town looks like a junkyard & rules already in place are apparently not enforced	5/16/2024 9:43 AM
9	We have 2 parks. Thats enough. Keep them in top shape in order to be used. You can have 2 to 10 parks but if they are not taken care of properly it's a waste of time and space and Money.. Clean up the dog poop in the parks. Enforce fines for letting the dogs use it as a bathroom. Enforce the ability to not let cats rome. I know they are part of the lion family but they need to be kept in the house. I do not appreciate having cat poop in my flower beds and garden when I don't own a cat. What about places for adults and kids playing games etc. we need somewhere with NO drugs and safe. No real place to go for walks. No sidewalks in most areas, and the roads are not level. Had a dr {Not here in town} said to not go for walks. Nothing is level. Hurts hips and knees. Our electricity, internet needs to be updated big time. Have you looked at main street alleys with maybe the original wires etc. Fires ready to happen. We are not Denver. We should not be charging what the denver area gets for rent. Many people are making minimum wage in town.	5/14/2024 2:15 PM
10	The power grid is fragile. It flickers a lot more than it should..	5/14/2024 11:16 AM
11	Wall between palmer park and the interstate to block noise. The city has no business in the housing industry.	5/13/2024 2:23 PM
12	The care of existing main street businesses, infrastructure and public owned facilities are high priorities.	5/9/2024 8:46 AM
13	Main street is falling apart, has been abandoned by city.	5/8/2024 11:36 AM
14	Competant policing, drugs rampant, lack of code enforcement.	5/8/2024 5:31 AM

16	Open communication from government. What is going on in Burlington and what are our elected official doing?	5/7/2024 9:03 AM
17	This is a dying community with a poor education system .. Hugh influx of migrants...	5/6/2024 12:40 AM
18	Nothing to do around here at all	5/5/2024 11:40 PM
19	I hate to mark so many items as "very important", but they each individually are and can hopefully work in tandem of one another. The activities and programming for families is the best dept in Burlington already!	5/5/2024 10:38 AM
20	The parks we have are great. I wish the bathrooms were open year round. As a frequent pedestrian, it would be great to have well maintained sidewalks throughout the entire town. Recreation trails/paths for both pedestrian and bicycle users would be nice. Do we currently have indoor recreation areas??? I wouldn't count the community center as unless you are part of an organized class, ATA, dance, etc., you really can't recreate there. I wish we had more family friendly evening/weekend activities available	5/5/2024 7:18 AM
21	Burlington doesn't have an appearance of welcoming when coming off the exits or driving down the main roads. There is no pride taken in the city itself.	5/3/2024 5:10 PM

2	Restaurants - NOT coffee shops	5/30/2024 3:30 PM
3	Not anymore coffee shops. We need more quality food places to eat. Open on Mondays	5/29/2024 3:18 PM
4	Home care and transportation services 24/7 or at least 7 days/week for those in need	5/29/2024 2:44 PM
5	Restaurants with consistent hours 7 days a week is needed. I think we are fine with coffee shops. I do miss the other grocery stores, but not sure its feasible to have more then one. Would like to see more stores on main street - miss Orths and other clothing stores, ALCO (dollar stores just aren't enough), A meat market would be nice to have. A nice lunch spot (not Mexican food) on main street would be nice as well. Sorry to see the dry cleaners close, but we do have access.	5/28/2024 2:47 PM

1	There are lots of people who walk all the time. All of the ball parks, pool, other facilities need to be updated. The parks are nice and need to be taken care of better and watered. Beauty in the communities is lacking - shape of yards, Lincoln street looks uninviting from the Interstate, and a few businesses need to be cleared out or at least cleaned up.	5/28/2024 2:47 PM
2	Arts and crafts. After school program for homework tutors, expand library, pharmacy delivery for all of Kit Carson, better billing department at hospital. They fail to bill your insurance then give the account to collections. For example, my niece has been going to court for about one year all because the billing department at the hospital did not bill her insurance!	5/19/2024 6:17 PM

4	place to ride bikes & walk besides around and around at the park	5/16/2024 9:43 AM
5	If we don't have a town that is more eye appealing, cleaner stores inside and out-- have the Company titles improve the appearance inside and out Paint can make places so nice and clean. Instead of wasting money on more parks and trails that will need to be kept up so that costs a lot of money every year and where would that come from.. We are not a rich town. It will be filled with homeless, their trash, drugs, human waste etc etc.	5/14/2024 2:15 PM
6	Need to Focus on addressing the homeless people. That is an issue.	5/14/2024 11:16 AM

9	2 is enough for this size of town. If that money is burning in the officials pockets, pay the teachers more money and get another police officer. Get the kids under control in school. Need insentives for the good teachers to stay here. I ve heard kids are out of control in our town schools. I know--- hands are tied but something needs to be done. If parents and kids cannot be decent people now--- God help our town in the future.I m older. Not safe to walk around here- sidewalks etc, Parking	5/14/2024 2:15 PM
10	I dont like that Parmer Park just looks onto I-70. There needs to be a wall or trees to reduce the noise, and hide the visibility to the highway.	5/14/2024 11:16 AM

19	Would be nice to see walking and biking trails connected to quality parks. I'm only aware of 2 parks, they seem nice for young families.	5/7/2024 9:03 AM
20	I do participate when I know of programs that will interest me. I walk the parks with my dogs and it is disgusting because the amount of dog feces. I always clean up after my pet and I believe that the parks need to be monitored and people need to be ticketed for not cleaning up after their pet. Honestly, it's disgusting to walk the rocket park some days.	5/6/2024 4:58 PM
21	I do participate in as many activities as possible.	5/5/2024 1:44 PM

2	I mentioned Lincoln and Rose above. Both exits are not appealing or inviting!!!! The streets should already be in the works, but I haven't seen much other then patching.	5/28/2024 2:47 PM
3	Why have you left out schools?	5/21/2024 10:37 AM
4	More wheelchair ramps to access businesses. More Outback with shorter times on returning home. It takes all day to get home. Better scheduling for going to locations...easier in and out.	5/19/2024 6:17 PM
5	Streets (curb and gutter) and street pans need to be addressed before anything else	5/19/2024 3:18 PM
6	rose ave is a state hwy thru burlington and it looks AWFUL - so ugly	5/16/2024 9:43 AM
7	Will need a light on Hi 70 and Lincoln when all the new stuff comes in for camping etc. Have the developers pay for that. Most intersections need to be replaced. Rose and 14th is horrible. People visiting town cringe when they go there. Loose 1st impressions real fast and car parts.	5/14/2024 2:15 PM
8	There needs to be A BUNCH of bike racks to store people's bikes around town. Especially if you are going to develop/improve the sidewalks and trails. Encourage people to bike, or skate, or scooter, and even walk, to places around town. There is too much reliance on using cars to travel around Burlington. There also needs to be a few crosswalks on both Lincoln St and Rose Ave. Placement of stop signs around places where people walk, rather than just our current yield/slow down signs.	5/14/2024 11:16 AM
9	Maintenance of Rose Avenue signals for proper detection and actuation.	5/11/2024 9:31 PM
10	The accessibility parking spots have been a wonderful addition to downtown. It has helped those needing public transportation to downtown businesses.	5/9/2024 8:46 AM
11	The ability to walk down main street without falling on face.	5/8/2024 11:36 AM

17	South Lincoln has a lot of traffic. Any changes should be focused there.	5/2/2024 12:47 PM
18	A sidewalk for people to cross I-70 from the new hotels	5/2/2024 11:19 AM
19	Rose Ave MUST look appealing for people who come off the freeway. Right now it makes Burlington look like an extremely out of touch and somewhat scary town unless they take the time to head further in and actually see the city.	5/2/2024 10:34 AM
20	I think there's areas in town that aren't paved that need to be paved. I also think there's areas that need to be improved	5/2/2024 10:03 AM
21	Not sure what your going to improve on Rose or Lincoln	5/2/2024 9:25 AM
22	Improving/privatizing electrical system.	5/2/2024 8:53 AM
23	Maybe a bike lane on a wider street.	4/30/2024 2:33 PM
24	CDOT needs to widen Lincoln and provide turning lanes to local businesses	4/30/2024 7:08 AM

1	I would like to see a nice bigger water park. With slides, lazy river, little kids entertainment area, and big swimming pool. Kinda like Colby has.	5/29/2024 3:18 PM
2	I mentioned a nice lunch place on main street. I feel that there are places for a farmers market to set up. The streets have been used for activities and they worked pretty good. The old Ridiculous Days and Garbash days were fun days in town. All the businesses participated making it worth while.	5/28/2024 2:47 PM
3	Dog park. Definitely a farmers market, BBQ cookoffs, better carnivals, huge picnic day with vendors and activities, animal spay and neuter clinic for low income. No kill shelter!!!	5/19/2024 6:17 PM
4	Improve Main Street. Make it more promising for businesses to start.	5/19/2024 3:18 PM

take care of the plants. Took many years to replace the Christmas wreaths and I was told the new ones were donated. Where is the money coming from. Ice rink-- too warm. Roller skating- Constant checking and cement repair to keep the people safe. Indoor would be great. But would need security with all the drugs in town. Get rid of the drugs and alcohol first. Outdoor dining-- Would have to close the street. Too windy, hot, moths, flies, I would not eat out. Cannt even eat on my patio. Too many flies and birds pooping everywhere.

These needs are currently unmet in this community and are likely to continue to grow with the rising cost of living.	5/29/2024 4:47 PM
6	Support activities and interests of families. More diversity	5/29/2024 4:42 PM
7	The power grid sucks in Burlington. This year alone there have been many blackouts and from strange reasons. How can this be improved. And the industrial area is kind of a mess. Over there where Carlin's Auto Body is the electricity is reversed.	5/29/2024 3:18 PM
8	A place to watch my children and grandchildren thrive in while meeting my needs as I grow old.	5/29/2024 2:44 PM
9	Burlington and Kit Carson County is slowing declining. Not all is the city or county's fault, but we need business coming in. The condition of buildings, streets, and areas needs to be addressed. There is nothing that is inviting to Burlington to relocate, the housing prices are high compared to other areas, the schools are in trouble, and the lack of industry make people not even look at us. Bottom line on the current parks we have - better care could be taken of them - its not overly expensive to spray weeds and water. The police presence and stalking recreation businesses and events deter people from coming. Has been said for many years that there is a drug problem in Burlington and nothing seems to change or improve in that area.	5/28/2024 2:47 PM
10	Don't change anything. Leave everything as it is today	5/27/2024 7:18 AM

12	Burlington and its schools without racism	5/26/2024 11:09 PM
13	Over the next 20 years, I would like to see Burlington be able to have more pride in itself again. Safety is a major concern among both of the parks in the area. Way too many transient people coming through as they please with no regard to help the community. Our swimming pool is the most outdated in the area, there's no reason for anyone to travel here when we can't even keep our pool warm. I moved here from Denver, because I thought it would be safer, unfortunately, I'm finding that I can't have my kids walk down the streets without running into a homeless person at this point. I'm more than happy to help those in need, but Burlington is becoming a magnet for people reaching for handouts. Our schools cannot keep up with the influx of students that need extra help. Excited there has been updates to the Lincoln corridor, but those of us that live & work here would like to see improvements, instead of just having it be a place for pit-stops.	5/24/2024 10:01 AM

40	My overall vision for Burlington would be to see more activities in Burlington for kids / teens to do	5/17/2024 4:09 PM
41	Fix what's wrong. This town is amazing, it has potential.	5/17/2024 4:00 PM
42	our roads need to be redone-not patched-& we are already paying additional taxes to do that. the town just needs to be cleaned up and made more visually attractive -especially along the hwy thru town. buildings are dilapidated or just plain ugly. I dont know if you are asking about this but the schools seem to be more interested in sports than learning the 3Rs.	5/16/2024 9:43 AM
43	Better to grow slow and take care of first what we have and then expand little by little. All of these ideas will take lots of extra money and added employes. Where will the money come from. Slow.. We were promised new roads. Where are they. Fix up what we have first.	5/14/2024 2:15 PM
44	Burlington in about 20 years has the chance to either be bigger than it currently is, or smaller than it ism City has to grow, because we are so small if we don't grow, then we are shrinking. The biggest issue is the money. Money has to be made, and be Responsibly spent. The city cannot afford to go into debt. If we are going to spend money to improve something, then it	5/14/2024 11:16 AM

Building Burlington Community Survey

has to be something that will either be guaranteed to make money, or something that doesn't make any money back at all, but is significantly improved.

45	Definitely need more affordable housing, daycare, resources for homeless.	5/13/2024 7:13 PM
46	We have a huge population of new homeless and mentally ill people walking around the streets. I moved to this town to raise my kids in a small safe community and they can't step foot outside by themselves because of the consistent characters walking by my house. Why would I stay here if my kids aren't safe to walk 2 blocks to a friends house.	5/13/2024 2:23 PM
47	staying the same	5/12/2024 9:49 PM
48	Concrete skatepark for the kids. Areas to ride bikes or walk safely. Indoor recreation center would be great. The school system needs to be improved. Child care would be helpful for family's where both parents have to work. A better farmers market would be great too.	5/12/2024 6:51 PM
49	I couldn't go back to work when we moved here for my husband's job because of no child care. Now that my kids have grown and I'm back at work winters are hard because there is nothing for them to do. Too cold for the park. A rec center with child care would be a win win for many family's in burlington.	5/12/2024 6:43 PM
50	Burlington is such a pleasant community to live and raise a family. My vision is for that to remain for the next 20 years while making improvements in community collaboration, municipal and county government, infrastructure, and childcare. Many people in Burlington talk about how they want new big-city businesses and growth, yet the reason most people I know like living here is because we don't have everything that comes along with that growth. Long-time residents of Bennett are leaving to get away from the growth; I don't want Burlington to become the next Bennett or else I would live up there. I instead think we should focus on retaining local talent from NW Tech and Morgan CC to stay and work or start businesses here. What growth we do have I hope we start to focus on building the heart of our community, rather than the interstate interchanges. I would also like to see the community become more accepting and embracing of the diversity we have in our community. I would like to see stronger efforts to clean the community through code enforcement. There are abandoned homes, including near schools, that should be condemned and torn down. Bushes overgrow sidewalks, and residential yards are used for car salvaging. This lowers the quality of life for neighbors and the community. Regarding parks, our parks are in great condition overall. The fountain at wood park needs repaired or removed, and the basketball and tennis courts are disgraceful. The new pickleball courts are extremely nice, these improvements should be extended to the other courts. I think adding any additional traditional parks would be a mistake and would prefer to see the City continue focusing on the two parks we have. Goodland residents have long envied the parks in Burlington compared to Goodland's. The City of Goodland attributes the difference to the fact that Burlington has 2 parks that we are able to focus our attention and resources on, compared to Goodland's 8+ parks. A downtown plaza space could be a great addition though.	5/11/2024 9:31 PM
51	I would like to see the city acknowledge the valuable resource they have in Old Town and work harder to support Old Town to generate more tourism dollars.	5/10/2024 5:58 PM
52	We need a rec center!! It would bring in travelers that need a break from driving. It would give year round options for swimming.	5/10/2024 5:51 PM
53	Support the businesses that we already have.	5/10/2024 6:08 AM
54	focus on things that everyone needs water,electricity,roads , housing etc. We have enough parks and activities especially for kids and teens. The school provides alot of activities. Money is always an issue stick to necessities.	5/9/2024 9:31 PM
55	My focus is the preservation of the history and historical buildings in Burlington, Colorado. The painting of the Burlington Water Tower would be a visible example of that goal.	5/9/2024 8:46 AM
56	I want Burlington to have great streets and roads since they have gotten so bad and I want there to be more activity's for kids so they don't do anything stupid. More art and fixing sidewalks lights parks etc would help our overall look immensely.	5/8/2024 8:13 PM
57	Downtown/Main Street has always been the heart of Burlington. We need to emphasize that and beautify it accordingly. We need to return to it being a gathering place.	5/8/2024 4:46 PM
58	The population of the city is only getting older not younger. There aren't a ton of community events for older people. It would also be nice to have more sidewalks or trails to be able to be safe while being active.	5/8/2024 3:06 PM

Building Burlington Community Survey

59	I would love to see a rec center, the bowling alley be redone, the swimming pool redone like Colby's with a lazy river and big red slide for the little kids.	5/8/2024 12:22 PM
60	Improved streets	5/8/2024 12:22 PM
61	So many visions, so many nightmares!	5/8/2024 11:36 AM
62	Our electric service is sub par with flickering lights and always an animal getting into a switch. We need to be involved with the county to work towards water recovery and sustainable use. Maybe a push with the state for a water pipeline to recharge our water aquifer. Will never happen but it should. We used to have a lake, grocery choices and now that we have a new safeway, we have 8-9.00 ground beef and we find walmart cheaper. We're pushing tax dollars out of our community to goodland. And happy to pay the 9% tax for better shopping options. We as a community have to change the way we're looking at running our community and stop making excuses. Where are the new streets were paying taxes for? Where did our safety and security go? Where did our news paper go? Where did our community pride go? There are street lights out all over town, our streets and sidewalks are crumbling, people driving like fools, funk cars all over town, the smell of weed every night so you can't have a window open. You absolutely can not call the police and get them to respond rlor do anything. But this is all tolerated by the council, mayor and city administrator. Look at goodland kansas. They are 30 minutes away and have left us in the dust.	5/8/2024 5:31 AM
63	I would like it to stay the same. It is good the way it is.	5/7/2024 3:53 PM
64	Less alcohol and drugs	5/7/2024 3:29 PM
65	Make a target where the old Safeway was. Scrap the bowling alley and make it into an arcade.	5/7/2024 2:50 PM
66	Around the same	5/7/2024 2:49 PM
67	I would like to see Burlington grow and have a rec center, mainly because I am a big basketball fans an I enjoy playing basketball and much as I can.	5/7/2024 2:49 PM
68	I think we have to potential to be a better town. I just would like for it to not grow too much bigger as the land around the town is owned by family farms that would t like to give it up.	5/7/2024 2:49 PM
69	If this works then it will improve as much as possible	5/7/2024 2:49 PM
70	Burlington needs more nature.	5/7/2024 2:49 PM
71	Take better care of our slides at parks, add more sidewalks, and more entertainment for families	5/7/2024 2:49 PM
72	TO GET A TARGET AND MORE GOOD OPTIONS. BUT NOT COFFEE	5/7/2024 2:49 PM
73	Fix the streets	5/7/2024 2:49 PM
74	More gyms	5/7/2024 2:49 PM
75	No	5/7/2024 2:49 PM
76	I hope to see more diversity and for our town to come together. Burlington has always been full of cliques and separated by class. I'd like to see that change.	5/7/2024 2:49 PM
77	Better hospital, affordable housing, indoor activity centers.	5/7/2024 2:49 PM
78	Idk	5/7/2024 2:49 PM
79	To move towns	5/7/2024 2:49 PM
80	Continue to value our small farming community, hold onto our heritage, don't try to be like the big cities, more small independent businesses, stop the encroachment of homeless lifestyle that is starting to seep into our town, bolster our police force, continue to have a safe and friendly place to raise children and grow families.	5/7/2024 10:28 AM
81	I moved to Burlington because I wanted a small town. When you speak of growth, I don't want more people, but I would like to see better amenities and a revitalized town. A place where people want to come and shop and enjoy the town. I'm at retirement age, I would like to see more activities for all ages, but especially senior citizens. Indoor and outdoor activities. I sure don't like seeing all the wind farms, let's not support the myth of sustainable, safe, carbon-neutral energy.	5/7/2024 9:03 AM

Building Burlington Community Survey

82	I would like to see pride return to Burlington It used to be a lovely place to drive around. Now it looks tired and unkept.	5/7/2024 8:17 AM
83	I would like to see Burlington as a CLEAN friendly town. Honestly this town in the last few years has gown down hill fast and it's sad. It has become filthy and the amount of unkept properties homes and businesses is atrocious. It's like the town has given up. Burlington is the first stop in colorado, let's make colorado proud. We need businesses on main Street not nasty empty buildings with trash and crap inside. We need more choices of restaurants from fast food to sit down. We need some big businesses to bring jobs to this town. We need to get the drugs out of this town!!!! We know who they are. They are turning our community into trash. Open your eyes and really look when you drive around this town and see how many businesses and homes don't mow, don't even maintain their property... let's change that and clean up this town. I used to be proud to say I chose to move here almost 6 years ago... anymore I look around this town and I wonder why I chose Burlington.	5/6/2024 4:58 PM
84	Before initiating growth we need to improve what we have. . . streets, pool, parks, infrastructure etc. Affordable housing needs to be addressed. Numerous local businesses seem to be operating short staffed so adding jobs to an already small work pool would be detrimental across the board.	5/6/2024 11:40 AM
85	Improved Main Street area. Better Sidewalks/ curb & gutter.	5/6/2024 8:04 AM
86	Overall vision would be where kids of all ages can freely walk up and down Main Street, parks and other amenities and families can feel confident that they're sending or playing with their kids in an area they feel safe in.	5/6/2024 4:17 AM
87	Burlington doesn't need to be bigger. Its size is just fine.... it need to get better. We live here because we do not wanna live in a large city. Small town live is good enough. even tho Lincoln Street is starting to look like Colfax Jr. Which isn't a good thing... maybe figuring out another stop liklght system on Lincoln Street for the folks that work on Lincoln Street it's a nightmare between noon and five. Also Safeway entrance is a total nightmare too	5/5/2024 11:40 PM
88	We need a rec center!	5/5/2024 7:40 PM
89	Focus on the environment for the kids more rec activities	5/5/2024 7:33 PM
90	We need more activities for families and spaces for sporting complexes, we also need to have more business and housing	5/5/2024 7:09 PM
91	With a lot of wind jobs coming our community is going to grow a lot we are the nearest city for them tos tay we need housing better/upgraded schooling more for the youth also opening up youth places like roller skating better bowling better rec center will also provide jobs for our young adults.	5/5/2024 6:52 PM
92	I think Burlington has some wonderful businesses now and is headed in a good direction. I think it would be great to have a place downtown to sit outside during warm days or a place similar inside on cold days. There's really no where except the library and Ziggis to sit for extended periods of time.	5/5/2024 1:44 PM
93	Follow Wrays and path. Please focus on one area at a time. Complete step one before moving to step two.	5/5/2024 1:35 PM
94	Why growth? Administrators always think growth is good. Growth can be terrible and I don't think this City is taking care of its current assets well enough to desire or handle "growth". How about tending to what we have first- it's a beautiful community, let's make it reflective of that.	5/5/2024 10:38 AM
95	I don't think growing in size or population should be a priority. We should be focusing on cleaning up and improving what we do have.	5/5/2024 8:19 AM
96	Please do something about the exposure of Parker Park to the interstate. I hate that the City chopped up all of those trees, and whenever I am at the park (which is rare now) I'm very aware of the noise and traffic from I-70; it doesn't feel safe or relaxing to me to be at that park. I love the walking path, and used to enjoy going there for exercise, but I don't anymore.	5/4/2024 7:26 PM
97	Burlington does a lot of things really well, Old Town is great, the parks are well maintained, and we love the library. The utilities have improved drastically over the last ten years, the roads are a work in progress (but at least work is being done), and the community building is probably the best in Eastern Colorado. It is hard to find a solid middle class job. I can find minimum wage work, and I can find professional work (doctor, lawyer, etc.) but that group of people who	5/4/2024 2:05 PM

Building Burlington Community Survey

need more than minimum wage, but are not trained to be doctors and lawyers can struggle to find work to afford to live here. If a family is not interested in sports, the community offers them very little. Adult education courses? Cooking classes? Sewing groups? If these things exist, then I don't know about it. It seems like there is no contact between events going on and the public. Businesses are still hanging posters in storefront windows. When an event does occur (celebration of summer, mom's night out, pioneer days, even the County Fair) everything has alcohol. The only way people in this town know how to plan events is to put a drink in everyone's hand. What message are we sending when the High School wrestling program needs a liquor license? When our PRESCHOOL fundraiser needs to have alcohol? The swimming pool takes far too many resources for only being used by a quarter of the population for all of three months (and that's when the thing CAN open). Our pool takes more time and resources just to limp through a summer than it is worth. Our school system is struggling. Homeschooling has exploded in the area, the Catholic School has a waiting list, and the Christian School was looking to expand last I knew. The school system should look into becoming a Charter School. I'd also like some bike paths and some bike racks on main street. Riding a bike in town, especially with a kid, is impossible. Again, the city does a lot of really neat things, most of the items listed are not city problems. It just seems like we only cater to select members of society and are trying to keep doing things the way they were done in 1980.

98	I wish we had our lake back.	5/4/2024 10:59 AM
99	We would all love to see Bonnie Damn be brought back to life. Such a sad thing to just let die.	5/4/2024 7:12 AM
100	Attraction of families and visitors alike by capitalizing on our rural heritage (Old Town, Carousel, Main Street history, heritage farming, restoration projects, festivals, fairgrounds, small businesses, etc). Continuing support for youth opportunities including parks, library, recreation, pool. Continuing upkeep and improvement of infrastructure. Affordable housing and utilities. Quality healthcare.	5/3/2024 10:09 PM
101	Bringing back the "City wide cleanups". Having a park with a fishing pond. Having an annual "Street dance" party on Main Street. An ice cream truck would be cool to have to go around during the summers.	5/3/2024 9:06 PM
102	We need daycare centers, a rec center and Main Street that has been revamped, and get rid of that hotel on the corner of 24 & Lincoln that is a horrible eye sore and says a lot of Burlington : (we need another grocery store Safeway parking is horrible and entering and exiting that place is rather frustrating	5/3/2024 8:48 PM
103	Please, please get on the road projects, since I believe taxes were raised for this. Also, begin plowing streets in winter again, the ice build up is so hard on vehicles and tears up the roads even more. Please provide instructions on how city staff is to Properly make repairs. Watching city public works employees hanging out, driving unsafely and being friendlier instead of arrogant and rude would be a plus as well!	5/3/2024 7:14 PM
104	Get the power situation stabilized to decrease outages. It seems there is growth within our community as I see an uptick in workers that won't stay here permanently. To entice families, we need more affordable housing- it seems the increase in housing prices is not commensurate to increase in jobs or consistent growth.	5/3/2024 7:02 PM
105	Indoor rec is so important- the weather is so unpredictable that an indoor facility would be wonderful	5/3/2024 5:22 PM
106	I would like the businesses and residents to be more involved. I'd also like to see the City employees take pride in their work and be excited to improve the aesthetics of the City. I'd like to see the vagrants removed. The street project so far needs massive reconsideration - the quality of work that has been performed so far is TERRIBLE!!! The City should also be cognizant of our limited resources, such as conserving water.	5/3/2024 5:10 PM
107	More indoor recreation for those who aren't connected to the school system, more bike trails and walking trails to safely get our kids and adults to places in town, improve our infrastructure, work on our school system. Improve our hospital and childcare to attract young families.	5/3/2024 4:13 PM
108	Schools must improve for anything else to improve.	5/3/2024 3:45 PM
109	Improved and to grow as much as possible, have to eliminate the drug going around	5/3/2024 2:26 PM
110	Folks need a reason to come together. I moved here two years ago and quickly learned that	5/3/2024 2:12 PM

everyone is related and they don't like any one in their families. People gossip about everything true or not

111	I am curious why businesses like subway, Dennys, burger king, sonic etc don't survive here. These are well established businesses and they should be able to make it. The medical situation here is a tragic joke.	5/3/2024 2:04 PM
112	Continue to keep everything up. Fairgrounds are excellent. Golf course is good parks are pretty good. Theater is very much improved, nice town	5/3/2024 1:58 PM
113	See the town continue to serve	5/3/2024 1:54 PM

115	To be successful	5/3/2024 1:43 PM
116	I would like to have a small safe community with less drug issues	5/3/2024 1:40 PM
117	Burlington has a lot going for a small town. It has a lot of things to do just more than advertising for people outside of Burlington.	5/3/2024 1:32 PM
118	Better road and road maintenance	5/3/2024 1:21 PM
119	If you build a city focused on catering to the interests of children, when those children are old enough to move away they will since they won't be children anymore.	5/3/2024 1:07 PM
120	Hopefully more businesses and services to attract younger families	5/3/2024 12:53 PM

122	I've live around Burlington for 40 years. I'd like to see something done with the homeless issue that's cropped up in the past couple years. The hotel on the corner of Rose and Lincoln is an eye sore and always full of sketchy looking people.	5/3/2024 12:24 PM
123	Like to see more growth in more options	5/3/2024 12:20 PM
124	Have welcoming arms to new businesses	5/3/2024 12:19 PM
125	A sustainable community with decent infrastructure (streets, power, sewage, water). A much better health care system with a full service hospital.	5/3/2024 12:01 PM
126	I wish Burlington was more like Wray, lots of nice places to eat and full service hospital that provides baby delivery and orthopedic surgery, etc. We go to Wray for our medical needs. Hate having to go to the Front Range.	5/3/2024 11:51 AM
127	Definitely need more things to do!	5/3/2024 11:32 AM
128	I would like to see Burlington to be a clean, safe place on the eastern plains. I appreciate the effort put forth.	5/3/2024 11:17 AM
129	A city well planned out with nice homes and plenty of things to do with the family	5/3/2024 11:12 AM
130	Grow at a substantial pace that the city can afford. Take care of what we already have	5/3/2024 11:07 AM
131	I want to see the city of Burlington get more connected with, and work with our local organizations and businesses. Prairie Cultural Revitalization is in the process of obtaining historical district designation for 14th Street in Burlington, which will enable our local businesses to be able to get grants and tax credits for restoration work on our historical buildings on Main Street in Burlington. After the commercial historical district status is received, Prairie Cultural revitalization will be applying for residential historical district status so private homeowners in our great town can receive grants and tax credits for restoration work and even some general upkeep for their private homes.	5/3/2024 10:59 AM
132	Right now a tent city! I want growth but with good honest people. Better law enforcement, drugs off the street and out of the schools, then we can grow,	5/3/2024 10:59 AM

142	Slow steady growth and improvements	5/3/2024 8:56 AM
143	Burlington is a great small town where I am actively raising my family. Is there room for improvement? Always. However, it would not be wise to attempt to rapidly grow our town. We should utilize our resources to improve what we have (specifically our streets and downtown area). Our two existing parks are great (I frequent them with my kids often), and we have exceptional events for our area. Investing in an additional park seems unnecessary and adds to the city's overhead.	5/3/2024 8:47 AM
144	I will help do whatever to make this a beautiful town	5/3/2024 8:44 AM

148	In the future everybody will work online. Get more internet companies I guess	5/3/2024 7:19 AM
149	The gym complex Wray has is ideal with the indoor track. Parks are great except for half the year when our kids are forced to stay inside because there's no INDOOR parks/gym activities center for kids. The rocket and wooden park are excellent for great weather, we need something for the winter.	5/3/2024 6:50 AM
150	More things for kids to do to keep them out of trouble	5/3/2024 6:41 AM
151	It would be great to see families stay. The quality of our schools is driving people away and losing services at the hospitals doesn't help. There are water issues that could devastate our community if not addressed. The Oglalla aquifer seems to be on borrowed time. There definitely needs to be something for teens to do safely in this community. Unfortunately, there's a large number that turn to drugs and alcohol. I really don't know the answer though	5/3/2024 5:41 AM
152	I think affordable housing and new long term job opportunities will help grow the community. I would love to see our town grow in the next 20 years instead of decline. I know we need to raise taxes to better our town and our infrastructure.	5/3/2024 5:31 AM
153	Better schools. Return to Pregnancy support and birthing capabilities. Improving street maintenance. Indoor swimming pool Sure miss Department store/Denny's style restaurant	5/3/2024 4:17 AM
154	People begging on the corners has grown exponentially over last few years as well as homeless and transient population. I've seen people acting erratically on street corners and safety has become a concern. What can be done about this?	5/2/2024 9:10 PM
155	I want to see the community continue to grow and thrive as a whole. However, public transportation options for those without access to a vehicle or are disabled and can't drive, and programs to assist low income families with housing and childcare are few and far between, and I believe that necessary changes should be made to amend those issues.	5/2/2024 9:04 PM
156	To have a safe community for our children and to improve our justice system. We shouldn't have to worry about our property being stolen by the same individuals that get let out of jail weekly.	5/2/2024 8:50 PM
157	Make Lincoln street in front of Safeway, Mcdoanlds 4 lanes. Improve street lights on rose avenue. Plant more trees. Build new swimming pool. Build a large rec center	5/2/2024 8:49 PM
158	I feel like Burlington will grow much more and get more restaurants but no more coffee shops please no more.	5/2/2024 8:00 PM
159	I would like to see Burlington attract quality people and families with more jobs. The marijuana	5/2/2024 7:20 PM

industry is not necessary. We need more programs for helping families in need of rent, medical, utilities and food. Also I love to see our workforce office open again.

160	More child care needs to take top priority. Moms can't work, even when they want to, due to lack of childcare options.	5/2/2024 7:14 PM
161	We have to get rid of all these weirdos in town. Being politically correct is not important. Get rid of them. Our kids are not safe	5/2/2024 6:43 PM
162	I would like to see more diversity when it comes to things like local business or other businesses in general. I would also like to see more family oriented activities and such.	5/2/2024 6:34 PM
163	Parks and trails are a lovely idea. This town needs more options for family fun. The bar is awful, a pub style that serves food and adult drinks would be better. Also the streets. Oh man, the streets are so ran down- it makes our town look trashy. So does all the ran down buildings/business along our main roads. I moved her to start a family- this town is kind of scary to do that right now. I definitely don't want my kids in this district....	5/2/2024 4:16 PM
164	I would like to see Burlington as a great tourist stop. Bringing in money for the town and not increasing the population drastically.	5/2/2024 4:15 PM
165	I would like to see Burlington cleaned up. No matter which way you enter into town, it's ugly, dirty, run down. Everything needs cleaned up. Beautify Burlington.	5/2/2024 3:18 PM
166	Farmers market	5/2/2024 2:53 PM
167	Build on the opportunity provided by hosting Mirgan CC and what a "college" campus & students could bring culturally to the community - community classes. Workshops, trips, speakers, art.	5/2/2024 2:30 PM
168	I constantly get asked by out of towners "what is there to do here". Well if ya don't golf bowl or go to the bars there really isn't anything for adults. What the answer is idk but it's been this way since I was a kid sure we have to think about parks & such for the kids but what about young & older adults to do	5/2/2024 2:29 PM

173	Get the PD to deal with drug houses especially the hotel formerly known as Western motor inn. Make parks safer from drug activity and littered drug paraphernalia	5/2/2024 1:25 PM
174	Make the walking path better at the wooden park. Refinish the wood at the wooden park and fix what is broken. Get the fountain going again. Make a man made pond with walking path on the outskirts of town. Bring in someplace to buy something other than western wear.	5/2/2024 1:24 PM
175	Grow a bit. Increase the workforce. Atttact bigger employers and provide housing options.	5/2/2024 1:18 PM
176	Have more restaurants and grocery stores to compete for market and be affordable. Shops ask what they want and quality food goes down all is always Mexican get more family restaurants that is affordable- better choice	5/2/2024 1:01 PM
177	Indoor swimming pool and lazy river and new outdoor swimming park	5/2/2024 12:59 PM
178	I would love to see Burlington thrive in all areas. BUT most importantly, to make our town SAFER.	5/2/2024 12:57 PM
179	Plans to preserve and rehabilitate Burlington's historic structures.	5/2/2024 12:50 PM
180	A few of these things are private things, not up to the city government. Both ball field facilities should be at the top of any list. I'm more worried about the fact that I see vagrants daily and half the kids in the school are vaping than whether we get a new park. I know the city can't fix the dysfunctional family situations plaguing our community or the behavior of the kids in the schools, but we can't sustain true, natural growth without functional, responsible, productive	5/2/2024 12:47 PM

people. The city can't be society's babysitting service. You have your work cut out for you. Good luck!

181	We need more affordable housing. There is enough housing and what is available is very expensive.	5/2/2024 12:44 PM
182	I would like to see more options for our youth. This age range is from 0-25 and we offer very little for a lot of those ages.	5/2/2024 12:34 PM
183	More response from the city when people reach out and actual community engagement. I would like to see significantly more engagement with economic development on more than just grocery and prison. Housing and childcare have to be addressed.	5/2/2024 12:25 PM
184	To regenerate local businesses in the downtown area to provide for a more attractive community. Bring in younger citizens that want to stay and shop in our community.	5/2/2024 12:17 PM
185	We need child care and affordable housing for the jobs in the foreseeable future	5/2/2024 11:43 AM
186	A mid price range restaurant would be good. Making the pool indoor for year round use would make it better to use.	5/2/2024 11:25 AM
187	Get rid of run down hotels and homeless people	5/2/2024 11:23 AM
188	I would like to see Burlington grow on a steady pace but would like to see improvements to the streets, power, and making the town look nice.	5/2/2024 11:22 AM
189	Try getting dispensaries here again but do a better job advertising their distance from residential areas. The senior citizens wouldn't have been so opposed to it if they didn't think drug addicts would be moving into their backyard. There are three liquor stores and no one complains about all the alcoholics here.	5/2/2024 11:19 AM
190	We need to work on keeping Burlington safe like a small town should be. Get more activities/ places to hang out for our teens	5/2/2024 11:16 AM
191	I would love to see Burlington grow in the next several years. I am currently homeless and working at a job that isn't something I want to make a career out of. I am currently working towards my degree in education. I'm hoping that I can use that degree to work in the school district. I preparing and trying to keep my family in this community. I want my children to grow up in this small town. One of the dilemmas I'm currently having is finding housing and affordable housing. If I'm unable to find housing I will end up having to move out of state. This is weighing heavy on my family right now. If Burlington had more apartment properties to provide housing for families, I believe this would keep Burlington growing. Another idea to keep Burlington growing is another for of entertainment for families like an indoor play center where we can gather in the winter months. I would like to improve our library. The library is one of our sources of entertainment since there isn't much to do. We attend their story times and Lego club as well Science Fridays. Improving the roads is important I would like to see rose ave shown off to its beauty as well as main st.	5/2/2024 11:09 AM
192	Without an increase in the diversity of our economy, we're at the whims of bad harvests and weather, whereas we have a massive opportunity to increase our local tax income if we would legalize recreational marijuana. The only thing we accomplish by keeping it illegal is supporting local drug dealers and sending tax dollars out of our community to the Denver metro area. Large projects to improve our town would be more easily paid for if we would properly allocate most of the taxes legal marijuana would bring in.	5/2/2024 11:05 AM
193	I believe the Burlington community is in a state of decline. The republican river water retirement program is going to be detrimental to the economy and will result in a major loss of jobs, property value and ability to attract new business. The schools are in poor shape both structurally and academically and that is going to directly influence growth more than recreational opportunities. The health care and medical facilities are in a decline as well and are starting to outsource to traveling doctors which will not help bring new families into the community and has little benefit back to the city if those families do not live here and support this community.	5/2/2024 10:45 AM
194	All efforts should be made to beautify our town. Rose Ave and 14th street need to be postcard ready to attract people to Burlington. Much stricter enforcement of city regulations or additional regulations need to be applied to ensure Burlington looks like a place people would be willing to move to "the middle of nowhere " to be apart of and make their home.	5/2/2024 10:38 AM

Building Burlington Community Survey

195	Burlington is in a great position to land a niche of a great place to stop on a loooooong stretch of land with nothing else to do. Actual modern activities, more restaurants, and some strong internet marketing could go a long way.	5/2/2024 10:34 AM
196	If we could improve on the amenities we have and really aesthetically take care of our parks, medians and ditches of the main thoroughfares I think community pride would improve. I feel like businesses along Rose and Lincoln should be in some sort of covenant that requires them to take care of the ditches and their properties. It is a horrible first impression of Burlington. The medians also look horrible now and do not give any small town pride vibe. The big park has so many bare spots in the grass and stickers, it's not very welcoming, and it could be amazing. The swimming pool could definitely use an upgrade and having indoor recreation spaces throughout the year would be fantastic. There are not enough quality basketball courts which creates crazy scheduling issues during most of the school year. The practice football field area/old practice ball fields could be better as well.	5/2/2024 10:27 AM
197	The existing infrastructure needs to be improved and efforts need to be made to curtail the homeless population that has popped up in Burlington. Adding to the community events and facilities will do nothing if you have vagrants and illegal activities spiraling out of control.	5/2/2024 10:26 AM
198	I would like to see better leadership and accountability! All the money goes to support old town while the rest of the town goes down! We need new leaders and managers that want to work. The city parks need a new manager.	5/2/2024 10:23 AM
199	We need things for teens/kids to do.	5/2/2024 10:03 AM
200	Hopefully crime down with more activities for kids and teenagers to do. Especially during winter months.	5/2/2024 9:38 AM
201	I would love to see the daycare center thriving. I think the biggest need after that is an indoor recreational facility with space for all kinds of sports, maybe an indoor pool. After that I would say the current outdoor pool needs a complete renovation especially the kiddie pool area. Our current parks are good and well used. Additional areas for outdoor activities like bike or walking paths would be great!	5/2/2024 9:30 AM
202	Unless you can get people to sell land around Burlington, you're going to have trouble expanding outside much of the city limits as is. And I can't say I don't blame them for not wanting to sell either.	5/2/2024 9:25 AM
203	Just to be a better place for kids to have fun and adults t find jobs that aren't fast food or grocery store workers.	5/2/2024 9:22 AM
204	I would like to see Burlington as a welcoming town with just enough options to visit. Add recreation options to help promote a healthier lifestyle and options for kids when out of school.	5/2/2024 9:16 AM
205	I would like to see this be area stay a small contained community that uphold American values and Christian principles. This area should be family friendly and small business friendly by keeping costs low for business start up costs.	5/2/2024 9:03 AM
206	Growing community that takes pride in our town.	5/2/2024 8:59 AM
207	If the growth is mostly dysfunctional low-income vagrants as it seems to be lately, I prefer it not grow. Merchants park needs new bathrooms and both fields need shade structures.	5/2/2024 8:54 AM
208	I would hope to see it grow to help young families want to stay and raise their families, and be the most prosperous tourist destination in Eastern Colorado. Additionally, I envision our community becoming a hub for entrepreneurs looking to start and grow businesses, further enhancing our town's vitality and appeal.	5/2/2024 8:51 AM
209	See our streets improve so that kids can actually play in them without hitting pothole after pothole. Rec Center for kids to be able to play year-round without the hassle of getting into the school facilities.	5/2/2024 8:48 AM
210	Better food selection, access to dental and vision care, and a clinic/hospital that can actually properly bill services to insurance etc. It is absurd that we have to drive to Wray or Denver for any kind of decent healthcare beyond check ups and minor things.	5/2/2024 8:47 AM
211	We need more housing. It's impossible to find housing here especially for young families who are unable to buy a house right off the bat. We also need more kid friendly things to do. A rec	5/2/2024 8:38 AM

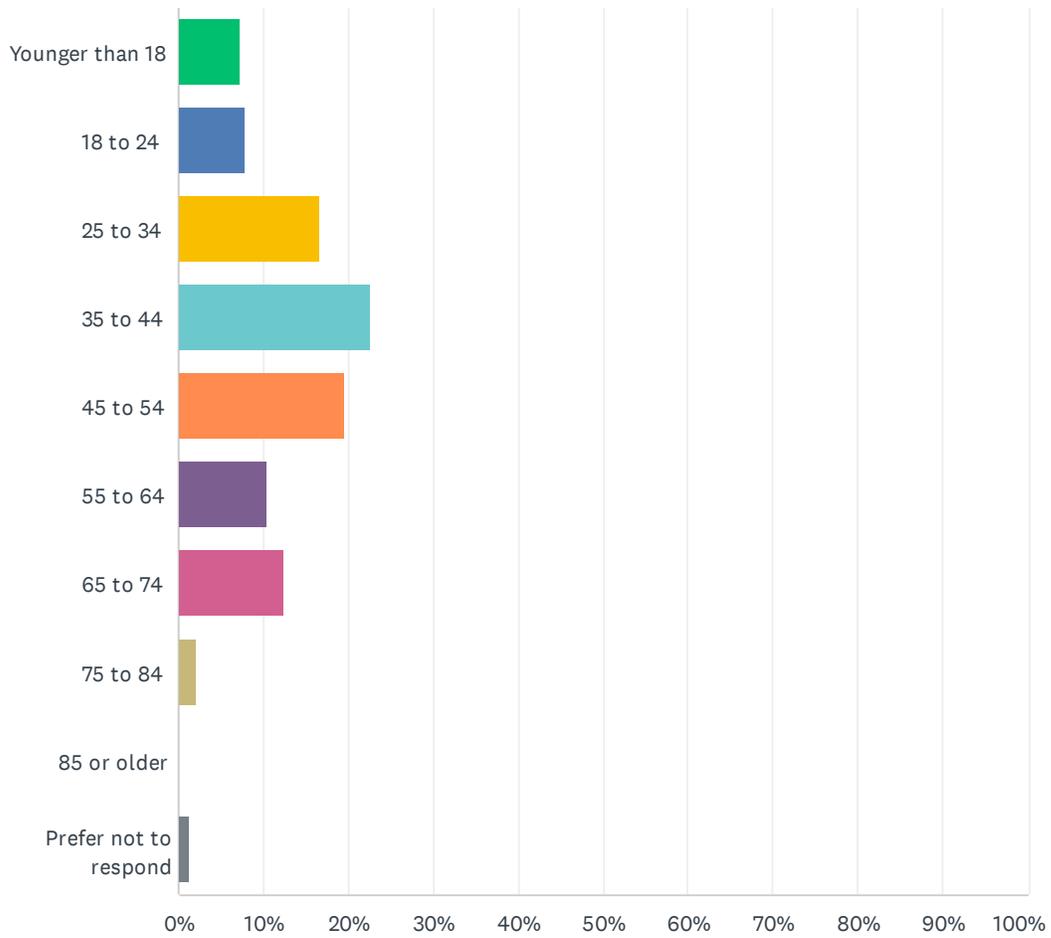

Building Burlington Community Survey

center would be amazing or some sort of indoor playground that is functional through all seasons.

212	We need to keep young families living in or near Burlington. Also activities for elderly would be fantastic. Let's offer things we now do NOT have, an indoor pool year around, along with an indoor activities center for all ages would be a great plan. Winters are long on the Eastern Plains.	5/2/2024 8:35 AM
213	Fix the hospital so it is finically stable and improve healthcare on a local level. Get a police department that can actively stop crime and drug deals. Then the town can start improving from within our community. If you want to work please come to Burlington. We would welcome you with open arms. If you don't want to work please don't come. The world is full of non productive people.	5/2/2024 7:50 AM
214	Continue being a close community that brings families together and keep kids busy and out of trouble with activities available	5/1/2024 2:09 PM
215	I'd like to see Burlington thrive in areas other than agriculture. I'd like to see it become a community that people want to move to. I'd like to see better amenities including a rec-center, post-secondary education and more job opportunities.	5/1/2024 12:29 PM
216	Housing is of upmost concern. There is very limited options for lower income people and families, not to mention the elderly. We have seen some good growth in the last two years with new business development, but our infrastructure and housing are not on pace to keep up. Burlington has all the potential to continue on a path of sustained growth while preserving its small town character, and hopefully this plans sets us up for just that. We just want a nice, safe community to raise our families with some of the amenities of the city. Our parks & rec, namely the activities dept., is doing a good job of providing programming for for a variety of ages and interests. Parks on the other hand need attention and that boils down to city staffing and a schedule for o&m. Our parks are not well cared for in my opinion. The swimming pool is desperate for overhaul and could generate revenue to offset operational costs it if were in functional condition. To say it's nickled and dimed us would be a gross understatement. Would love to see all ballfields updated along with pool in hopes to attract more regional tournaments to benefit our economy. The same could be said for meeting spaces like the community center and Old Town. These are underutilized convention and meeting spaces because they do not have the amenities needed to attract larger bookings. I firmly believe that tourism is a leg that the city will need to stand to move into the future. Marketing/PR and transparent communication are also top of mind for future growth and quality of life for residents. Thank you	4/30/2024 5:30 PM
217	Have adequate parks, recreation for older ages (not just kids), walking/biking lanes, be able to clothes shop locally, public safety departments fully staffed, housing.	4/30/2024 2:33 PM
218	stop housing the homeless, make our streets and parks safer for everyone to be on, less drugs.	4/30/2024 11:23 AM
219	I would like to see more retail and recreational areas for kids to enjoy. Also, in order to see Burlington grow we need to figure out the housing issue so more people can call our beautiful town home.	4/30/2024 10:07 AM
220	A healthy, clean and vibrant downtown with open space utilized as a civic gathering place; establishment of a Main Street program or downtown district; upgraded playground equipment in parks, upgraded pool and court facilities, a true recreation center; street and sidewalk improvements, housing assessment with more affordable housing options, water conservation efforts, building codes, up to date land use codes. Nuisance abatement.	4/30/2024 9:09 AM

Who would replace the planters when they got broken. Its nice to have quiet time when you go shopping. Would be annoying like music at a gas pump. Brick streets----- get real uneven. ruin tires and people trip on them when crossing. Street tres---- how would they get ateed. Too hot and dry. No one cleans the trash on the sidewalks now--- who would clean up all the leaves and branches. Get people to rent out the empty stores now-- could be used for different activities. Just soap and water the fronts, put in new sidewalks, fix the streets and you would get more people here. Right now it is a slum and you want to add this other stuff. Money and personnel to take care of it would not be cheap. Dog areas don't work. Just a place for many dog owners to bring dogs to poop so they dont have to clean it up. Q8 I am interested in redeveloping the Rose Avenue corridor as a 'mixed use' corridor, including a mixture of businesses, along with space for additional housing units, as illustrated in the images that follow (Please select one)NOTE: The images that follow provide an example of how a mixed use redevelopment could occur along one side of Rose Ave. This is just a concept, and is not a formal proposal for properties along Rose Ave. Mixed use is defined as buildings that may include a mixture of residential, commercial, office, and entertainment uses, in the same structure. These types of buildings typically locate residential or office uses on upper floors, and more active uses such as stores and restaurants on the first floor. Mixed-use along Rose Avenue may include residential buildings that could include other, commercial uses on ground floors, over time.

5	I really like these ideas!	9/17/2024 8:55 AM
6	As I mentioned above. This is a plan better suited for private business to explore. The City should only have the zoning plan to include this growth.	8/30/2024 8:37 AM
7	It's extremely difficult to find housing options. A rental page connected to the Kit Carson County page would be advantageous. Fees associated with this should be kept small and one-time (if at all) to encourage the use of the tool. Furthermore, any fee should not fall on to tenants. Moving is already too expensive and renters typically are living paycheck to paycheck.	8/10/2024 9:50 PM

10	You build new buildings along Rose Ave for new stores. Either the rent will be too high for people to rent and or then what happens to the old stores on main street and surrounding area. Left standing to decay and cause more problems in looks and trash.	7/31/2024 11:08 AM

14	Make better sidewalks	8/4/2024 5:57 PM
15	Bikes have always been welcome on city streets, fix the streets	7/31/2024 11:37 AM
16	Our strees are not wide enough for bikes . Too many accidents. I see at the most 10 people on bikes in a year. Walking trails--n0 places to sit-- restrooms(who would clean them) homeless would stay overnight in them as gross as it sounds----again-- who would take care of the upkeep. Who would give up part of their yards for a walking path. Hard decisions.	7/31/2024 11:08 AM
17	You should put bike parks in	7/31/2024 9:25 AM
18	No bikes	7/16/2024 10:26 PM
19	Why is biking so important in these plans?	7/16/2024 4:52 PM
20	But the money needs to go to these repairs unlike previous tax increases to fix streets that are still a mess	7/16/2024 4:15 PM
21	None. Waste of time and money	7/16/2024 2:32 PM
22	A drain along 15th street so whenever it rains it doesn't flood	7/16/2024 2:01 PM
23	None	7/16/2024 11:32 AM
24	Focus on fixing roads so both cars and bikes benefit	7/15/2024 4:44 PM
25	We have weeds growing in our streets and constant cold patching. Fix that first then we can discuss bike routes.	7/15/2024 9:18 AM

27	How many bikes would you project to use some thing like these	6/28/2024 9:22 AM
28	I would like a loop trail that is *along* streets	6/24/2024 7:49 PM
29	Plus, a street we have been promised for 11-plus years	6/24/2024 7:44 PM
30	Concrete skatepark would give kids an area to ride without fear of being hit by cars	6/24/2024 6:13 PM
31	Start with making the streets feel safe.	6/24/2024 3:53 PM
32	Have the kids in this town ride their bikes to school instead of their parents driving them to school	6/23/2024 9:38 PM
33	NONE - No one rides bikes in Burlington. This expense is not needed.	6/23/2024 6:34 PM
34	REPAIR ALL streets with the tax increase money	6/22/2024 8:55 AM
35	More stoplights for pedestrians and bikers.	6/21/2024 6:51 PM

36	Something separated from traffic that can be walked on to make streets safer for children	6/21/2024 5:47 AM
37	I'm 71 and I know how to fix a street better than one lazy guy sitting on the maintainer and two to hold the shovel and one to take their foot and safely pat it down. Really I've watched it we voted to fix them not a band aid.	6/19/2024 9:47 PM

10	Make stronger efforts and install signage for Non-truck routes in our neighborhoods! We constantly have semi trucks coming down Fay street and Mike Lounge Dr. trying to avoid the 24 & Lincoln intersection only to realize they made a mistake because the intersection has been fixed. Then they drive up and down to the park or have to make difficult turn down at the northeast end of the football field to get back to 24. However the signage or google maps has not updated the info. Therefore they tear up our streets and cause hazard to children going to school, the park and the pool.	8/30/2024 8:37 AM

3	I would actually really like to try and reduce all pollution	9/17/2024 8:55 AM
4	build a wind turbine just for town like wray has	9/10/2024 9:57 AM
5	add more businesss like stores	9/10/2024 7:53 AM
6	Let KC Electric take over.	9/4/2024 1:53 PM
7	It is not clear what you mean by diversifying the resources to improve our electricity... so I would need more info. There is a problem with our grid so I do want that to be corrected. We were able to install a generator but not everyone is able to do that. Do not include or install 5G.	8/30/2024 8:37 AM
8	Get out of the electric business. Turn it over to KC so it can get fixed	8/29/2024 8:57 PM

10	Maybe some investigating needs to be done into our city electrical department. Why can't we attract and KEEP experienced electricians as employees. There has been a HUGE turnover the past few years.	8/27/2024 10:43 AM
11	The power grid should be upgraded overall. Extremely costly yes, but wind isn't efficient. Solar is more favorable. Feasibility of integration to existing infrastructure is questionable.	8/10/2024 9:50 PM
12	The power grid sucks	8/7/2024 10:27 PM
13	And, work with the surrounding towns	8/4/2024 8:24 AM
14	burlington hasn't put any money we have paid them for years to maintain the grid, just fix what we have	7/31/2024 11:37 AM
15	Need to replace elec. wiring everywhere----xeriscaping--- added heat in the summer-- winter-- need plants etc to help with the oxygen levels in the air. The town would be soooo much hotter without grass.	7/31/2024 11:08 AM
16	Fix the drainage problems!!!	7/16/2024 2:32 PM
17	Our electric grid is in dire need of improvement.	7/16/2024 11:47 AM
18	Require the city to follow the same watering restrictions as the residents.	7/16/2024 10:12 AM
19	Nuclear power. Maybe our industrial area would allow for a nuclear power plant???	7/15/2024 7:16 PM
20	Quit spending all money on Old Town	7/15/2024 4:53 PM
21	Promote buffalo grass over other grasses by giving a discount on water bills, if you use buffalo grass	6/30/2024 7:59 PM
22	Just get reliable power. Do NOT rely on "renewables", to the exclusion of reliable, consistent sources	6/24/2024 7:49 PM
23	This is the area (infrastructure) that should receive more focus.	6/24/2024 6:24 PM
24	Give people a reason to take care of the lawn they have or could have	6/21/2024 6:04 AM

3	Our emergency comms are really pretty good with phone txt alerts. There are plenty of options for stranded travelers that don't include expensive construction but using existing facilities. I.e. hotels, churches, community center. If you improve our streets with the tax \$ we approved then storm water mitigation should be part of that improvement. Most homes and businesses have basements so a preparedness plan by sector would be nice so residents know where to go in the event of a storm.	8/30/2024 8:37 AM

8	it is fine how it is	7/31/2024 11:37 AM
9	Have people clean the gutters on their property so the water will flow into NEW storm drains. WE have very few if any drains.Storm shelters--- not enough time, parking and where would they be built. Who would unlock them and then lock them back up or you will have homeless living in them and we would have the expense to clean them up. That is why churches are closed all the time. Homeless come in and use the restrooms to try and clean up and leave them a discusting, horrible mess. Now Calif is kicking out the homeless so where will they goooo. COLORADO	7/31/2024 11:08 AM

11	fix the electrical issues.... my bosses are new to town and the frequent power outages are an issue	7/16/2024 2:10 PM
12	The vagrancy, drug use, and widespread dependence on government assistance for everyday living are the greatest threats to our resiliency as a community. We can't let our kids use the bathroom at the parks because of vagrants and drugs. The schools can't function properly with this volume of dysfunctional people to manage.	7/16/2024 12:32 PM
13	Not in favor of these.	7/16/2024 11:47 AM

91	Right now with the increasing amount of homeless/drugs in the community most of the new facilities would be taken advantage of and we need to figure out how to address the people problem before the increase in taxes and development. We need to focus on getting our pool heater fixed and addressing issues with current street conditions.	9/5/2024 12:56 PM
92	Burlington is no longer a safe community. Maybe focus on the criminal aspect that seems to be consistent & less on making down town look pretty.	9/4/2024 1:53 PM
93	I think the best use of time and resources is to fix the things that need fixing before we add more infrastructure we can't afford and that to requires continual maintenance. I think our parks need to be upgraded for cleanliness and safety. I would support more police presence at the parks and would be fine with the tax expense that would create. Fix what we have and allow private business to expand as the economy allows. We cannot attract new business, new residents or can expect more tourism if we don't start there.	8/30/2024 8:37 AM
94	The city needs to stay in its lane and stick to infrastructure and security not micromanaging everything someone wants to do and trying to force things to happen because of more regulation.	8/29/2024 8:57 PM
95	Our biggest issue in town currently is the poor streets, the pot holes are out of control and patching them isn't the answer anymore. We need new pavement especially on Rose Avenue and Lincoln. Lincoln street needs a turn in lane into Safeway.	8/29/2024 12:27 PM
96	I think we need to fix what we already have instead of trying to bring new thing. Our existing streets and electricity are failing badly.	8/27/2024 1:32 PM
97	Indoor rec center that provides kids with opportunity to play basketball and other sports safely. Instead of looking of expanding and adding new this let's fix what broken first. Like pool, either fix or build new. The streets. Let's repair or replace them so one can actually ride a bike or roller blades on them.	8/27/2024 12:43 PM
98	I would love to see a dog park added to Burlington and more things to do classes for adults and the youth a better gym that is not so expensive and that is bigger. With a pool and track. Also I would love to see the streets more light up for people walking around town in the evening.	8/27/2024 12:18 PM
99	Indoor recreation would benefit Burlington it would open jobs, activities all year long. Have party rooms to rent for parties	8/27/2024 12:15 PM
100	Before we move forward we need to invest in our infrastructure that has been ignored for decades	8/27/2024 11:54 AM
101	A sound wall between I70 and Parmer Park would be great....although I'm told that is a state issue. City could push for it	8/27/2024 11:00 AM
102	Before we just start expanding. You heed to clean up the trash that is along Lincoln and Rose Ave. you talk about routes between w Park and Lincoln. What a mess that is with pan handlers, the hotels that rent to the drug addicts. This town is not safe and you are worried about walking biking routes. No matter how you come into town it is a disgusting mess. Why keep adding stuff that will eventually get thrown to the side and not kept up let's clean up what is here. When I moved here 20+ years ago it was a totally different/better community.	8/27/2024 10:43 AM
103	Put cameras up in the local parks for safety	8/27/2024 10:24 AM
104	Before we can offer improvements of our park department, safety of the park areas themselves need to be a priority. Not necessarily the safety of the equipment, but the safety of the people using the park.	8/27/2024 10:03 AM
105	- Need better health services / hospital - Better planning needed - Save the community college - Need more activities for young people	8/15/2024 6:00 PM
106	Including incentives for biking and offering biking and walking groups before and in conjunction with development of bike / walk paths would be great to get people interested and moving around the town more to enjoy the other developments, such as added recreation zones and the Rose Avenue mixed use zone.	8/13/2024 6:39 AM
107	Fun stuff	8/12/2024 4:16 PM
108	Local businesses can host events or club meetings or classes for community bonding. A downtown bizarre or interactive "fair" type deal would be fun. A career exploration program via	8/10/2024 9:50 PM

112	A brick road down Rose Avenue would be cool, too	8/4/2024 8:27 PM
113	I have no other questions.	8/4/2024 8:16 PM
114	As I return every year to visit my hometown, I would like to see more shops to walk to on Main Street, such as a walking type strip mall, with unique or homemade crafts. To bring more foot traffic to downtown and Main St.	8/4/2024 7:16 PM
115	Clear up street corners for better visibility	8/4/2024 7:08 PM
116	Don't over-complicate this: Focus on residents, not travelers and not transients - otherwise we will leave our community Nobody at the Colorado Welcome Center has been consulted regarding the potential connection from CWC to Old Town. It is a CDOT property.	8/4/2024 5:35 PM
117	Being able to get the slum off the streets and out of the parks would help.	8/4/2024 8:32 AM
118	These are all good ideas, but we need good medical facilities to support young families. A pediatrician or some specialty clinics for common issues such as allergies and a trustworthy medical staff that is affordable.	8/3/2024 5:58 PM
119	I'd like have somewhere to take your dogs, and more outdoor seating.	8/3/2024 5:43 PM

122	Burlington needs to be more friendly towards its non-farming community and start working on improving their quality of life, especially by promoting a higher minimum wage to match the current state wage so that people can afford to live and work here.	8/1/2024 7:08 AM
123	The pool really needs to be the greatest focus. It hasn't been updated forever and the staff needs better training.	8/1/2024 6:46 AM

126	Add ebikes or scooter to the town of Burlington	7/31/2024 3:26 PM
127	fun places like a roller rink or arcade or something like that	7/31/2024 3:23 PM
128	FOCUS ON AFFORDABLE HOUSING FOR HTE CITY ALONG WITH REMOVING THE WESTERN MOTOR INN. THIS WOULD GREATLY HELP ONE OF THE MAIN POINTS OF BURLINGTON	7/31/2024 1:57 PM
129	Don't turn Burlington into a 15 minute city. go talk to anyone that live in Maricopa about 12 years ago. It is a slippery slope.	7/31/2024 11:37 AM
130	I don't want to be so negative but we need to look at the end of the tunnel. Builders will present a good plan on paper and then leave when its done whether good or bad. Take care of what we have now and then start expanding. Too much to build-- it all never gets done and if it does--- its half ass---- What contractor in town would do this. None of them. they dont have the ability or knowledge. Cannt even resurface Webster street decently How can the town take on all of this. Think about it.	7/31/2024 11:08 AM
131	you should take the money for this and put it towards the school so we can actually learn	7/31/2024 9:25 AM

able to utilize it. Updating/upgrading the pool be nice. I would not say it's the top priority but I know many families go to Stratton, Goodland, Colby instead of utilizing the one we have here in Burlington. Thank you for putting this survey together!

135	Thank you for your efforts in putting this together! Burlington still has a lot of potential for the future and I hope this helps! My biggest concerns with a young family are a child care center and some kind of recreation center to keep all ages active all year long.	7/21/2024 9:15 PM
136	Focus less on Old Town and more on community development the youth is interested in. Indoor basketball options, public gyms, indoor pool, etc to keep kids active throughout the year and not dependent upon school activities.	7/20/2024 9:40 AM
137	I love love the idea of a "YMCA" type rec center. Strongly feel Burlington needs something like this.	7/17/2024 8:20 PM
138	We desperately need to work on walking trails in the City with sidewalks it's dangerous to walk within the city. We need to bring back the skateboard park for the teenagers. There is nothing for the kids to do here within the city besides sports activities. Not broad enough to include everyone. We need desperate police training and involvement to stop the crime within the city.	7/17/2024 2:54 PM
139	I would like to see the 4 way tire swing brought back to Palmer park. Upgrade and treater proof the outback park and fix the fountain	7/17/2024 8:57 AM
140	Focus on properly maintaining/repairing the things we have rather than adding useless frivolities because they're pretty.	7/16/2024 10:18 PM
141	Follow through. That is an area that needs improvement for Burlington. Always good talk and no action. No personal opinions for growth, do what's right for the community as a whole	7/16/2024 4:15 PM
142	None	7/16/2024 4:00 PM
143	No need for more government owned and why only promote tourism. Why not locally owned businesses out side our adeay	7/16/2024 2:32 PM
144	see above	7/16/2024 2:10 PM
145	Use the tax money we've been paying towards fixing the roads. That's what we voted for and wanted already.	7/16/2024 2:01 PM
146	Practical things should be the priority. Update/maintain existing facilities, get streets cleaned up after snow, keep us safe. How do we attract responsible people that produce something and contribute to our economy and community? They don't want their kids in a school where over half are vaping in the school building and a large percentage don't care about their grades, their future, or anything happening in the world around them because their parents have taught them nothing about how to live a functional life. I don't know the answer, but it's hard to move forward and grow in the cultural state that we are in right now.	7/16/2024 12:32 PM
147	I would like to see a town where private property rights are honored. Many of the recent developments and ordinances have been in direct violation of our property rights. For instance, if a person were to own chickens we have to allow government officials onto our private property every year. This is not okay. If we lose our property rights, we are just a Communist community and that is not a place I would choose to live, run a business or shop in that area. Your decisions will lead to people leaving. Protect private property rights at all cost!	7/16/2024 11:27 AM
148	Before adding more infrastructure, our employees need to start taking care of what we already have. Parmer park is a mess simply because the effort to preserve it isn't there. If you add more infrastructure that's just more the employees have to take care and it won't get done. Our city also doesn't have the staff to take care of more locations. They barely manage to take care of what we already have. Very few of the City staff actually takes pride in our community, so creating more work for them will just worsen the situation rather than make it better.	7/16/2024 10:12 AM
149	Cover the pool for year round use	7/16/2024 10:05 AM
150	Get rid of homeless people camping.	7/16/2024 10:04 AM
151	Along with the Burlington comprehensive Plan, the schools all need addressed before any of these city upgrades can take place. When you have a good school it attracted good teachers. When you have good teachers you attract good community members. When you have all of these things in place the city can flourish, but the schools need addressed.	7/15/2024 7:16 PM

153	Make Old Town self-supporting	7/15/2024 4:53 PM
154	The city should not be involved in real estate or compete in the private sector. Have more leagues / recreation for adults in the community.	7/15/2024 4:44 PM
155	Move Merchant Park to a new location Indoor pool	7/15/2024 2:57 PM
156	Upgrade the park north of Webster and south of the railroad. Restrooms would be nice.	6/30/2024 8:54 PM

160	Why no dispensary?	6/29/2024 9:56 AM
161	We need to improve our parks and streets.	6/29/2024 9:46 AM
162	I appreciate the idea of improving Burlington, but we need to fix the current issues more than we need most of the above "pretty things." It would be nice to have streets that don't ruin tires, stable electric power, drinkable water, and schools that aren't rated a 1/10.	6/29/2024 7:08 AM

166	Clean up town. Get rid of the homeless people.	6/24/2024 8:01 PM
167	We need better public safety and 24-hour police patrols.	6/24/2024 7:49 PM
168	Let's improve the functionality of our existing services before adding additional, costly initiatives.	6/24/2024 7:44 PM
169	Allow people to drive a gator, ATV, etc. without a license.	6/23/2024 10:50 PM
170	Apply for a grant to build a sound wall along the south side of Parmer Park. We need better signage for the entire town, such as information digital screen. We should promote Burlington as a retirement community.	6/23/2024 10:22 PM
171	Improve the streets!!	6/23/2024 9:47 PM
172	I love your town after spending last summer and this summer here! I use the Parmer Park to walk in almost daily. I *love* your food trucks and restaurant choices. I love the carousel and rode it at least three times a week! Everyone is friendly and welcoming. Great variety at Safeway. Love the local, non-chain places to eat and shop!	6/23/2024 8:28 PM
173	We need to enlarge the splash pad. A park north of the railroad...maybe down the line :)	6/23/2024 8:20 PM
174	Make Rose Ave look like somewhere people want to walk and shop	6/23/2024 8:15 PM
175	It's gonna be nice if you guys create something for recreating with family (both indoors and outdoors)	6/23/2024 8:01 PM
176	Fix the stuff that is already broken! I have no interest in additional parks. For tourism, bring in new businesses.	6/23/2024 6:34 PM
177	I would like to feel safer and I would also like our pool to be better and lastly I would love to have more of a food variety.	6/22/2024 10:20 AM

183	The existing city parks - Outback and Parmer Park - need repairs and better upkeep. Adding more parks doesn't seem to be needed, other than a dog park, which was supposed to be in the works a few years ago?!? Burlington would benefit greatly from better bicycle options.	6/21/2024 7:17 AM
184	Pool	6/21/2024 6:59 AM
185	I think we need more activities for adults and children	6/21/2024 6:52 AM
186	1. Make utilities dependable and affordable. 2. Take care of the parks we have. 3. Put in a sound barrier along Parmer Park. 4. Aid people to take care of yards. 5. Fix the streets...money has already been given for this. 6. Not every city employee needs a vehicle. Save some money. Also, keep in mind that there is the carousel park in town as well.	6/21/2024 6:04 AM
187	Thank you.	6/21/2024 5:53 AM
188	Focus on childcare, because without affordable and adequate child care, the community will not grow.	6/21/2024 5:39 AM
189	I would like to see disc golf	6/20/2024 8:45 AM
190	I don't know! Go Cougars!	6/20/2024 8:21 AM

192	I support cougars.	6/20/2024 8:10 AM
193	It would be good if we had a pretty town.	6/20/2024 8:04 AM
194	Learn how to use a shovel. This was stupid. We are not a city. We need a sound barrier at the park. This is NOT a city, our population is decreasing.	6/19/2024 9:47 PM

Q8 Estoy interesado en reurbanizar el corredor de Rose Avenue como un corredor de "uso mixto", que incluya una combinación de negocios, junto con espacio para unidades de vivienda adicionales, como se ilustra en la imagen a continuación (seleccionar una opción)NOTA: Las imágenes en la página siguiente muestra un hipotético ejemplo de desarrollo urbano de uso mixto a un lado de Rose Ave. Se trata solo de un concepto. No es una propuesta formal para propiedades a lo largo de Rose Ave.El uso mixto se define como edificios que pueden incluir una combinación de usos residenciales, comerciales, de oficinas y de entretenimiento, en la misma estructura. Este tipo de edificios suelen ubicar usos residenciales u oficinas en los pisos superiores, y usos más activos como tiendas y restaurantes en el primer piso. El uso mixto a lo largo de Rose Avenue puede incluir edificios residenciales que podrían incluir otros usos comerciales en las plantas bajas, con el tiempo.

Draft framework for Downtown Burlington

- Streetscape improvements to 14th Street and other streets, from Railroad Avenue south to Old Town Museum (and in the process, extending Downtown south of Rose Avenue)
- At the north end of Downtown, by the railroad, construction of a small park, a clock tower or similar beacon, refurbishment of the old water tower, and construction of a municipal parking lot
- Installation of a civic plaza along 14th Street, with space for food trucks, outdoor music and events, seating areas, and lighting
- Gateway signage for Downtown along Rose Avenue, and signage directing visitors from I-70 to the Downtown area
- Infill development of mixed-use buildings along 14th and other streets, on vacant lots or where property owners desire to redevelop their properties
- Biking and walking lanes running north-south (along 14th and 15th) and east-west (along Senter) to connect Downtown to other neighborhoods
- Introduction of more events and performing arts in Downtown
- Shuttles (during busy times) to bring visitors from local hotels to Downtown Burlington
- Mixed-use zoning for Downtown, to allow a mixture of residential and commercial businesses
- Establishment of Downtown as a historic district
- Improvements to exteriors (facades) of buildings
- Support of small businesses in the Downtown area

Question 8

In addition to, or along with, repairs and upgrades to streets in Burlington (which is the top priority), the City's transportation strategy includes the following:

- Curb-separated lanes (for biking and walking), on streets denoted on the map below.
- Bike / walking path running from Old Town Museum to Parmer Park, and eventually to the west of Lincoln Street
- Additional / enhanced crosswalks along Lincoln and Rose, along with crosswalks as part of Downtown streetscape improvements
- Formalizing a policy allowing gators, golf carts, and similar small motorized vehicles on local streets
- Introducing shuttles from local hotels to Downtown Burlington and restaurants
- Completing the streetscape improvements for Downtown Burlington
- Collecting pavement and sidewalk condition data to develop an annual street improvement program (tied to the City's budget)

The graphic on the next page illustrates a potential network of bike routes around Burlington in the future, tied to this transportation strategy.

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Favor - I am concerned about the bike lanes on Main Street. Backing out of a parking space and watching for bikes could be very troublesome.	1/30/2025 9:51 PM
2	Some things for this strategy seem unrealistic, like having shuttles from the hotels	1/30/2025 9:50 PM
3	I would focus more on getting more businesses downtown and reasons for people to visit downtown first before all of the things to make it "look" better. Nobody is going to visit downtown if they don't have a reason to visit.	1/29/2025 10:58 AM
4	because I often find myself hanging out with friends and I get bored and more places would give everyone more activities	1/28/2025 3:41 PM
5	Burlington needs something new and it's finally using the empty space which we really need to do PLEASE DO THIS!	1/28/2025 3:40 PM

Building Burlington Community Survey #3

6	It seems very duable	1/28/2025 3:40 PM
7	I choose this rating because it would look really nice maybe have more kids be active and have fun	1/28/2025 3:32 PM
8	I like how the area looks	1/28/2025 1:44 PM
9	I enjoy this layout, especially for the bike lane. However, I would only like to request we have more bike lanes coming out of 14th to other streets.	1/28/2025 1:40 PM
10	Looks cool, would like to actually go out of the house if I have something to do.	1/28/2025 1:36 PM
11	It makes a place for kids to hang out.	1/28/2025 1:35 PM
12	I like the sidewalk and bike lanes as well as extending them, though I do not favor the new park because I'd rather have more of a skate park there or something new, because the parks we have now no one really uses.	1/28/2025 11:47 AM
13	Why I chose this rating is because I can agree but not fully	1/28/2025 11:42 AM
14	we need to keep the old things that we have. like the historical things we have.	1/28/2025 11:41 AM
15	u guys should make it like Denver make it modern! I wanna see modern marble or another gym	1/28/2025 11:34 AM
16	Burlington's making street should be the most popular and inviting for anyone, that's what this option offers.	1/28/2025 10:53 AM
17	I chose this rating because I think it's pretty good	1/28/2025 10:50 AM
18	I chose this because of how much more professional the scenery looks and it helps travellers get a nicer feel of what our small town is like.	1/28/2025 10:47 AM
19	it looks better	1/28/2025 10:46 AM
20	Burlington boring	1/28/2025 10:36 AM
21	I chose that because I don't know what I would want.	1/28/2025 9:18 AM
22	I just want to make sure that when your making all of these changes that no one will lose their home since your talking about expanding down town	1/28/2025 9:12 AM
23	I would absolutely love if Burlington looked less like a waste town and instead have more vegetation and growth	1/28/2025 9:09 AM
24	I like the lights and the local shops	1/28/2025 9:09 AM
25	Ain't sure.	1/28/2025 9:08 AM
26	i chose this rating because it would make main st look a lot better.	1/28/2025 8:16 AM
27	It would be better to make downtown bigger and better for night and day.	1/28/2025 8:14 AM
28	I chose this rating because, I think it is a really good looking idea and would make Main St look a lot better.	1/28/2025 8:13 AM
29	Like the idea.	1/28/2025 8:12 AM
30	do to the people and kid that are in mind	1/28/2025 8:12 AM
31	It's time downtown Burlington be brought into the future.	1/24/2025 7:45 AM
32	It looks solid with ample possible variation	1/23/2025 7:24 PM
33	Concerns with the placement of flowerbeds next to the curbside and the use of road+sidewalk salts during wintertime. Additionally, tree species needs deep consideration. The current Locust tree's were not properly planned for and have been both choked out by the old metal grates not being maintained and also damaged sidewalks as they grew. Consideration needs to be given to the species and the microenvironment in which it's placed (ie. asphalt, concrete, brick buildings, and windows radiate summer heat creating a microenvironment of 115-125 degrees when the macroenvironment is only 90 degrees). Additionally, it creates root restrictions. What measures can be taken to ensure plant vitality and future root development without budgeting for heaving and cracked concrete causing tripping hazards in the future? The	1/23/2025 9:49 AM

additional kickout of the crosswalks beg the question of parking. It appears we are sacrificing 4-8 parking spots total per-intersection based on the draft plan. Are we ensuring ample parking elsewhere as we draw more commerce into our downtown?

34	Just fix the streets	1/23/2025 8:16 AM
35	Before spending scarce resources on parking lots, parks and bike lanes, REPAIR EXISTING STREETS! At a recent Old Town exhibit, high school students wrote "letters to the mayor" and almost unanimously said FIX THE POTHOLES. If you plant new trees in the sidewalk, be sure they can get adequate water so they don't just slowly die like so many on 14th have done over recent years.	1/23/2025 2:57 AM
36	What will happen to the Montezuma?	1/22/2025 9:16 PM
37	I like the improvements, but am concerned about cost and future upkeep requirements.	1/22/2025 5:17 PM
38	I would love a more modern and efficient look to Burlington	1/22/2025 5:12 PM
39	It reads good, some of it is unrealistic and some not needed; but overall a positive improvement to our community.	1/22/2025 5:05 PM
40	Do Not want people from I70 downtown. Brings in more homeless people	1/21/2025 8:56 PM
41	Believe that the components of this plan will assist with making a vibrant and resilient Main Street, making it a point of destination, and serve as a gathering point for small events and increased commerce.	1/21/2025 4:39 PM
42	I like it, but I have severe reservations that this city and county can support it long term.	1/21/2025 3:42 PM
43	No one else close has this. It would be inviting to host outdoor small events.	1/17/2025 9:28 AM
44	I chose this rating because it helps the community more better.	1/9/2025 4:32 PM
45	Strongly favor - It's more lit up and has nice streets	1/9/2025 12:12 PM
46	.	1/9/2025 11:02 AM
47	I love the concept and idea of this draft plan. I think it draws more eyes to downtown.	1/9/2025 10:56 AM
48	I think that the plan looks neat and put together. It will also give us more places to spend our freetime.	1/9/2025 10:56 AM
49	becuz I like it	1/9/2025 9:06 AM
50	It would be a fresh start	1/9/2025 8:55 AM
51	I think its really pretty	1/9/2025 8:55 AM
52	It be nice to hang out and be able to ride bikes around town.	1/9/2025 7:55 AM
53	I chose to favor this because it is nice and I think it will bring a lot of attraction to burlington.	1/9/2025 7:54 AM
54	Because I think it would be nice to have more decoration, lighting, and places to hand out in.	1/9/2025 7:52 AM
55	I think it looks really good	1/9/2025 7:51 AM
56	This looks very appealing and the idea of having food trucks downtown and a space to have outdoor events would allow for more activities within the community.	1/8/2025 12:12 PM
57	Please help us downtown, we've tried so hard and would love the support of our American dream.	1/8/2025 10:53 AM
58	Burlington has needed a plan like this for years and it will meet many of our current and future needs.	1/8/2025 10:16 AM
59	I do not like the extended cross walk taking away needed street space.	1/6/2025 8:30 PM
60	The city can't maintain what they already have.	1/1/2025 7:20 AM
61	Fix the existing roads and sewer problems first. There is no places to put civic areas on 14th unless your going to boot people out of their houses and tear those down. No money needs spent on parking lot. There is no room for "bike lanes" on 14th.	12/30/2024 7:09 AM

Building Burlington Community Survey #3

62	Undecided - Downtown is not that important right now for me. It is more of a want than a need.	12/29/2024 10:04 PM
63	Strongly favor - I chose this rating because this gives everyone a chance to spend more time outdoors than on a phone. This also gives us another opportunity to come together as a community.	12/29/2024 9:55 PM
64	Strongly favor - I chose this rating because it looks very welcoming. And it looks bike friendly.	12/29/2024 9:44 PM
65	Strongly favor - I like the spacious roads and the parking.	12/29/2024 9:28 PM
66	The Free Life Church on the west side of 14th Street isn't going anywhere. Was very caught off guard our church on here that we own.	12/29/2024 9:17 PM
67	Strongly favor - I choose this because this is exactly how I would want it to look like.	12/29/2024 4:24 PM
68	Strongly favor - I chose this rating because I like this picture of Downtown Burlington.	12/29/2024 4:07 PM
69	Favor - It looks nice and I have no comments	12/29/2024 4:01 PM
70	Strongly favor - Build an indoor rec center. Something to do with children in cold weather!	12/29/2024 3:43 PM
71	Strongly favor - It will look great on Main Street	12/29/2024 3:37 PM
72	It's time to update our community and use it to its potential	12/29/2024 3:29 PM
73	Strongly favor - I think any improvement to Burlington would be great for the community	12/29/2024 3:07 PM
74	Strongly favor - I think that this plan would greatly improve our community and provide so many new opportunities for our residents. Adding bike routes, new buildings on Main Street, planting more trees, improving sidewalks, more opportunities for small businesses.	12/29/2024 2:50 PM
75	Strongly favor - With what the models are showing and what is planned to be added will make this town really beautiful and extremely peaceful. Adding new buildings, I think, will be a big improvement.	12/29/2024 2:39 PM
76	Everything sounds lovely. However, currently the city can't keep well maintained streets and sidewalks. How would adding MORE change this? Who/how would do the upkeep on anything new, when the current can't be properly maintained? Several of these items seem to be in the realm of private land owners. What role does the city have, or want to have, in what private land owners do with their property?	12/28/2024 8:11 PM
77	First I would like the streets and sidewalks fixed before any thing else is done	12/28/2024 4:45 PM
78	Let's start with something weCan do. Possibly working on potholes	12/28/2024 4:41 PM
79	Failing school distric should be priority.	12/28/2024 3:13 PM
80	I like the food truck plaza idea! The rest is pretty fancy for a town this size. Who will take care of the plantings when we can't even keep the weeds out of Parmer Park?	12/28/2024 12:43 PM
81	Undecided - I don't think there should be anything in the middle, but everything else is nice. Potential outdoor plaza / food truck court	12/27/2024 10:14 PM
82	Strongly favor - looks more peaceful and safe, kid friendly	12/27/2024 10:06 PM
83	Favor - Concern of the safety of bike lanes with emergency responding agencies so close	12/27/2024 9:54 PM
84	Undecided but I also think it's a good idea.	12/27/2024 9:46 PM
85	It's visually pleasing.	12/27/2024 9:39 PM
86	It would bring the community together. It looks like a friendly community.	12/27/2024 9:30 PM
87	Strongly favor - It will be a good idea and a good addition.	12/27/2024 9:21 PM
88	Looks pretty cool	12/27/2024 3:57 PM
89	Strongly favor - it's well organized	12/27/2024 3:43 PM
90	Favor - We need activities for the young kids to do	12/27/2024 3:35 PM
91	Strongly favor - make Burlington look and feel nice	12/26/2024 11:42 AM
92	I chose strongly favored because these plans will make Burlington look and feel refreshed.	12/26/2024 11:32 AM

Building Burlington Community Survey #3

93	Strongly favor - I like new developments	12/26/2024 11:17 AM
94	Favor - because Burlington does need more since it's growing and developing.	12/26/2024 11:11 AM
95	Favor - I chose this because landscaping would look much better. Although, we should be realistic with our budget.	12/26/2024 10:58 AM
96	Undecided. I like the food truck idea, but something like a skating area for skateboards, bikes, and even roller bladers would be better for the area shown as a "new park" on the downtown diagram. Because there is already a park nearby that area.	12/25/2024 8:43 PM
97	Favor - Burlington has become a very boring town and we need new life.	12/25/2024 8:35 PM
98	Strongly favor - I think it brings a fresh and new look and it is appealing	12/25/2024 8:26 PM
99	It all sounds good	12/25/2024 10:56 AM
100	Strongly favor - improvement of downtown and sidewalks	12/25/2024 10:51 AM
101	Favor - looks clean for easy upkeep and as well gives the town a new look	12/25/2024 10:46 AM
102	Need to fix the roads	12/25/2024 10:41 AM
103	In the new buildings, what types of businesses will be going in?	12/25/2024 10:23 AM
104	Strongly favor - It would make the Downtown better looking	12/24/2024 11:53 PM
105	Strongly favor. But please fix residential sidewalks.	12/24/2024 11:45 PM
106	Strongly favor - sounds really awesome!	12/24/2024 9:14 PM
107	Favor - Improving the town is good.	12/24/2024 9:09 PM
108	Strongly favor - We need to promote growth to potential business looking to come to the Eastern Plains. Building Main Street USA is huge. Our schools need money and having a population with kids is a way to do that. Police need reinforcement and funding is essential. Restaurants are needed too.	12/24/2024 8:53 PM
109	Strongly favor - it would strongly improve events for the city and the view of the city	12/24/2024 3:38 PM
110	We need new and improved things here.	12/24/2024 3:04 PM
111	I think the layout would work very well and it seems convenient.	12/24/2024 2:58 PM
112	I think it is a good idea because once you go to Main Street you can see there's food trucks and it's more of a peaceful place.	12/24/2024 2:49 PM
113	Cause it will look a lot better for Main Street and I might support you guys.	12/24/2024 2:15 PM
114	I would like to see improvements made to *all* current facilities / paths / recreation areas BEFORE any new developments are made. Fix what we have FIRST	12/23/2024 8:54 PM
115	It would be nice for this town and for people that come here to travel	12/23/2024 8:40 PM
116	Looks very warm and inviting. Clean and sleek, retro.	12/23/2024 8:35 PM
117	Bring more businesses.	12/23/2024 8:30 PM
118	We have a nice downtown but any improvements would be greatly appreciated.	12/23/2024 8:20 PM
119	I really feel this should be the city and RICKS number 1 priority and that is the revitalizing downtown Burlington and rename 14th street to MAIN St for downtown	12/23/2024 3:57 PM
120	I actually like all of it but the changing of the parking from diagonal to parallel. There already isn't enough parking and parallel just removes too much parking. Also, elderly and families do not need to walk from a parking lot clear at the end.	12/21/2024 2:26 PM
121	We need more food options and things for people to do besides go to the bar or bowling alley. The theatre doesn't really appease the older community and most parents don't allow kids to go to bowling alley.	12/21/2024 9:34 AM
122	Unrealistic, can't fund it, won't be able to maintain it and in 10 years will be outdated.	12/21/2024 7:01 AM

Building Burlington Community Survey #3

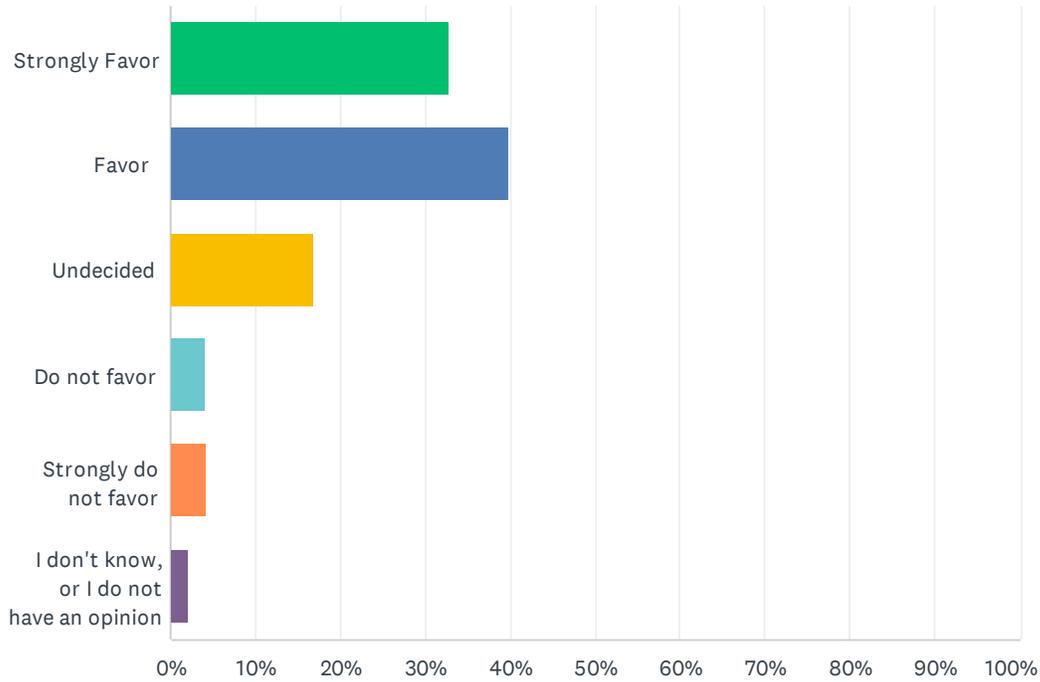

123	Are we going to lose the small town feel? This looks like something from a larger city.	12/20/2024 6:32 PM
124	This is a place that I would enjoy strolling and shopping in.	12/20/2024 4:22 PM
125	We own property and a retail business of 14th Street.	12/20/2024 10:21 AM
126	I feel our infrastructure needs fixed first and foremost	12/19/2024 4:01 PM
127	I would like for Main Street to have more interest and be a place that I can take my girlfriend.	12/18/2024 8:11 AM
128	Money needs to be spent upgrading infrastructures	12/17/2024 3:51 PM
129	Useless frivolities	12/17/2024 2:00 PM
130	This plan is an invitation for the entire community to get out and enjoy our town.	12/17/2024 10:34 AM
131	Our downtown area needs the most help. I'd love to see money poured into the downtown area to encourage people to have fun here and shop here.	12/17/2024 9:23 AM
132	This would be a great addition to downtown and give it a better appearance while attracting more visitors.	12/17/2024 8:44 AM
133	Better street lighting, bike path & walking trail that does not interfere with existing parking that is not on main street/the skinnier roads.	12/16/2024 5:36 PM
134	It's encouraging to see so many improvements planned for downtown/Main Street area! It is so desperately needed!	12/16/2024 5:23 PM
135	Are town need streets and curbs repaired. We need a rec center for the kids.	12/16/2024 5:01 PM
136	We need to offer affordable housing & bring in new businesses	12/16/2024 11:58 AM
137	It's time that Burlington be modern	12/16/2024 8:28 AM
138	These plans will enhance the community and bring everyone together to support small businesses.	12/16/2024 8:09 AM
139	I think it's great, but before building a new park you need to make sure we take care of the wooden park. It needs resealed and repairs. It is a unique park and it needs to be taken care of and maintained	12/14/2024 9:05 AM
140	Bring more of a lively scene to downtown Burlington	12/14/2024 8:37 AM
141	There are a few things that seem unnecessary.	12/14/2024 1:28 AM
142	Clock tower is dumb	12/13/2024 4:56 PM
143	As an owner of property and businesses on Main Street, I am in favor of improvement. However, my concern is the cost to make these improvements, and the level of maintenance.	12/13/2024 11:53 AM
144	What will happen to the Montezuma and what might be done to improve the Outback park?	12/13/2024 11:30 AM
145	A lot of it sounds nice, but there are a few things that sound more like a big city and less like a small town. Can you take care of the goat head weeds, so bike tires don't get punctures?c	12/10/2024 4:35 PM
146	We need more lighting on our street, better/ wider sidewalks	12/10/2024 4:23 PM
147	it looks very good. Chose it because it would update and make Burlington look better.	12/10/2024 4:16 PM
148	I haven't lived here that long to decide yet	12/10/2024 4:10 PM
149	I like it but was hoping to have an indoor pool	12/10/2024 4:00 PM
150	There are some good stores on main street, but few people. There needs to be something to draw more people to downtown.	12/10/2024 3:47 PM
151	I think it would be a nice way to bring attention to main street and the small business around	12/10/2024 3:39 PM
152	Very inviting	12/10/2024 3:02 PM
153	Who is going to maintain all the new trees? They can't keep main street clean now!	12/10/2024 2:51 PM
154	love the idea of cleaning up areas - 13th, 14th, Martin - It looks good.	12/10/2024 2:36 PM

Building Burlington Community Survey #3

155	It would be nice to revitalize the area, but stores have to stay open	12/10/2024 2:19 PM
156	I think it is a good design. Good plan	12/10/2024 2:15 PM
157	This may improve the visitors to downtown	12/10/2024 2:10 PM
158	This is a great area for people to gather and spend more time downtown. We need space like this.	12/10/2024 2:03 PM
159	I think it is good how it is designed on the graphic. I think it is a neat plan, but does not input me a whole lot	12/10/2024 1:40 PM
160	It is cool	12/10/2024 1:35 PM
161	It looks better than the empty buildings	12/10/2024 1:22 PM
162	The sidewalks are in bad shape	12/10/2024 1:13 PM
163	I like the activities proposed	12/10/2024 1:03 PM
164	investing in our community helps everyone enjoy where they live	12/10/2024 12:57 PM
165	I want main street to be more inviting	12/10/2024 12:39 PM
166	Lighting and crosswalks would be great for the younger generations safety	12/10/2024 12:28 PM
167	A good update for the town	12/10/2024 11:54 AM
168	It looks so nice and we need an update to our town I have been in Burlington for many years and everything looks pretty much the same.	12/10/2024 11:34 AM
169	too much destruction of existing buildings	12/10/2024 11:18 AM
170	feels unrealistic	12/10/2024 11:06 AM
171	This looks great, how do we pay for it? It's hard for me to make out some of the items in the diagrams.	12/10/2024 10:58 AM
172	the future development of walking and bike trails is a great assets. the plaza idea could be a fantastic addition	12/10/2024 10:53 AM
173	It looks beautiful and would help build community morale.	12/9/2024 8:12 PM
174	Like all the proposed projects.. especially would like to see a reimagined Main Street revitalization sooner than later	12/9/2024 7:57 PM
175	having main street more accessible to foot traffic "window shopper" would be great!	12/9/2024 11:28 AM
176	any improvement is good! more outdoor sports	12/9/2024 11:21 AM
177	because we need to bring the community back together and clean up the streets	12/9/2024 11:13 AM
178	we need to welcome our community to our downtown - reopen and rebuild	12/9/2024 10:09 AM
179	I think its all wonderful but am concerned about lack of attention not focused on things that need fixed (bathrooms @ ball field)	12/9/2024 9:52 AM
180	i love the idea of changing things up on main street and getting more lighting and crosswalks	12/9/2024 9:25 AM

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Favor - Redevelopment is great but I haven't heard of any new business coming to Burlington.	1/30/2025 9:51 PM
2	Favor - Seems realistic	1/30/2025 9:50 PM
3	it would add more shops and fun	1/28/2025 3:41 PM
4	I chose this because we still need farm land but using the empty spots is awesome but trading farm land for local might cause the crops to be affected and destroyed by public use but I still like the idea is amazing.	1/28/2025 3:40 PM
5	To many unused buildings that would just eventually take up more space.	1/28/2025 3:40 PM
6	have more things to do around Burlington	1/28/2025 3:32 PM

Building Burlington Community Survey #3

7	We need more and newer houses	1/28/2025 1:44 PM
8	Awesome, perhaps maybe more park/open space area on the right side of 14th Street.	1/28/2025 1:40 PM
9	New neighbor hoods means new people and having new people in the town would be good.	1/28/2025 1:36 PM
10	I like the idea but I also don't.	1/28/2025 1:35 PM
11	I feel there are to many parks even though we already have parks, everyone I've talked to has even said that they would like something new, such as skate parks, paintball areas, trampoline parks, and especially a clothing shop. Though if we wast all of our time on parks it will take much longer to add those types of shops and entertainment areas to attract more visitors.	1/28/2025 11:47 AM
12	I do not a want more neighborhoods	1/28/2025 11:43 AM
13	I don't fully agree with it but I do favor in the idea	1/28/2025 11:42 AM
14	I don't think we would need a park also I put do not favor because my house is directly under the green star and I don't think we need 3 parks let alone two.	1/28/2025 11:41 AM
15	I wanna see a mall or clothing/shoe store there's not really no where here to eat so maybe a reustanant added or 2	1/28/2025 11:34 AM
16	I do support and favor the idea of more parks or hosting spots around town.	1/28/2025 10:53 AM
17	I chose this rating because it a very good draft how there going to to	1/28/2025 10:50 AM
18	I like this idea and I agree with it. But I don't agree about taking away the agriculture aspect and to not change the land from agriculture use to homes.	1/28/2025 10:49 AM
19	I think that this will help new people with new businesses and help our population, sports, and events grow stronger.	1/28/2025 10:47 AM
20	it would provide more space for companies therefore providing jobs and the need for more housing which will grow Burlington.	1/28/2025 10:46 AM
21	It isn't the best idea to keep adding more companies and more.	1/28/2025 10:46 AM
22	I don't know what I would like done to Burlington.	1/28/2025 9:18 AM
23	To me it sounds like your trying to turn Burlington into a city which is something I don't want.	1/28/2025 9:12 AM
24	I do not know how I would feel about more pollution	1/28/2025 9:09 AM
25	We need to actually do something with the town instead of having meetings about it every month i we are actually gonna change this small town.	1/28/2025 9:09 AM
26	It doesn't bother me at all nor affect me so I don't have a opinion.	1/28/2025 9:08 AM
27	i chose this rating because there is a lot of space and this is a good use of some of the space.	1/28/2025 8:16 AM
28	it would be good to add more area to burlington	1/28/2025 8:14 AM
29	N/A	1/28/2025 8:13 AM
30	do to the looks that you would see	1/28/2025 8:12 AM
31	I agree with this statement: "Focusing new housing in existing areas of Burlington first (including vacant lots, or areas that could be redeveloped), before adding residential on undeveloped land outside the city limits". I would also suggest that business do the same. I do not see a need for business to build new when there are existing structures within city limits waiting to be occupied.	1/24/2025 7:45 AM
32	It makes sense	1/23/2025 7:24 PM
33	As our economy and housing outpace the supply, I agree that we need to offer mixed-use housing and commercial to meet the housing supply crunch.	1/23/2025 9:49 AM
34	Generally seems sensible, but I fail to understand this obsession with building new parks when Outback Park is in such sad disrepair.	1/23/2025 2:57 AM
35	I need to see more detail about what this entails	1/22/2025 9:16 PM

Building Burlington Community Survey #3

36	I like how you have outlined the targeted areas for development.	1/22/2025 5:05 PM
37	This option strongly supports retaining our agricultural heritage and provides for economic growth.	1/21/2025 4:39 PM
38	Commercial space? Who is going to staff it?	1/21/2025 3:42 PM
39	I think this looks good.	1/21/2025 12:08 PM
40	Open up new clean area in the area to have new buildings.	1/17/2025 9:28 AM
41	I chose this rating because it show how much I cared about Burlington.	1/9/2025 4:32 PM
42	Strongly favor - It would promote the economy of Burlington and have bigger opportunities to grow the population.	1/9/2025 12:12 PM
43	.	1/9/2025 11:02 AM
44	Agriculture is big in the community and taking land will not be good for our farmers and ranchers.	1/9/2025 10:56 AM
45	I am not sure how I feel about this.	1/9/2025 10:56 AM
46	I like it	1/9/2025 9:06 AM
47	A new beginning for Burlington	1/9/2025 8:55 AM
48	Looks like it would be very easy and nice to live in	1/9/2025 8:55 AM
49	This plan has a lot of goods and bads the goods is that people will have more chance for housing and businesses will have more space but it also limits the farming and agriculture aria.	1/9/2025 7:54 AM
50	focus should be on downtown, not the whole town.	1/8/2025 1:49 PM
51	I know we need to do this, but I hate pulling more businesses out to the interstate and I feel like it is too noisy to live next to I 70. It is already a problem in the Parmer Park area.	1/8/2025 10:16 AM
52	I favor a business park/Industrial area along the south side of I 70 between the two exits - similar to Colby Kansas. It would probably require a new east/west street right south of the interstate to connect the two exits.	1/6/2025 8:30 PM
53	Let land owners do what they want with THEIR property.	12/30/2024 7:09 AM
54	Strongly favor - This is a high need in our area.	12/29/2024 10:04 PM
55	Favor - I chose this rating because the plan seems well thought out and manages free space in a good way.	12/29/2024 9:55 PM
56	I like the idea of new parks.	12/29/2024 9:44 PM
57	Strongly favor - Lodging (housing) is a priority so the expansion of that would be really helpful.	12/29/2024 9:28 PM
58	I am not too sure of what it would do to the town.	12/29/2024 4:24 PM
59	Strongly favor - I chose this rating because it helps understand what's happening in Burlington.	12/29/2024 4:07 PM
60	It makes sense	12/29/2024 4:01 PM
61	Very good	12/29/2024 3:49 PM
62	Favor - It will look more decent	12/29/2024 3:37 PM
63	Strongly favor - Any improvements will help our community prosper	12/29/2024 3:07 PM
64	Strongly favor - This plan will allow new housing to be built in Burlington and would utilize new and existing space.	12/29/2024 2:50 PM
65	Favor - It all seems really good but what's really buying it for me is the new roads.	12/29/2024 2:39 PM
66	Again. Start with the basics and if that works, go for the next milestone	12/28/2024 4:41 PM
67	Failing school district again	12/28/2024 3:13 PM
68	My word, city government needs to stay in its lane. This is private property on this map and	12/28/2024 12:43 PM

Building Burlington Community Survey #3

the owners can work out with private businesses if they want it developed or not. Let things happen naturally.

69	Strongly favor - I think there needs to be more places to eat and for kids.	12/27/2024 10:06 PM
70	Favor - But not in favor of a lot of residential on Rose Ave unless the entrance and exits do not back into Rose Ave	12/27/2024 9:54 PM
71	Keep doing good things	12/27/2024 9:46 PM
72	Makes sense.	12/27/2024 9:39 PM
73	Strongly favor - It would help the city and help grow the community.	12/27/2024 9:30 PM
74	Not yet sure	12/27/2024 9:21 PM
75	Strongly favor - It would be nice to have the business and the residential separated.	12/27/2024 3:57 PM
76	Favor - Having a bigger town and more activities to do and more places to rent / own would be great for our community.	12/27/2024 3:35 PM
77	Strongly favor - love the plan's focus on new housing	12/26/2024 11:42 AM
78	Strongly favor - love the plan to focus on new housing in existing areas of Burlington!	12/26/2024 11:32 AM
79	Strongly favor - Need new housing for all the people that are going to want to live here	12/26/2024 11:17 AM
80	Favor - More businesses bring more revenue for the city.	12/26/2024 11:11 AM
81	Undecided - it would take attention away from the Main Street	12/26/2024 10:58 AM
82	Do not favor - We need new things to do, and if we add another park we should not put it there, almost no one uses the parks and it's literally two blocks away from an existing park.	12/25/2024 8:43 PM
83	Not enough housing and it is overpriced.	12/25/2024 8:35 PM
84	Looks like more revenue	12/25/2024 10:46 AM
85	Favor, but will we as residents be able to help decide what businesses will be going in?	12/25/2024 10:23 AM
86	Favor - It's a good way to separate business from residential.	12/24/2024 11:53 PM
87	Undecided - I don't believe Rose needs residential.	12/24/2024 9:14 PM
88	Favor - I like that you are adding more for the kids.	12/24/2024 9:09 PM
89	Strongly favor - It's been needed for a long time. My family has been here since 1925 and has seen minimal change.	12/24/2024 8:53 PM
90	Undecided. I don't believe Rose Ave needs residential.	12/24/2024 3:38 PM
91	Strongly favor, because we should develop in existing areas before adding new areas.	12/24/2024 3:04 PM
92	We may as well use the space we have to help with housing.	12/24/2024 2:58 PM
93	I favor this because there are a lot of old houses and it would be nice to get new things in Burlington.	12/24/2024 2:49 PM
94	We need an upgrade for Burlington, don't you think?	12/24/2024 2:15 PM
95	Rent and housing costs are making it difficult for young families to establish themselves in Burlington. I would hope new developments would help make the housing costs more affordable.	12/23/2024 8:54 PM
96	This town needs new things.	12/23/2024 8:40 PM
97	It uses up empty lots.	12/23/2024 8:35 PM
98	I favor redevelopment. Remove old, unused buildings.	12/23/2024 8:20 PM
99	We don't need more parks. No one wants their kids going to the parks anymore because of the homeless people. We don't need more place for them to stay and scare children.	12/21/2024 9:34 AM
100	There is no plan within the city to attract business or industry to build in Burlington. Hire	12/21/2024 7:01 AM

Building Burlington Community Survey #3

	professional economic development team to accomplish this before we plan for an expansion.	
101	Development should not expand outside current limits and it should remain low density. The front range is allowing multiple residential buildings on one lot which is causing many issues, we should not allow that.	12/20/2024 6:32 PM
102	I am in favor of cleaning up the houses and businesses.	12/20/2024 4:22 PM
103	We need more affordable housing, with consideration for off street parking.	12/20/2024 10:21 AM
104	I like most of the ideas, but not sure about the housing. I think Burlington needs to expand more.	12/18/2024 8:11 AM
105	No one has shown a housing shortage	12/17/2024 3:51 PM
106	Land owners should be making these decisions	12/17/2024 2:00 PM
107	It's a well-planned layout for accommodating both residential and commercial growth for the community.	12/17/2024 10:34 AM
108	I don't like Rose Ave changing to mixed use. No one would want to live on Rose Ave. I work on Rose Ave and the building shakes every time trucks drive by. This is a major route for trucks especially wind turbines parts.	12/17/2024 9:23 AM
109	The mixed use does not work on Rose Ave. It should mainly be retail, with good sidewalks for walking/biking. As mixed use refers to potential housing or apartments, and nobody wants to live on Rose Ave due to how busy it is.	12/16/2024 5:36 PM
110	I disagree with residential zoning along Rose Ave	12/16/2024 1:41 PM
111	More retail and restaurants are needed	12/16/2024 8:28 AM
112	Allows for expansion	12/16/2024 8:09 AM
113	It would open up the job market to increase to allow for these growth opportunities to proceed	12/14/2024 8:37 AM
114	It seems reasonable	12/14/2024 1:28 AM
115	I need to get a closer look with more detail	12/13/2024 11:30 AM
116	Most of it sounds good. I'm not in favor of a bunch of commercial development.	12/10/2024 4:35 PM
117	I loved the shade cover over the rochet park seating area.	12/10/2024 4:23 PM
118	It would be good for more opportunities and businesses to come in.	12/10/2024 4:16 PM
119	more family restaurants	12/10/2024 4:10 PM
120	Hope its affordable housing	12/10/2024 4:00 PM
121	I think it is a great way to expand Burlington	12/10/2024 3:39 PM

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Do not favor - Do you have facts and figures to show the need for more recreation areas? I don't think Burlington is an area that shows built them and they will come.	1/30/2025 9:51 PM
2	Favor - seems logical	1/30/2025 9:50 PM
3	it would give all the kids more things to do more activities to make the kids happier	1/28/2025 3:41 PM
4	Children need safer spaces to hang out with being indoor for winter and I would absolutely love the idea of a hang out spot	1/28/2025 3:40 PM
5	It would make a hangout spot and I think it would be very useful	1/28/2025 3:40 PM
6	like the idea	1/28/2025 3:32 PM

Building Burlington Community Survey #3

7	I would like a rec center	1/28/2025 1:44 PM
8	I think this is an okay idea. However, it would be nice for, instead of a hangout place for youth, we had some sort of indoor pool area, so that the pools are not only open during the summer, and something I would LOVE to see is a new gym on the other side of Burlington from the old gym (basically put a new gym up near the railway.)	1/28/2025 1:40 PM
9	Why not just buy the old safeway, and then use that as a center to have fun or to make a workout center?	1/28/2025 1:36 PM
10	I do like the idea of having somewhere us kids can hangout with friends and family.	1/28/2025 1:35 PM
11	I chose this because Burlington needs more locations with activities	1/28/2025 1:34 PM
12	This would add something new to Burlington and allow more kids to have places to meet up other than parks.	1/28/2025 11:47 AM
13	I would be cool to have a rec center.	1/28/2025 11:43 AM
14	I think we need a indoor court mainly because most of our indoor courts are all in the schools and any outdoor basketball courts are in need of a remodel but I believe having a new workout center and basketball court in the rec center is a very good idea.	1/28/2025 11:41 AM
15	I feel more undecided with this plan because the community has tried to enforce a rec gym for the community , but it just ended up getting taken over by the high school, and not open to the community like it should have been.	1/28/2025 10:53 AM
16	I chose this rating because I love the idea of how there going to change it	1/28/2025 10:50 AM
17	it gives us athletes and other people have something to do to keep in shape or just have something to do when you're bored.	1/28/2025 10:47 AM
18	It would be fun to have more to do in a small town with nothing to do	1/28/2025 10:46 AM
19	make an arcade	1/28/2025 10:36 AM
20	It would be fun to have somewhere else to hang out instead of restaurants and parks	1/28/2025 9:09 AM
21	I don't know because we aren't gonna raise taxes for this if you guys aren't gonna actually make it in the next two years or have good ideas about it. Also I think we would have to add a lot of stuff to the rec center.	1/28/2025 9:09 AM
22	There isn't a lot to do besides the movies so it would be nice to have a place to hangout.	1/28/2025 9:08 AM
23	it is a good idea to have spots to hangout indoors especially when its cold	1/28/2025 8:14 AM
24	This idea would be great for parents with a lot of jobs and don't have time to care for their kids, almost like a daycare but for kids older than the age of 3+.	1/28/2025 8:13 AM
25	do to the fun everyone would have	1/28/2025 8:12 AM
26	LOVE the idea of using already existing spaces for new events.	1/24/2025 7:45 AM
27	Because Of agree	1/23/2025 7:24 PM
28	Revitalizing the old Community Center at Burlington Elementary School for indoor recreational activities would be fantastic! It would provide a much-needed facility by using an existing historic building that is currently unused and decaying.	1/23/2025 2:57 AM
29	Our kids need something to do	1/22/2025 9:16 PM
30	Sounds good, but would need to know more about costs, maintenance, etc.	1/22/2025 5:17 PM
31	we need space for adults and kids to get exercise and be social	1/22/2025 5:12 PM
32	I understand the importance of this idea, but I think converting the community center is not the correct place or venue.	1/22/2025 5:05 PM
33	Believe that this is the most reasonable option to create indoor recreation space that over time will cost the least to accomplish.	1/21/2025 4:39 PM
34	There is no good place for indoor sports. I do not favor using the schools as a partner, they cannot absorb the additional workload. What was the McArthur center supposed to be?	1/21/2025 3:42 PM

Building Burlington Community Survey #3

35	It seems the activities department caters to kids programs and meetings. It could offer more activities than that. Why not use the center space by the kitchen as a place for seniors to gather for coffee, play pinochle or pitch. No cost besides coffee. Offer indoor ping pong, badminton, pickle ball, shoot hoops, volleyball. That large room in the center has many more capabilities than what it is used for now. Using it for meetings only limits it options to the community. There are plenty of things the department could do to make it useable to more community members. Yes, it would take more storage area for the amenities, but it is possible and should be possible.	1/21/2025 12:08 PM
36	I think it would help keep people in the area and provide things to do for all ages.	1/17/2025 9:28 AM
37	I chose this rating because it show the plans they have for the town.	1/9/2025 4:32 PM
38	Strongly favor - Burlington has really nowhere to go to hang out after school or anything.	1/9/2025 12:12 PM
39	.	1/9/2025 11:02 AM
40	I think that's good for winter seasons and being able to do things for parties and hangouts.	1/9/2025 10:56 AM
41	It will give the youth and other groups of people opportunities to find new hobbies, get exercise and have fun. We are also in need of more gym space and other places to practice and play sports.	1/9/2025 10:56 AM
42	I like it	1/9/2025 9:06 AM
43	We need more hangout space	1/9/2025 8:55 AM
44	smart way to get rid of things	1/9/2025 8:55 AM
45	I think thats a good idea without spending to much money.	1/9/2025 7:55 AM
46	I like this idea because it doesn't cost as much as building a new building and it will use a lot of space that is currently not being used.	1/9/2025 7:54 AM
47	Do some add on to some already built building like an enclosed lean too then you can build a recreation center.	1/9/2025 7:52 AM
48	I think it would be productive	1/9/2025 7:51 AM
49	It would be incredible to have a space for kids to have fun that is safe and age appropriate. It should be in a space that is easily accessible for kids in town so they can safely ride bikes or walk to this space.	1/8/2025 12:12 PM
50	We should use the spaces and buildings that we already have first.	1/8/2025 10:16 AM
51	Probably not feasible to partner with anyone - never seems to work and options very limited to convert existing city property into recreation center. Scout Center building would work well for indoor gaming/hang-out space.	1/6/2025 8:30 PM
52	I believe it would be smarter to create a new facility to create these indoor recreational opportunities.	12/31/2024 8:36 AM
53	The community building is rented out all the time for use. You can't put anything there. The schools liability will not allow it as public use to everyone (and the school isn't going to want to mess with it). If a private owner wants to build a space let them.	12/30/2024 7:09 AM
54	Strongly favor - The youth need some safe place to go.	12/29/2024 10:04 PM
55	Strongly favor - I chose this rating because it has options for anyone who likes to be indoors or outdoors.	12/29/2024 9:55 PM
56	Favor - I like the idea of expanding collaborations, which brings more fun events for everyone.	12/29/2024 9:44 PM
57	Favor - I feel like it would add more things to do.	12/29/2024 9:28 PM
58	Building an actual rec center would be more beneficial to youth.	12/29/2024 4:24 PM
59	Strongly favor - I chose this rating because it tells what stuff they have in Burlington.	12/29/2024 4:07 PM
60	Favor - It would be a good place for the youth to spend time in.	12/29/2024 4:01 PM

62	Strongly support indoor rec center!	12/29/2024 3:43 PM
63	Strongly favor - the kids will have more things to do in town	12/29/2024 3:37 PM
64	Favor - Good community opportunity	12/29/2024 3:34 PM
65	Strongly favor - I think that this would be great for our youth and give them more to do and look forward to in our town.	12/29/2024 2:50 PM
66	Strongly favor - Burlington does need a place this. That's because it will let people do more and open up new opportunities.	12/29/2024 2:39 PM
67	Favor - Community center needs to stay the way it is. Build a new center for indoor use.	12/29/2024 2:35 PM
68	Favor - more housing that is affordable.	12/29/2024 2:34 PM
69	I am in favor of having accessible indoor recreation areas. However, again, who would monitor and upkeep a shared space such as the school? If the city has space, the Burlington ATA program has been asking for a space of their own, where the public won't have access to tear up their equipment and supplies. As they are already an established program, find them a space first!	12/28/2024 8:11 PM
70	Who is going to monitor and "run" these facilities?	12/28/2024 4:41 PM
71	Private sector issue	12/28/2024 3:22 PM
72	This would be nice but who is going to operate them? Who is going to sit there and babysit these kids? Who is going to pay their wages to do so? Things need to be profitable to be viable. Nothing like this is free.	12/28/2024 12:43 PM
73	Strongly favor - Yes, I believe there needs to be a rec better for the kids to have something to do	12/27/2024 10:06 PM
74	Strongly favor - Would love to see an indoor pool and a run / walk track	12/27/2024 9:54 PM
75	Favor - Because kids love to play and there's not much to do in Burlington.	12/27/2024 9:46 PM
76	Strongly favor - the community could use more indoor recreation.	12/27/2024 9:39 PM
77	Sounds like it will be great.	12/27/2024 9:21 PM
78	Strongly favor - That must be nice because we don't have anything like that right now.	12/27/2024 3:57 PM
79	Favor - Having a rec center would be great it would slow down the crime rate.	12/27/2024 3:35 PM
80	Strongly favor - so the kids have something to do and NOT get in trouble with the law	12/26/2024 11:53 AM
81	Strongly favor - would keep kids from trouble	12/26/2024 11:42 AM
82	Strongly favor - creates more entertainment that is *much needed* in Burlington.	12/26/2024 11:32 AM
83	Favor - gives people more to do.	12/26/2024 11:11 AM
84	Undecided - The building used is already a lot, and building an actual rec center would be better for us.	12/26/2024 10:58 AM
85	Strongly favor - there is a need for more rec space	12/25/2024 8:54 PM
86	Do not favor - We should not put in more parks! If we want more people we need *new* things to do, not more of what we have. In my opinion, we should save up for a rec center instead of adding parks.	12/25/2024 8:43 PM
87	Favor - kids need something to do besides drugs	12/25/2024 8:35 PM
88	Favor - better for the kids	12/25/2024 10:46 AM
89	I'm 50 / 50	12/25/2024 10:41 AM
90	Strongly favor - I have three children and want to keep them involved	12/25/2024 10:28 AM
91	Strongly favor - It would be more fun for visitors and locals.	12/24/2024 11:53 PM
92	Favor - I think a new building would be better.	12/24/2024 9:14 PM

Building Burlington Community Survey #3

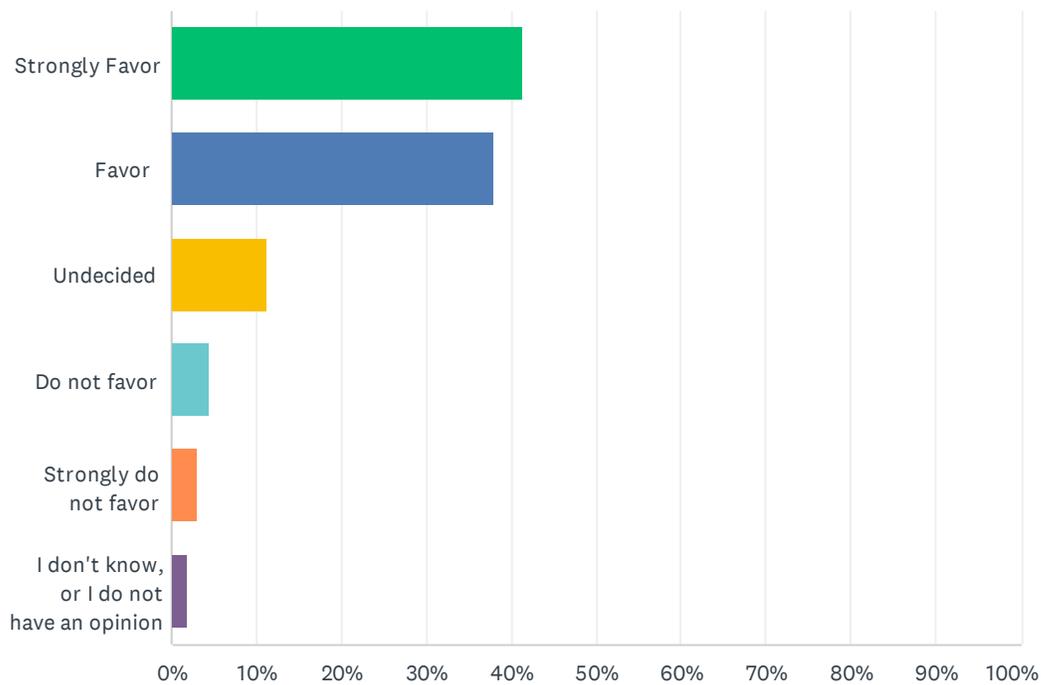

93	Favor - I like adding more for the youth.	12/24/2024 9:09 PM
94	Strongly favor - Getting the youth off the country roads and having something fun saves lives, is a safe place and maybe a cool thing to do instead of drinking and drugs.	12/24/2024 8:53 PM
95	Favor, but a new building for a rec center would be better.	12/24/2024 3:38 PM
96	Strongly favor - we need things to do to keep everyone busy, not in trouble, or being a criminal.	12/24/2024 3:04 PM
97	With a fun hang out spot for kids there could be less troubled youth	12/24/2024 2:58 PM
98	Cause it depends on what it might be or will it actually happen and plus we need a good community.	12/24/2024 2:15 PM
99	Community Center is already excellently utilized - I would like to see collaboration with the school district to open a recreation center.	12/23/2024 8:54 PM
100	Those kids need something to do and they need a safe and fun place to go.	12/23/2024 8:40 PM
101	Strategic	12/23/2024 8:35 PM
102	I would build new facilities for these activities.	12/23/2024 8:20 PM
103	I didn't have kids so indoor recreation isn't a concern for me	12/22/2024 2:20 PM
104	It's not needed	12/21/2024 7:01 AM
105	How would a partnership work with an entity like the school district? People and resources are already stretched thin.	12/20/2024 6:32 PM
106	Who would monitor these spaces? Youth need to be supervised.	12/20/2024 4:22 PM
107	We really need a youth center, it needs to be an atmosphere that the youth want to go to. There will need to be an adult on site when open.	12/20/2024 10:21 AM
108	I would really like a indoor recreation center. Could there also be some classes for kids and adults for sports or creative activities?	12/18/2024 8:11 AM
109	Participation in city activities has declined over the years. Just close the recreation dept.	12/17/2024 3:51 PM
110	Making a basketball court in the community center seems to be the most feasible plan from an economic standpoint	12/17/2024 2:00 PM
111	I agree with converting space within an existing City facility but not opening schools to public use, mainly for liability reasons and I don't agree with having a place for kids to game and hang out.	12/17/2024 10:34 AM
112	I don't want the rec center to put the current workout center out of business. But a different kind of facility would be nice for the youth and public.	12/17/2024 9:23 AM
113	With a young family, this is my top priority for our community to have a space everyone can use and stay active and healthy.	12/17/2024 8:44 AM
114	Our kids need better facilities around town to play basketball and other outdoor activities. The pool needs replacing or go brand new	12/16/2024 5:01 PM
115	I would not think inside the community center is a good idea. Not enough room. Needs to be a separate building.	12/16/2024 11:58 AM
116	The school district already has involvement with rec activities, this would be nothing new.	12/16/2024 9:37 AM
117	Do not burden the School District with this. They can't even keep the busses on the road.	12/16/2024 8:30 AM
118	Totally needed such as a rec center in the old Safeway building	12/16/2024 8:28 AM
119	We really need indoor rec spaces and this is the best option to utilize an existing space	12/16/2024 8:09 AM
120	Seem reasonable	12/14/2024 1:28 AM
121	I like the idea of using facilities already in place. The cost to construct a recreational center is not realistic.	12/13/2024 11:53 AM
122	The kids in Burlington have nothing to do, which I feel has contributed to an increase in	12/13/2024 11:30 AM

	drug/alcohol use.	
123	If you use school facilities, there has to be a way to lock off the rest of the school. I'm very much in favor of more activities available. Also community classes.	12/10/2024 4:35 PM
124	We need places for our youth to hang out and enjoy.	12/10/2024 4:23 PM
125	Good idea to get people out and about, and meet new people.	12/10/2024 4:16 PM
126	I don't like the cold so I don't go out in the cold often	12/10/2024 4:10 PM
127	Hope there's an indoor pool and low costs classes	12/10/2024 4:00 PM
128	There seems to be no real activities for kids during colder months and there are empty spaces available (old Safeway, etc.)	12/10/2024 3:47 PM
129	Gives the community more things to do, we could really benefit from an indoor swimming pool	12/10/2024 3:39 PM
130	not knowing the logistics, I am hesitant to say strongly but I like the idea :)	12/10/2024 3:10 PM
131	Very much needed - safe place for hangouts - good family fun	12/10/2024 3:02 PM
132	Use existing structures as much as possible then build some new	12/10/2024 2:58 PM
133	An indoor pool would be nice for all ages.	12/10/2024 2:51 PM
134	Chaning Community Center - Need to sound proof rooms so you could still have classes at the same time, good luck this was discussed when we built the center and the community did not want it to be a rec center but more of a cultural center - thus the college...	12/10/2024 2:36 PM
135	Who would be responsible for "community spaces" this was tired before and it was a battle between school and city, so it never happened	12/10/2024 2:19 PM
136	more to do	12/10/2024 2:15 PM
137	It would give the children and others a place to go like the rec center	12/10/2024 2:10 PM
138	We definitely need a place for our youth - with rules and enforcement	12/10/2024 2:03 PM
139	We need more to do in this area	12/10/2024 1:40 PM
140	IDK	12/10/2024 1:35 PM
141	Give the youth something positive and productive to do	12/10/2024 1:22 PM
142	the youth need activities especially on Fridays	12/10/2024 12:57 PM
143	Kids need more places to hang out & have fun over being on the streets	12/10/2024 12:28 PM
144	I think we need more for our kids to have that time to socialize and hangout in a safe environment	12/10/2024 11:34 AM
145	Volatile weather allows for indoor activities and safe space for younger kids	12/10/2024 11:18 AM
146	create more social environment and variety for the youth	12/10/2024 11:06 AM
147	Do not attract large chain type businesses to this area, keep it local businesses.	12/10/2024 10:58 AM
148	repurposing existing structures is community progress	12/10/2024 10:53 AM
149	Currently we do not have enough indoor activities for the youth and this would really give them a place to bond and feel a part of the community.	12/9/2024 8:12 PM
150	i dont participate in these activities on a regular basis	12/9/2024 11:28 AM
151	just like Goodland we have nothing to do and it leads to crime and addiction	12/9/2024 11:13 AM

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Favor - Our parks are used every day and upgrading the park makes perfect sense. The problem is the way the park is maintained. The watering and mowing should be on schedules that make sense. Watering with sprinklers that are not working correctly and mowing in the mud is destroying the landscaping.	1/30/2025 9:51 PM
2	Undecided - Some parts are great like shade over the amphitheater, some parts seem unrealistic like the indoor building south of the amphitheater, golf courses, and biking / walking paths to Old Town	1/30/2025 9:50 PM
3	it adds a lot more options for fun everywhere in the park	1/28/2025 3:41 PM

7	The park needs some new stuff	1/28/2025 1:44 PM
8	This design is perfect. It would be even better if the bike lane went all the way to downtown Burlington.	1/28/2025 1:40 PM
9	Not a bad idea just not that good of a one either.	1/28/2025 1:36 PM
10	I do like that the areas having cover and extra spaces.	1/28/2025 1:35 PM
11	Like the bike trail but not changing the park. There's a little kids area all ready.	1/28/2025 1:34 PM
12	There is already a little kid playground to the side of the park. Second off what would you replace the rubber with, because truthfully I feel the rubber is safe enough as it is and definitely safer than wood shavings.	1/28/2025 11:47 AM
13	I would really like to have corn hole in the town. And I like the idea of the money golf idea.	1/28/2025 11:43 AM
14	I would like this because it brings a new park and new materials for the park.	1/28/2025 11:42 AM
15	I rate this the strongly favor because they are working on the outdoor pool and they are adding things	1/28/2025 11:42 AM
16	I think this is an amazing idea because the park alone isn't that bad but it is in need of a remodel wether it be the basketball courts and pickball courts or the park just in general I think this idea would give a lot more popularity for the park and I feel that people will definitely go over to the park if their is going to be remodels.	1/28/2025 11:41 AM
17	For how many people show up to Parmer for the Celebration of Summer, why not have more to do at the park for more people to show up year around?	1/28/2025 10:53 AM
18	i chose this rating because I love how they are changing it up	1/28/2025 10:50 AM
19	Would add more to do	1/28/2025 10:46 AM
20	make a mall	1/28/2025 10:36 AM
21	Why do we need more golf also I don't how but we could do like a food cart.	1/28/2025 9:18 AM
22	It seems as if it's too much, and we already have a little area for children 2-5 in Palmer Park	1/28/2025 9:09 AM
23	I guess i don't care just because i feel like it will be hard to do because of the prices we have.	1/28/2025 9:09 AM
24	Don't play at the park ever nor even go there.	1/28/2025 9:08 AM
25	This helps attract more children/adults to play at the park and adds more activities for all children.	1/28/2025 8:13 AM
26	I like certain aspects of it.	1/28/2025 8:12 AM
27	do to the fun	1/28/2025 8:12 AM
28	This is a great part of town during the summer.	1/24/2025 7:45 AM
29	It makes sende	1/23/2025 7:24 PM
30	Has anyone contacted the Scott Family asking to purchase a fraction of the land (Southernmost 300 feet) to integrate the put-put and other features there? What is the cost comparison of acquiring that small portion of land vs transforming existing parking lot/concrete into put-put golf? Additionally, the tree's along I70 provide both wind and sound reduction and I would like to see them remain if at all possible. Cedars have vast root systems and would be minimally impacted by a concrete bike loop running down the middle of them. I agree and support the remaining park improvements.	1/23/2025 9:49 AM
31	City can't maintain what they have	1/23/2025 8:16 AM
32	YES - to a bike/walk path along N side of I-70. NO - to putt-putt golf in the Old Town parking lot. Makes no sense. Inconsistent with Old Town theme. Won't be maintained. NO - to disc golf for same reasons as putt putt golf. Is there a way to do it instead in Parmer Park?	1/23/2025 2:57 AM

Building Burlington Community Survey #3

33	Old Town cannot afford to give up parking during special events	1/22/2025 9:16 PM
34	I worry about the initial cost and upkeep of all these improvements versus the benefits and how much use they would see. My favorite is the longer walking and biking path between Parmer Park and Old Town.	1/22/2025 5:17 PM
35	This all sounds good, but it's one thing to build and another to maintain.	1/22/2025 5:05 PM
36	Believe this option provides the best opportunity to capture more visitor visits as well as provide for better usage and opportunities for residents.	1/21/2025 4:39 PM
37	Frisbees and I70 doesn't sound like a winning combination.	1/21/2025 3:42 PM
38	Putt Putt wold be great, but not where it takes up 2/3 of Old Town parking. I get why it was placed there though. The bike loop is great.	1/21/2025 12:08 PM
39	I chose this rating because yes we need to improve our parks by adding new things to it.	1/9/2025 4:32 PM
40	Favor - The park is fine to me but the upgrades would be nice.	1/9/2025 12:12 PM
41	.	1/9/2025 11:02 AM
42	I love the interaction such as the shade, golf course, and concessions. Huge fan of corn hole for the summer!	1/9/2025 10:56 AM
43	It will make it look nicer and gives it more functionality. It will attract more visitors.	1/9/2025 10:56 AM
44	I like it	1/9/2025 9:06 AM
45	good way to keep kids entertained	1/9/2025 8:55 AM
46	I love the idea to add more bike lanes and trails because I bike a lot of places but I don't like the idea of using the old town parking lot due to the fact it is a big important spot and for events the entire parking lot is used and I think that if we transform the lot into a put put course people will be more upset than happy.	1/9/2025 7:54 AM
47	I would love the bike trail and golf.	1/9/2025 7:52 AM
48	The bike route next to the interstate sounds dangerous.	1/9/2025 7:52 AM
49	It would also be nice to have some sort of indoor playground that parents can take their kids to and be able to play during the cold months.	1/8/2025 12:12 PM
50	Who is going to staff the mini-golf course? Disc Golf right next to the Interstate seems irresponsible.	1/8/2025 11:47 AM
51	Disk golf has never become popular - not in favor of building something that will not be used. An indoor building is just more maintenance - not in favor. I like all of the other ideas.	1/6/2025 8:30 PM
52	Improvements can be made but who is going to maintain them? They can't be kept up as is.	12/30/2024 7:09 AM
53	Some good things	12/29/2024 10:04 PM
54	Strongly favor - I chose this rating because I like how more activities are included. As well as how it is inclusive toward others who prefer a hang out place or a place with shade.	12/29/2024 9:55 PM
55	Favor - I like the addition of more fun things. Like, the golf course, playground, biking, and the additional amenities.	12/29/2024 9:44 PM
56	Strongly favor - I chose this because it has more things to do. Adds items that are needed and convenient.	12/29/2024 9:28 PM
57	Favor - I like the ideas and it would definitely improve Burlington.	12/29/2024 4:24 PM
58	Strongly favor - I chose this rating because the park can be safe!	12/29/2024 4:15 PM
59	Strongly favor - I chose this rating because it tells me what they will do to the park.	12/29/2024 4:07 PM
60	Favor - It looks like a nice plan.	12/29/2024 4:01 PM
61	Strongly favor - Replacing rubber mulch would be much cooler and less toxic. The parks *really* need shade.	12/29/2024 3:43 PM

Building Burlington Community Survey #3

62	Strongly favor - It will look nice and be great to have more things.	12/29/2024 3:37 PM
63	We need to take care and improve on what our community has	12/29/2024 3:29 PM
64	Strongly favor - My children and I use the park weekly. Any updates will be welcome and appreciated!	12/29/2024 3:07 PM
65	Strongly favor - I think that it would be amazing to have an additional area for preschoolers, more activities in general, and a shade structure over the amphitheater.	12/29/2024 2:50 PM
66	Favor - I like what they are doing but with the bike route and disc golf I feel like they need more space and safe gates if it does happen.	12/29/2024 2:39 PM
67	Favor - I think having more options for fun things around town would be super beneficial.	12/29/2024 2:34 PM
68	I question the usability and how much use some of these ideas would get. The noise from 170 at the pickle ball court makes it's use unpleasant at best.	12/28/2024 8:11 PM
69	These sound or appear somewhat basic and take little "running". May work.	12/28/2024 4:41 PM
70	This is fine and the indoor space and shade are good ideas, but the last time I walked the park there were goatheads around. Let's make sure we can do the basics before we add things. And yes, that rubber mulch makes it 10 about degrees hotter in that space. It would be great to replace it.	12/28/2024 12:43 PM
71	Strongly favor - I'm all or more activities for Burlington. Not sure about a kitchen indoor building.	12/27/2024 10:06 PM
72	Favor - Concern with parking between Old Town and the Community Center if part of the parking is removed.	12/27/2024 9:54 PM
73	Keep upgrading and making things better.	12/27/2024 9:46 PM
74	It would be nice improvements.	12/27/2024 9:39 PM
75	It would bring the community more together.	12/27/2024 9:30 PM
76	Strongly favor - It would be more fun and the families could spend more time together.	12/27/2024 3:57 PM
77	Favor - More activities for everyone to do.	12/27/2024 3:35 PM
78	Strongly favor - will help family to do more with the children	12/26/2024 11:53 AM
79	Strongly favor - very nice for the smaller kids to play and meet new kids	12/26/2024 11:42 AM
80	Strongly favor - very nice upgrades	12/26/2024 11:32 AM
81	Strongly favor - I don't like the rubber mulch for kids, it's a choking hazard. Same with wood fiber. It should be sand. Or even turf.	12/26/2024 11:17 AM
82	Favor - Adds more to it to make it look live.	12/26/2024 11:11 AM
83	Favor, but no to the little kid park. We already have one there. No need for artificial turf.	12/26/2024 10:58 AM
84	Undecided - What are we replacing the mulch with? Why are we adding things we already have? Why are we spending so much money on parks instead of adding more things to do.	12/25/2024 8:43 PM
85	Favor - the park needs more things to do	12/25/2024 8:35 PM
86	Strongly favor - the only thing I disagree with the shade structure over the amphitheater	12/25/2024 10:51 AM
87	This is great, it's been needing done for years	12/25/2024 10:46 AM
88	Show buildings with businesses	12/25/2024 10:41 AM
89	Strongly favor - thank you for making the park better.	12/25/2024 10:23 AM
90	Favor - changing the rubber mulch would be good...it is so hot!	12/25/2024 10:11 AM
91	Strongly favor - It would bring something new to town.	12/24/2024 11:53 PM
92	No shade over the amphitheater!	12/24/2024 11:45 PM
93	Strongly favor - seems like a good idea but concerned about parking at Old Town though.	12/24/2024 9:14 PM

Building Burlington Community Survey #3

94	Favor - I like having more activities to do around town.	12/24/2024 9:09 PM
95	Strongly favor - good for you to finally come here. You are so far from Denver we don't have anything to keep our kids here with their families. The Chamber of Commerce needs to advertise in AAA tour books and let people see what small community is all about. It takes a village to raise kids and when you get to know people we all help each other. Bike and walking trails are huge for the elderly 40-plus to get out and get moving.	12/24/2024 8:53 PM
96	Strongly favor - seems like great ideas, but I have questions about parking for Old Town if putt putt is implemented.	12/24/2024 3:38 PM
97	The splash pad is our favorite summer hang out. Adding a picnic area would make it so much better.	12/24/2024 2:58 PM
98	I'm sure some of the ideas are great but I don't think we need another kids park.	12/24/2024 2:49 PM
99	We don't need another park cause in my opinion, that's taking so much space	12/24/2024 2:15 PM
100	IMPROVE THE SWIMMING POOL!!! WE HAVE THE WORST POOL IN A 100 MILE RADIUS!!	12/23/2024 8:54 PM
101	We need more things to do in Burlington. People have to drive to the city to be able to do fun, exciting things.	12/23/2024 8:40 PM
102	Retro, fitting	12/23/2024 8:35 PM
103	I like the ideas that were presented in this draft.	12/23/2024 8:20 PM
104	The park already has enough paths.	12/21/2024 9:34 AM
105	Old town is a drain on this community, it must be reevaluated to determine its feasibility in this community. Let's not add to the problem with additional burden.	12/21/2024 7:01 AM
106	I like the idea of being able to bike/walk to Old Town from the park.	12/20/2024 4:22 PM
107	I like all the ideas, but I would not prioritize it above previous questions.	12/20/2024 10:21 AM
108	City can't maintain what is there now. Where is the money coming from to maintain a newer area?	12/17/2024 3:51 PM
109	Taking care of what we have should be a priority. The grass still has bare spots and weeds from the park construction.	12/17/2024 2:00 PM
110	The more the city has to offer at and around the park and Old Town, the greater the positive impact will be to the mental and physical wellbeing of community and visitors alike.	12/17/2024 10:34 AM
111	The cost of electric in the town is super high and the electricity is very unreliable. The roads also need fixed. So those should be #1 on the lists to fix. Then, fix the downtown area. This would be a nice option if money is still left.	12/17/2024 9:23 AM
112	This would be a great change for our park to update the old courts for more use during the summer and additional walking/biking lanes would be great!	12/17/2024 8:44 AM
113	These kinds of activities would work best in the north of Burlington, expand near the fairgrounds. I-70 is to noisy. but it could work if there was a retaining wall built to control the view and noise of the highway.	12/16/2024 5:36 PM
114	Would love a mini golf course	12/16/2024 8:28 AM
115	I don't know that we need to add an additional area for toddler. There is already a play area for the little ones	12/14/2024 9:05 AM
116	Don't think we need the bike path to connect the park and old town. Can use the streets by high school and up 14th St	12/14/2024 1:28 AM
117	I agree on the improvement of mulch. Hays is has awesome new park.	12/13/2024 4:56 PM
118	My kids like going to the park. So I would like to see it updated. But I would also like to see a concrete skatepark near this park because it would be great for people of all ages and this park is a great area.	12/13/2024 2:49 PM
119	You cannot remove the existing parking lot at Old Town while maintaining the ability to host	12/13/2024 11:30 AM

Building Burlington Community Survey #3

	large events at Old Town.	
120	I really like the amenity area between the park and the pool and the putt-putt golf course. Also, covering the amphitheater.	12/10/2024 4:35 PM
121	Love shaded area over sitting at Parmer Park. The Parmer Park is a great area for families to enjoy along with the kids playground and splash pad. It needs to be kept up. Love the walking paths around the park. We enjoy walking there.	12/10/2024 4:23 PM
122	There are already 2 parks so why is another one needed	12/10/2024 4:16 PM
123	I haven't been there for much of anything expect take the girls for sunshine	12/10/2024 4:10 PM
124	Love the idea of fixing waterpad. Make a fenced dog park	12/10/2024 4:00 PM
125	It's a great park but it doesn't seem like there's anything to draw people in. Do you do activities like movies, concerts in the summer?	12/10/2024 3:47 PM
126	I really like the idea of more activities for people to do	12/10/2024 3:39 PM
127	It sounds promising :)	12/10/2024 3:10 PM
128	The city can not keep the grass green at the parks now. They need better people that care about the parks!	12/10/2024 2:51 PM
129	It continues the plans that were started when these areas were built	12/10/2024 2:36 PM
130	Palmer Park is used quite a bit, to modernize and create it up would be a great asset	12/10/2024 2:19 PM
131	Great plan	12/10/2024 2:15 PM
132	I think it would help get heavy traffic into Burlington	12/10/2024 2:10 PM
133	I do not like the idea of wood instead of rubber. Coming from a parent and former childcare provider, the rubber parks are always preferred.	12/10/2024 1:40 PM
134	I like it	12/10/2024 1:35 PM
135	Park is already nice	12/10/2024 1:22 PM
136	The shade over the amphitheater is a great idea!	12/10/2024 1:13 PM
137	I support maintaining and creating outdoor spaces	12/10/2024 12:57 PM
138	Dog Park!	12/10/2024 12:47 PM
139	This would benefit families to have more places for family time & doing more in the community	12/10/2024 12:28 PM
140	more activities for the town	12/10/2024 11:54 AM
141	There is no need for a covered amphitheater. Putt-putt would need constant changes to courses to keep engagement levels high	12/10/2024 11:18 AM
142	in favor of: resurfacing/ upgrading tennis court and b-ball, indoor community building, biking & walking path, additional children playground. not in favor - disc golf course (accidents near or on interstate), rubber mulch is suffice, no shade structure over amphitheater (outside for a reason!)	12/10/2024 11:06 AM
143	I like the forward thinking of the disc golf, shade shelter for the amphitheater and bike/ walk path near the interstate	12/10/2024 10:53 AM
144	The area doesn't need to change.	12/9/2024 8:12 PM
145	i think improving the park is great. i do wonder what will the monitoring of the equipment for some of these new additions looks like?	12/9/2024 11:28 AM
146	some of the parks are used for drug and crime related things and improvement would begin to limit the availability	12/9/2024 11:13 AM
147	brining in more family fun activities is an amazing idea! i think it will get more people/ families out and about during the summer.	12/9/2024 10:32 AM
148	more activities	12/9/2024 10:15 AM

Building Burlington Community Survey #3

149	we need a safe place for family and children to play	12/9/2024 10:09 AM
150	Burlington needs street repair first	12/9/2024 10:00 AM
151	Awesome ideas! putt-putt course!!!	12/9/2024 9:52 AM
152	there are strong parts of parmer park but i love the idea of adding on to pool and splash pad. also, being a mom of a toddler makes me nervous when she wants to climb on things really big. having a small child playground would be wonderful.	12/9/2024 9:25 AM
153	disc golf - great idea!	12/9/2024 9:19 AM

Q6 How would you rate this draft plan for Outback Territory Park?

Strongly Favor	39.96%	179
Favor	43.08%	193
Undecided	8.71%	39
Do not favor	3.57%	16
Strongly do not favor	3.13%	14
I don't know, or I do not have an opinion	1.56%	7
TOTAL		448

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Do not favor - Maintain what is already there.	1/30/2025 9:51 PM
2	Strongly favor - except maybe the garden space?	1/30/2025 9:50 PM
3	I go to the outback park nearly every day and the park needs to be refurbished So bad there's countless broken things and split wood	1/28/2025 3:41 PM
4	It seems like something that Burlington needs and would be a nice asset to have.	1/28/2025 3:40 PM
5	ADD A basketball court PLEASE PLEASE so many people said it and it makes more sense with lots of people living there so please make a basketball court	1/28/2025 3:40 PM
6	I live next to the park and it gets boring because there's nothing there so this will fix that.	1/28/2025 3:40 PM

Building Burlington Community Survey #3

7	I think there should be batting cages, and a volleyball court.	1/28/2025 3:32 PM
8	The park is starting to fall apart	1/28/2025 1:44 PM
9	Keep (and possibly fix up) the water fountain, please! Also, keep a little area with trees for relaxing in the grass.	1/28/2025 1:40 PM
10	Not a bad idea but not that good of a one either.	1/28/2025 1:36 PM
11	I do like the idea of having many different things but I don't want some thing that would be able to get destroyed by other people.	1/28/2025 1:35 PM
12	With the water feature, it will be cool to see it, and finding something to put in the dead space.	1/28/2025 1:34 PM
13	I feel the garden will not be taken care of and that the shaded areas that we have aren't always used as is so what's the point of adding more.	1/28/2025 11:47 AM
14	This is a pretty good idea if you're adding new things and not replacing anything that's already there.	1/28/2025 11:42 AM
15	I feel most of these ideas are pretty smart like refurbishing the wood on the playground is a great idea but I don't think that hanging up different art pieces around the park will just cause trouble I feel some people will destroy them or take them down I just don't think that this would be great idea but remaking the bathrooms and fountains is a very good idea along with making better side walks.	1/28/2025 11:41 AM
16	This park is definitely in need of some cleaning up, it is pretty popular during the summer for it's shade and open area.	1/28/2025 10:53 AM
17	I chose this rating because I like the idea	1/28/2025 10:50 AM
18	I recommend not touching the water fountain	1/28/2025 10:49 AM
19	Just make it into a grass thing with picnic tables with shade and tables outside with no shade and we can do a small playground like good lands.	1/28/2025 9:18 AM
20	i like how the park wood is there its nostalgic	1/28/2025 9:18 AM
21	I live by this park and I would honestly love to have a place like this with a garden and for the structures to be more safe and less terrifying	1/28/2025 9:09 AM
22	I think this would be good but also the last thing we need to work on in the community cause i feel like people would destroy it because of the people in our town.	1/28/2025 9:09 AM
23	It is the best park in town most fun and rather redoing it most people wouldn't go to it anymore it is good how it is and fun.	1/28/2025 9:08 AM
24	N/A	1/28/2025 8:13 AM
25	do to being able to have lunch and less splinters	1/28/2025 8:12 AM
26	Love the idea of a rose garden and art pieces around the park. This is a great area to re-do because of how close it is to main street and the fairgrounds.	1/24/2025 7:45 AM
27	It makes sense	1/23/2025 7:24 PM
28	I agree with all except the community garden. 1-The proposed area is immensely shaded which is counterintuitive to a garden. 2-Burlington tried the community garden concept circa 2000's Northeast of the old hangars on airport road and look at it now. How much of our city employees time and wages will go into maintaining this garden?	1/23/2025 9:49 AM
29	This should be a priority!	1/23/2025 2:57 AM
30	This area doesnt get enough attention now, how will the city monitor it in the future	1/22/2025 9:16 PM
31	I think the park refurbishment and perimeter sidewalk is a much needed improvement. The rest is nice, but not necessary. Because there are so many large trees and the picnic pavilion, I don't think more shaded spaces are needed.	1/22/2025 5:17 PM
32	This park will experience better usage and connectivity to Main Street	1/21/2025 4:39 PM
33	This park is long overdue for an overhaul.	1/21/2025 3:42 PM

Building Burlington Community Survey #3

34	Add some basketball hoops at the wooden park. It wouldn't need to be a whole court. I don't feel a community garden would be good there. The Prairie Family Center tries to do community gardens. It would be up to city staff to ultimately care for the gardens. There is a small school that probably uses it for recess, and there are plenty of school aged kids in that area. I would greatly appreciate a walking path around the perimeter.	1/21/2025 12:08 PM
35	Parks that are kept up are safer areas to use. I stop there every time I am in town.	1/17/2025 9:28 AM
36	I chose this rating because its great to add a new park to our town that way more people will come more often.	1/9/2025 4:32 PM
37	Strongly favor - The upgrades would be really nice because the park is kinda boring.	1/9/2025 12:12 PM
38	.	1/9/2025 11:02 AM
39	I like the park the way it is and don't want to redo the structure. I am in favor of Cornhole and garden.	1/9/2025 10:56 AM
40	It will make it not only look nicer, but include more functionality to the same park that we've been using for years.	1/9/2025 10:56 AM
41	I like it	1/9/2025 9:06 AM
42	I like how it looks less beat up	1/9/2025 8:55 AM
43	That be a good use of land.	1/9/2025 7:55 AM
44	I love this plan because it fixes things and adds more stuff without changing it to much.	1/9/2025 7:54 AM
45	That is my favorite park and I have thought upgrading and refurbishing it was a good idea for a long time.	1/9/2025 7:52 AM
46	it will greatly improve the park	1/9/2025 7:51 AM
47	This park needs quite a bit of updating. I love the idea of the community garden.	1/8/2025 12:12 PM
48	A community garden failed several years ago, who is in charge of the art?	1/8/2025 11:47 AM
49	There is a definite need for this upgrade. I would also like to see the water fountain running again.	1/8/2025 10:16 AM
50	Let's just maintain what we have.	1/1/2025 7:20 AM
51	Sidewalk all the way around should be there.	12/30/2024 7:09 AM
52	Undecided - I like some of the other ideas better.	12/29/2024 10:04 PM
53	Favor - The garden is a great new feature to encourage others as well as develop a green thumb.	12/29/2024 9:55 PM
54	Strongly favor - It would look so friendly and fun. I really do think this addition to the town would be effective and honestly fun.	12/29/2024 9:44 PM
55	Strongly favor - I like the plan of art, restrooms, and sidewalks. We really need that.	12/29/2024 9:28 PM
56	Upgraded parking? Only	12/29/2024 9:06 PM
57	They seem like good, big improvements.	12/29/2024 4:24 PM
58	Strongly favor - I chose this rating because it makes the community better.	12/29/2024 4:07 PM
59	I like the draft concepts.	12/29/2024 4:01 PM
60	Good	12/29/2024 3:49 PM
61	Strongly favor - The kids will be more safe to cross.	12/29/2024 3:37 PM
62	Same as above	12/29/2024 3:29 PM
63	Strongly favor - We also visit this park weekly and the sidewalks being updated will be much easier to push a stroller around.	12/29/2024 3:07 PM
64	Cornhole is a must :)	12/29/2024 3:03 PM

Building Burlington Community Survey #3

65	Strongly favor - I think the park has been in need of an update for many years and I would like to see a community garden in our town.	12/29/2024 2:50 PM
66	Strongly favor - I love that they are bringing more love to that park.	12/29/2024 2:39 PM
67	The wood park is iconic to Burlington. The shady picnic tables are a great place to have lunch on a nice day. The playground area is fun and sparks the imagination for young and not so young kids. Question: who would maintain a rose or community garden?? Would the bathrooms at both parks be accessible, clean, stocked, and maintained year round?	12/28/2024 8:11 PM
68	Should be possible	12/28/2024 4:41 PM
69	This is fine, but it doesn't do any good to make the park nicer if people are doing drugs and having sex in the bathrooms. Without increased police presence in the parks keeping them safe, families will be hesitant to use them.	12/28/2024 12:43 PM
70	Strongly favor - I love the rose garden idea, it shows Colorado beauty	12/27/2024 10:06 PM
71	Favor - Concerned with the community garden rose garden as far as location.	12/27/2024 9:54 PM
72	It's old	12/27/2024 9:51 PM
73	I think it would be a good idea for more things.	12/27/2024 9:46 PM
74	Strongly favor - It would be a nice improvement to an outdated park, would be nice to see the fountain going again too.	12/27/2024 9:39 PM
75	I think it will look good.	12/27/2024 9:21 PM
76	Strongly favor - The renovated restrooms are a big step and I think it's time for an upgrade.	12/27/2024 3:57 PM
77	Favor - I think having different things to look at and places to see would be good for the community.	12/27/2024 3:35 PM
78	Strongly favor - to give families and visitors to do more for the community	12/26/2024 11:53 AM
79	Strongly favor - this makes it good for the summer when it is hot	12/26/2024 11:42 AM
80	Strongly favor - major upgrade for the wood park!	12/26/2024 11:32 AM
81	Favor - I appreciate the garden idea.	12/26/2024 10:58 AM
82	Favor...only thing is, how are we going to manage the garden?	12/25/2024 8:43 PM
83	There is a lot of drugs done in the bathrooms and it is not safe for kids.	12/25/2024 8:35 PM
84	I like the old wooden playground	12/25/2024 8:30 PM
85	Favor - it's gonna be great. More family activities.	12/25/2024 10:46 AM
86	Favor - Make the restroom safer, people are doing drugs in the park restrooms	12/25/2024 10:28 AM
87	Favor - I like the new features	12/25/2024 10:11 AM
88	Strongly favor - It's time to upgrade.	12/24/2024 11:53 PM
89	Strongly favor - the park needs it!	12/24/2024 9:14 PM
90	Favor - I like keeping and renovating something valuable to the town.	12/24/2024 9:09 PM
91	Strongly favor - the community will for sure be involved in any way we can to protect the new renovations and appreciate you doing this.	12/24/2024 8:53 PM
92	Strongly favor - the park needs refurbished	12/24/2024 3:38 PM
93	Strongly favor - let's fix up our town	12/24/2024 3:04 PM
94	Having family outdoor activities could pull kids from having too much screen time	12/24/2024 2:58 PM
95	The wooden park is old but it would be nice to have an upgrade because people tend to get splinters and the wood is super old.	12/24/2024 2:49 PM
96	It does need an upgrade for the park	12/24/2024 2:15 PM

Building Burlington Community Survey #3

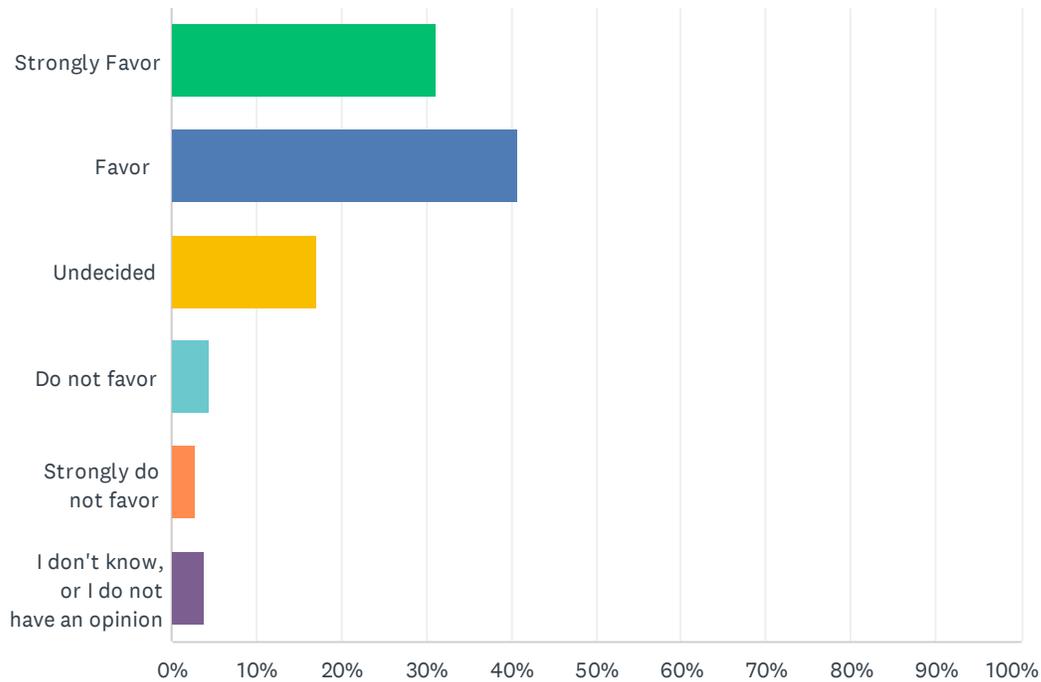

97	Very nice upgrades.	12/23/2024 8:20 PM
98	There's no reason to change the actual wooden playground it's self unless it's going to be the same playground just knew wood.	12/21/2024 9:34 AM
99	The refurbishing of the playground is long overdue. The added rose/community garden space is a good way of inviting individuals to be involved with this beautiful park. The restrooms being renovated and the drinking fountains are a much needed improvement. Installing art pieces would add to the beauty of the area.	12/20/2024 4:22 PM
100	Again, I would not prioritize it above previous questions.	12/20/2024 10:21 AM
101	This park is fine as it is.	12/17/2024 3:51 PM
102	Make sure public art isn't ugly modern junk. Cameras are needed to prevent damage	12/17/2024 2:00 PM
103	This park definitely needs a makeover. These changes will bring about a more usable and attractive venue for community.	12/17/2024 10:34 AM
104	Again, this would be a nice addition to the town but fixing the roads and electrical should be #1. I think the Palmer Park renovation would be more important than this park.	12/17/2024 9:23 AM
105	Needs a serious update	12/16/2024 8:28 AM
106	Money could be spent elsewhere, there are so many trees and benches already. If money is spent on this park it should only be for the restrooms.	12/16/2024 8:09 AM
107	Yes! It is a really cool park.	12/14/2024 9:05 AM
108	Don't think we need that many walkways.	12/14/2024 1:28 AM
109	Community garden will look trashy. Rose garden would be pretty	12/13/2024 4:56 PM
110	This park could use renovations.	12/13/2024 2:49 PM
111	This park has a lot of potential but certainly needs attention. I have taken my kids to this park often, but have safety concerns regarding the equipment, trees with dead limbs, and the bathrooms.	12/13/2024 11:53 AM
112	This area has such a bad reputation, I would like to know how much this would cost to improve.	12/13/2024 11:30 AM
113	Sounds nice.	12/10/2024 4:35 PM
114	We love the outback territory park and was involved in helping build the playground. It does need to be kept up and have maintenance done on it on a regular basis.	12/10/2024 4:23 PM
115	Needs to be updated	12/10/2024 4:16 PM
116	I don't think I've ever been there	12/10/2024 4:10 PM
117	I played at this park a lot as a kid and would really like to see it brought back to life so I feel comfortable bringing my daughter to it.	12/10/2024 3:39 PM
118	Again - sounds promising - but be safety conscious first - particularly with vagrants.	12/10/2024 3:10 PM
119	If we keep the crud out of the bathrooms & keep these spaces safe for the youth I strongly favor.	12/10/2024 3:02 PM
120	Once again, they need to do a better job of taking care of what we have now.	12/10/2024 2:51 PM
121	Glad to see this park refurbished - roses: kind of prickly & tough to maintain	12/10/2024 2:36 PM
122	outback park is used quite a bit. I know neighbors are concerned about noise and lighting at night, refurbished wood would be a great idea.	12/10/2024 2:19 PM
123	Great plan	12/10/2024 2:15 PM
124	It needs a facelift.	12/10/2024 2:10 PM
125	I like to go there to walk or take a book to read. The existing picnic tables and benches are very uncomfortable	12/10/2024 2:03 PM

Building Burlington Community Survey #3

126	My only suggestion is to keep as a wooden park	12/10/2024 1:40 PM
127	More stuff for kids to do	12/10/2024 1:35 PM
128	Outback needs a facelift and update	12/10/2024 1:22 PM
129	Park is in need of maintenance and upgrades	12/10/2024 12:57 PM
130	This will benefit our children immensely	12/10/2024 12:28 PM
131	It would give kids/ teens/ parents more to do	12/10/2024 11:54 AM
132	like I said before, we need updates	12/10/2024 11:34 AM
133	skip the public art and repair the water fountain feature	12/10/2024 11:18 AM
134	in favor of all for outback	12/10/2024 11:06 AM
135	These are really great ideas, I hope there is a plan to maintain and keep these areas clean.	12/10/2024 10:58 AM
136	the sidewalks and public art would be great additions to the projected renovations	12/10/2024 10:53 AM
137	I don't think this is a good use of city money.	12/9/2024 8:12 PM
138	I am curious about adding a community garden? who would be responsible for the water? how would this be monitored?	12/9/2024 11:28 AM
139	more engagement	12/9/2024 11:21 AM
140	the playground needs work! love this plan	12/9/2024 10:32 AM
141	being able to walk the perimeter of the park would be amazing	12/9/2024 10:09 AM
142	improvements are great but get the basics right first - streets, power & cost, water & cost, sidewalks	12/9/2024 10:00 AM
143	rose garden seems unneeded... also - thorns @ a toddler playground?	12/9/2024 9:52 AM
144	I love the outback park. it was always such a good childhood memory. however it could defiantly be remodeled/ fixed up. i miss the frog light up fountain during the summertime. also, the restrooms & drinking fountain need renovation	12/9/2024 9:25 AM

Q7 How would you rate this draft housing strategy?

I don't know, or I do not have an opinion	3.81%	17
TOTAL		446

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Strongly favor - Seems like a lot of properties can use rehabbing	1/30/2025 9:50 PM
2	None of this is going to matter if the price of housing in this down stays where it is.	1/29/2025 10:58 AM
3	I don't believe that this is the best thing to do but I'm just a kid and I don't know real estate but its a good idea just not what to do first because increase living quality and then more people would want to move here	1/28/2025 3:41 PM
4	I like the fact of adding more houses but also some room for parking or playing in that area would be nice because there is a lot of kids and teens and there really is no back yards so the space is pretty awesome.	1/28/2025 3:40 PM
5	dont know much about housing	1/28/2025 3:40 PM

6	I just don't really know about money or anything like that.	1/28/2025 3:40 PM
7	I applied for this position because I am seeking a more challenging opportunity in my field. Why did you apply for this position? (+10 Examples) MockQuestions	1/28/2025 3:37 PM
8	Some houses need some work	1/28/2025 1:44 PM
9	What do you consider "affordable" housing? Just know that a lot of jobs in Burlington have a very low wage, and people renting houses have been going from paycheck to paycheck.	1/28/2025 1:40 PM
10	More housing/improving housing is always nice.	1/28/2025 1:36 PM
11	I do like having people have more place to live and trashy house looking nicer.	1/28/2025 1:35 PM
12	A good idea when teaching some of the locals how to do things for the houses.	1/28/2025 1:34 PM
13	There are already many houses for sale as well as places to rent, but there's no activity's to do during free time.	1/28/2025 11:47 AM
14	It would be nice to have more plumbers and nicer housing or homes.	1/28/2025 11:43 AM
15	Everything is expensive nowadays, if we can get the chance to drop the prices on something, we should take it.	1/28/2025 10:53 AM
16	I chose this rating because I like how there going to develop a program of community resources for housing	1/28/2025 10:50 AM
17	this would provide many more job opportunities.	1/28/2025 10:46 AM
18	We can do stuff around the houses.	1/28/2025 9:18 AM
19	Is this question saying your going to build and change people's house how much would it cost them and where would they stay while your doing that.	1/28/2025 9:12 AM
20	I would like for more people and new faces to come to Burlington, but still would this cause more pollution?	1/28/2025 9:09 AM
21	I think we should change the actullay town instead of making it harded on people that don't have time to get a new house or the money.	1/28/2025 9:09 AM
22	I don't live in town so its whatever.	1/28/2025 9:08 AM
23	Improves housing for many people with broke houses that always break.	1/28/2025 8:13 AM
24	I don't know	1/28/2025 8:12 AM
25	YES to this: Provide grants or incentives for property owners pursuing rehabilitation of existing homes.	1/24/2025 7:45 AM
26	What about creating a scholarship program for a student(s) to complete their vo-tec training at a specific trade school(s) with the agreement of 2-4 years of post-graduation employment in Burlington? Similar to what Harold McArthur agreed to with Dr Perez and Pimental. Who will facilitate, manage, train the proposed programs in Burlington?	1/23/2025 9:49 AM
27	Burlington housing market is very strong, ample construction, contractors are very busy. Best thing City of Burlington can do to promote housing is to back off its ridiculous new fee schedule which seems entirely arbitrary.	1/23/2025 2:57 AM
28	The area's housing market is artificially inflated and something must be done to attract residents.	1/22/2025 9:16 PM
29	I am skeptical this plan will bring out the desired results.	1/22/2025 5:05 PM
30	Housing prices are so far out of whack in this town. Need something done to address it.	1/21/2025 3:42 PM
31	I chose this rating because more houses we add the more people will start to live.	1/9/2025 4:32 PM
32	Strongly favor - It would make Burlington's population greater.	1/9/2025 12:12 PM
33	.	1/9/2025 11:02 AM
34	I am not educated enough to make a strong decision.	1/9/2025 10:56 AM

Building Burlington Community Survey #3

35	I am not sure about this.	1/9/2025 10:56 AM
36	I like it	1/9/2025 9:06 AM
37	Smart for the community	1/9/2025 8:55 AM
38	We need more affordable houses. So this would be really helpful.	1/9/2025 7:55 AM
39	City building rentals so city gets money and community gets housing.	1/9/2025 7:52 AM
40	This would allow people to more easily update their homes to help the town look more put together.	1/8/2025 12:12 PM
41	Grants/Incentives is vague, little known here. Third point sounds like the city will be in the real estate business, will the city own people's homes? Bottom three are solid informational points, but aren't actually doing anything. Middle point is the best, but very little information is given here.	1/8/2025 11:47 AM
42	There is a huge need for this, but as we know private grants and funding are realistically impossible	1/8/2025 10:16 AM
43	The city should not have input on what someone does with their land. Where is the money coming from to fund this?	12/30/2024 7:09 AM
44	Undecided - I do not agree with point 4 in the list.	12/29/2024 10:04 PM
45	Strongly favor - These strategies for housing give better opportunities for people who struggle financially.	12/29/2024 9:55 PM
46	Strongly favor - I'm a big fan of the apprenticeships. I think we really need that here. I'm really liking the idea of grants and housing here.	12/29/2024 9:44 PM
47	Strongly favor - Affordable housing and skill trades would really help my family.	12/29/2024 9:28 PM
48	I'm not sure if it would help.	12/29/2024 4:24 PM
49	Strongly favor - I chose this rating because it tells some examples of new things.	12/29/2024 4:07 PM
50	Favor - It could help develop more housing	12/29/2024 4:01 PM
51	Very good	12/29/2024 3:49 PM
52	Housing is important in a community	12/29/2024 3:29 PM
53	Strongly favor - Make sure everyone can find affordable, safe place to live.	12/29/2024 3:07 PM
54	Strongly favor - Would give more opportunities to potential homeowners and would give work opportunities.	12/29/2024 2:50 PM
55	Strongly favor - it will improve the quality of life in Burlington	12/29/2024 2:39 PM
56	Favor - I'm all for new housing but at reasonable pricing.	12/29/2024 2:35 PM
57	I am in favor of MOST of these items. However, much like bills at the federal level that look good on the surface but hide a lot of special interest nonsense, there are too many different items lumped in here. If the city is awarding grants that money comes from taxes and fees... Is this already in the budget, or is the plan to raise taxes to fund these proposals?	12/28/2024 8:11 PM
58	Who pays for this?	12/28/2024 4:41 PM
59	Giving property owners or developers more incentive to build or renovate does not help the people who actually need the help. Although theoretically that could lower housing costs, realistically it will just add to the greed and monopoly of the current property owners.	12/28/2024 3:00 PM
60	This is not the role of government in a free society. Anything to decrease regulation of land use will help increase housing and development.	12/28/2024 12:43 PM
61	Strongly favor - I am all for affordable housing to provide a better future for the kids	12/27/2024 10:06 PM
62	Not lots of people	12/27/2024 9:51 PM
63	It's good to help people.	12/27/2024 9:46 PM

Building Burlington Community Survey #3

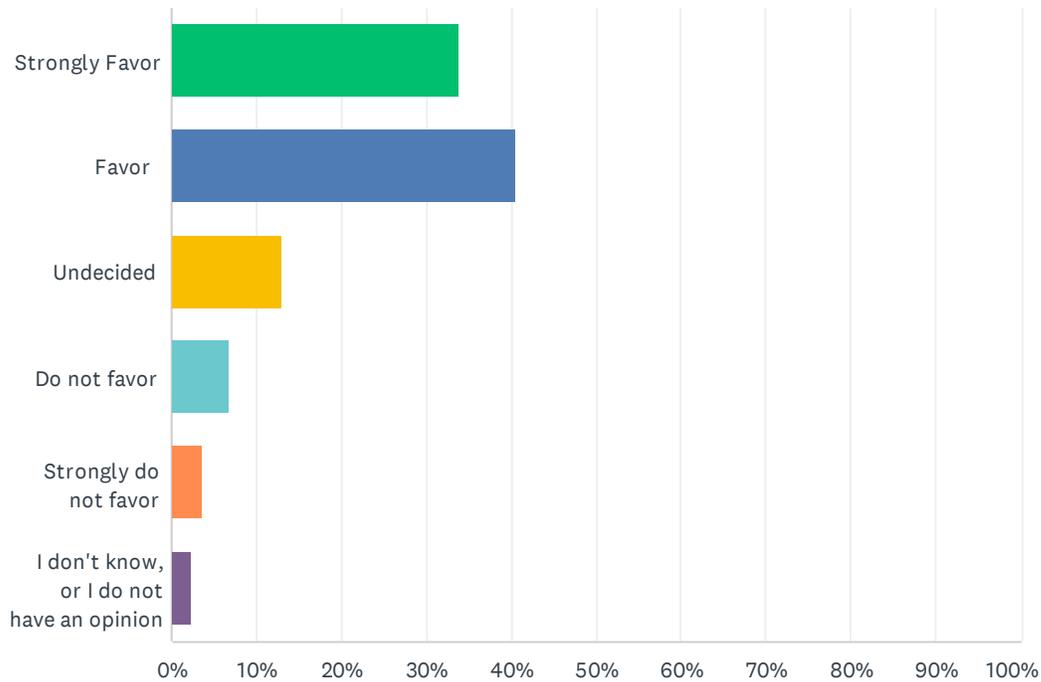

64	Sounds good	12/27/2024 9:39 PM
65	Sounds good	12/27/2024 9:21 PM
66	That's a good way to help the community.	12/27/2024 3:57 PM
67	Favor - Everyone in our community should be able to live in a house and not in a hotel or on the streets.	12/27/2024 3:35 PM
68	Strongly favor - housing is a good idea but keep it down so family can afford it	12/26/2024 11:53 AM
69	Undecided - not sure how this benefits us.	12/26/2024 10:58 AM
70	Not quite sure	12/25/2024 10:46 AM
71	Favor - Improved appeal to the city	12/25/2024 10:11 AM
72	Strongly favor - It's a way to help out the community.	12/24/2024 11:53 PM
73	Strongly favor - Let's use the tax money we pay to come east to show us how they are being used. We gladly pay and will immensely appreciate and enjoy the much needed upgrades.	12/24/2024 8:53 PM
74	Favor - Updated houses would improve the city. Trades would attract residents to come and or stay. Multi-generational housing would assist families financially.	12/24/2024 3:38 PM
75	Strongly favor - keep making our community better	12/24/2024 3:04 PM
76	Strongly favor, because (again) we need more affordable housing options.	12/24/2024 2:58 PM
77	I would hope these incentives go toward new home owners and home buyers and not to construction companies flipping houses.	12/23/2024 8:54 PM
78	The housing needs to be pet friendly. Lots of people avoid moving here because renters don't allow pets.	12/21/2024 9:34 AM
79	Let the market determine needs	12/21/2024 7:01 AM
80	Accessory dwellings need to be heavily monitored and very strict in what is allowed and not allowed.	12/20/2024 6:32 PM
81	There is a shortage of affordable rental properties in our community. New construction or upgrading existing houses would certainly appeal to people who would like to relocate to our city.	12/20/2024 4:22 PM
82	We need to add affordable housing. Rent and the price of homes took a huge jump when the prison came to town and have only gone up since.	12/20/2024 10:21 AM
83	The city is not qualified to be an instructional institution. There are current city codes on the books that are not being enforced, such as sidewalk in place and in good condition. There is too much good old boy attitudes that has got to stop. Equality for all.	12/17/2024 3:51 PM
84	Mixed feelings for different bullet points	12/17/2024 2:00 PM
85	The city should not be landlords, not building housing. But if they want to encourage growth with incentives, then I'm all for that.	12/17/2024 9:23 AM
86	Finding a low cost option would be great for new and young community members to get started and want to stick around Burlington.	12/17/2024 8:44 AM
87	I think Burlington already has more than enough housing. As in lease housing not so much for rentals.	12/16/2024 5:36 PM
88	The government should not be concerned with providing housing nor should they be purchasing more land from private citizens. Instead, the city should incentivize by lowering fees and regulations so that it is easier for private citizens to come in and build as they desire.	12/16/2024 8:38 AM
89	The only way this works is if people in Burlington realize that affordable housing is a basic need.	12/16/2024 8:30 AM
90	Needed	12/16/2024 8:28 AM
91	Seems reasonable and we need housing badly	12/14/2024 1:28 AM

Building Burlington Community Survey #3

92	I think you are taking on too much at one time.	12/13/2024 11:30 AM
93	I really like the apprenticeship idea. Not a fan of city-owned housing. I like the incentives to rehab existing homes and build on vacant lots.	12/10/2024 4:35 PM
94	Housing in Burlington seems a little on the high side.	12/10/2024 4:23 PM
95	Makes the town look better and brings in more people.	12/10/2024 4:16 PM
96	I'm undecided on housing	12/10/2024 4:10 PM
97	we need more affordable places to live	12/10/2024 4:00 PM
98	I'm on the lower income side of things but would eventually like to buy a home and have options to do so.	12/10/2024 3:39 PM
99	This is fine but we have community members that have a money monopoly on rental property, so i dont believe the little guys would benefit	12/10/2024 3:28 PM
100	Love there are incentives for local contractors	12/10/2024 3:02 PM
101	Do we have the resources & man power to do this?	12/10/2024 2:36 PM
102	Good idea - as long as it doesn't raise property taxes too high and price people out of town	12/10/2024 2:19 PM
103	I favor more rentals but rent is so high for the regular residents and people moving here.	12/10/2024 2:03 PM
104	I love the idea for grants to rehab homes	12/10/2024 1:40 PM
105	I like it	12/10/2024 1:35 PM
106	I don't feel housing market in Burlington is a problem	12/10/2024 1:22 PM
107	Helps make use of what we have in a beneficial way	12/10/2024 12:57 PM
108	It's a great idea!	12/10/2024 12:28 PM
109	I am not sure how to feel about expansion	12/10/2024 11:18 AM
110	Only approve of apprenticeship or training programs in Burlington.	12/10/2024 11:06 AM
111	I oppose city owned properties/housing. Otherwise, I am supportive of these ideas.	12/10/2024 10:58 AM
112	i need to digest these ideas	12/10/2024 10:53 AM
113	We need this as a community.	12/9/2024 8:12 PM
114	what is going to sustain this? is the workforce housing long-term? furnished? what will the training program look like?	12/9/2024 11:28 AM
115	need more housing	12/9/2024 11:21 AM
116	again providing positive options and things to do benefit the community and protecting helping with boredom to not fall on to the wrong side	12/9/2024 11:13 AM
117	Burlington is getting expensive. people are having difficulties finding affordable living.	12/9/2024 10:32 AM
118	this will take a long time	12/9/2024 10:00 AM
119	yes! - apprenticeship training programs! seems great. a lot of buildings need help. grants to make it happen would be awesome	12/9/2024 9:52 AM

#	WHY DID YOU CHOOSE THIS RATING, AND WHAT OTHER COMMENTS DO YOU HAVE?	DATE
1	Do not favor - The problem I have with this plan is allowing golf carts and gators on city streets is not safe. People not following traffic signs and signals is dangerous and happening everyday.	1/30/2025 9:51 PM
2	Favor - I still think shuttles from hotels are unrealistic	1/30/2025 9:50 PM
3	every summer I leave at twelve and don't come back till 6 so I'm on my bike all day almost every day and I don't know where I should move on the road or if I should stay but a lane would save me and the other kids from all the crazy drivers	1/28/2025 3:41 PM
4	A bus system would be amazing and much better then being forced to walk especially because of the roads being terrible you cant ride a scooter or bike on the side walk without almost definitely falling.	1/28/2025 3:40 PM

Building Burlington Community Survey #3

5	ya bike lands and decent roads are good. Good idea for gators they are very popular. We also need like a big barrier between car and bike cause a curb ain't gonna stop a full moving car.	1/28/2025 3:40 PM
6	It would fix the traffic problem and would be way more efficient	1/28/2025 3:40 PM
7	Highlight your years of relevant experience, whether they're in paid employment or during an internship.	1/28/2025 3:37 PM
8	I like the bike lanes	1/28/2025 1:44 PM
9	My only issue is how you as a company are going to be able to pay for this. I'm not quite sure we can handle more taxes on such a small town.	1/28/2025 1:40 PM
10	This is very safe and effective especially if someone needs to get somewhere and doesn't have a car.	1/28/2025 1:36 PM
11	I do like that we would have more ways to travel other then cars.	1/28/2025 1:35 PM
12	Great idea to have safe sidewalk walking.	1/28/2025 1:34 PM
13	Bike lanes would be very useful and handy for kids and people who don't want to or just can't drive.	1/28/2025 11:47 AM
14	I feel like we should focus on other things rather than bike lanes because we can always ride on the street or sidewalk.	1/28/2025 11:44 AM
15	would be nice to have some bike lanes. To ride to school.	1/28/2025 11:43 AM
16	I strongly agree with making bike lanes or making electric bikes street legal and all that stuff like for example I feel people would buy surnons which are electric bikes that are normally street legal but I haven't seen if they are legal in Burlington but I believe that this is a great way for younger people to get transportation also we need to fix the sidewalks there are very many spots where the concrete is sticking up out of the ground which is a safety hazard.	1/28/2025 11:41 AM
17	add bikes that you pay for with a card and you get it for like some 20 mins or yea	1/28/2025 11:34 AM
18	It would definitely be a big improvement when I don't have to walk my bike along rose in the small, very thin curb to get across town.	1/28/2025 10:53 AM
19	That I like the draft a lot	1/28/2025 10:50 AM
20	I would get out of the house and go places if there were bike lanes.	1/28/2025 10:46 AM
21	no once bikes in this town we like to walk so we can leave the street alone because people bike on the sidewalk if we want to change anything make the sidewalks better.	1/28/2025 9:18 AM
22	It sounds a lot like stuff you would get in the city and I don't want burlington to turn into a big city like Denver.	1/28/2025 9:12 AM
23	I would love to finally be able to walk around town and not almost break my ankle again.	1/28/2025 9:09 AM
24	I dont ride a bike and haven't heard anyone in my grade ride bikes either soooo, Also we wouldnt be able to afford bikes and scooter just on the side of the road.	1/28/2025 9:09 AM
25	Rather than put new things they should fix the roads.	1/28/2025 9:08 AM
26	Less traffic and more lanes for biking kids so they aren't in danger	1/28/2025 8:13 AM
27	do to me love riding my bike	1/28/2025 8:12 AM
28	In addition to sidewalk condition data, have we collected pedestrian use data? How many pedestrians use x-number of sidewalks in a given week? This demand data could then be tied to the budget to support and prioritize improvement projects.	1/23/2025 9:49 AM
29	The money we have will only do 1 mile of streets a year so it will take 31 years to complete so where is this money coming from.	1/23/2025 8:16 AM
30	I object to one item: Curb-separate biking/walking lanes. NO! We live in a small town where we are expected to look out for each other, so please do NOT carve up the driving surfaces we have. Streets are for driving! I've walked & biked around Burlington for years, often using streets, but I do not want or need a curb-separated walking or biking area!	1/23/2025 2:57 AM

Building Burlington Community Survey #3

31	We need sidewalk improvements first	1/22/2025 9:16 PM
32	I'm not sure I like the idea of gators and golf carts, but really like the idea of expanding walking and biking safety. I especially think we need crosswalks on 10th and 11th Streets (in addition to those directly surrounding BES), as we have two schools and lots of foot traffic.	1/22/2025 5:17 PM
33	would love bike lanes	1/22/2025 5:12 PM
34	I don't think this will matter.	1/22/2025 5:05 PM
35	Transportation infrastructure is greatly needed and wanted in Burlington, although cost prohibitive would like to see a concerted effort placed on prioritization of areas in need of resurfacing.	1/21/2025 4:39 PM
36	Bike lanes? We can't even have people drive on the right side of the road.	1/21/2025 3:42 PM
37	I see so many walking in town. I think more would if walks were safe and there.	1/17/2025 9:28 AM
38	I chose this rating because some people ride their bikes but doesn't have bike routes for it that's why we need it.	1/9/2025 4:32 PM
39	Undecided - Not many people ride bikes here in Burlington.	1/9/2025 12:12 PM
40	.	1/9/2025 11:02 AM
41	I think gators and bikes are a great way for transportation, but roads will need to slow dow.	1/9/2025 10:56 AM
42	I think It would be nice for people that live in town to be able to have different transportation options.	1/9/2025 10:56 AM
43	I like it	1/9/2025 9:06 AM
44	easier for many people	1/9/2025 8:55 AM
45	This would help the town so much. Especially those who need to walk and bike. Scooters would be nice. And maybe more public transport like a bus in town.	1/9/2025 7:55 AM
46	I love this plan because I bike a lot around town and my biggest problem is safety and comfort I am always riding next to the cars with barley any space and I am also always riding over bumps, not having places to get up and down off the sidewalks, and my mother is disabled and she rides her power chair around town and she has major issues trying to get in places .	1/9/2025 7:54 AM
47	it will make transportation a lot easier for everyone	1/9/2025 7:51 AM
48	i choose this because i dont know	1/9/2025 7:51 AM
49	The school is in the way of your path, but bike lanes are badly needed. Shuttles? Like more city buses?	1/8/2025 11:47 AM
50	This is very important	1/8/2025 10:16 AM
51	Not in favor of curb separated biking and walking lanes - was very chaotic in Vienna when we visited. Biking and walking path from Parmer Park to Old Town great idea!	1/6/2025 8:30 PM
52	City roads should be the only priority right now.	1/6/2025 4:05 AM
53	Fix the roads we have now.	1/1/2025 7:20 AM
54	Bike route won't fit on 14th street and we have a highway on Rose avenue. Golf carts should not be allowed. People run those lights all the time!!!	12/30/2024 7:09 AM
55	Strongly do not favor - We do not currently have enough people that would use the bike lane	12/29/2024 10:04 PM
56	Strongly favor - The bike routes help people navigate easier and the provided bikes can be helpful for those who don't have transportation.	12/29/2024 9:55 PM
57	Favor - There are so many kids who would like to bike safely. Especially teens so this is a good idea.	12/29/2024 9:44 PM
58	Strongly favor - would choose this because bikes would really help.	12/29/2024 9:28 PM
59	Do not favor - Curb separated lanes end up full of trash and debris. City has hard enough time keeping streets free of this. Same with snow removal - doesn't exist or is lacking.	12/29/2024 9:06 PM

Building Burlington Community Survey #3

60	I like the idea of improving the different stuff and making it better.	12/29/2024 4:24 PM
61	Strongly favor - I chose this rating because it explains the importance of Burlington.	12/29/2024 4:07 PM
62	Favor - It would allow safe use of bikes and motorized vehicles.	12/29/2024 4:01 PM
63	Good	12/29/2024 3:49 PM
64	Favor - It would be nice to have more routes to bike ride	12/29/2024 3:37 PM
65	Make it easier to get around on bike	12/29/2024 3:31 PM
66	Strongly favor - The sidewalks / bike path will be a huge upgrade!	12/29/2024 3:07 PM
67	Strongly favor - I think this would be a great addition for people of all ages, but especially for youth.	12/29/2024 2:50 PM
68	Do not favor - Don't really like the idea of bike routes. I've always used regular roads.	12/29/2024 2:39 PM
69	I am in favor of all the above except allowing gators and golf carts on the streets.	12/28/2024 8:11 PM
70	The streets and sidewalks are terrible. Please fix these first before anything else	12/28/2024 4:45 PM
71	The town is not that big. Why?	12/28/2024 4:41 PM
72	Streets must be maintained so that's a given and should be happening no matter what. I'm not sure there will be enough usage of walking and biking trails to justify the expense. Anything with ongoing operating costs that involves needing someone responsible to operate it on a regular basis (like the shuttle) should probably be avoided. We have a shortage of people willing to do jobs like that. Burlington isn't really big enough to justify a shuttle anyway. The gators, golf carts, etc... should definitely be allowed.	12/28/2024 12:43 PM
73	Undecided - I think it's hard with bikes. We need to stretch street bike lanes.	12/27/2024 10:06 PM
74	Do not favor - No bike riders	12/27/2024 9:51 PM
75	A lot of areas	12/27/2024 9:46 PM
76	Looks good	12/27/2024 9:39 PM
77	It will be good addition.	12/27/2024 9:21 PM
78	Strongly favor - It's a good idea to have the own space for bikes and walking so we don't be on a dangerous street.	12/27/2024 3:57 PM
79	Strongly favor - It will make bike riding a lot more easy or those who ride bikes	12/27/2024 3:36 PM
80	Favor - I think putting in bike lanes and walking lanes is good so people are more safe.	12/27/2024 3:35 PM
81	Strongly favor - it's a good ideal to do safer for children and families	12/26/2024 11:53 AM
82	Strongly favor - we need to fix our streets	12/26/2024 11:42 AM
83	Strongly favor - fix Burlington streets!	12/26/2024 11:32 AM
84	Strongly favor - Gives it a city feel for people who moved out here from the city and may enjoy it.	12/26/2024 11:11 AM
85	Do not favor - I think we should work on other things before the bike routes because people don't use bike routes.	12/26/2024 11:07 AM
86	Undecided - I don't think there are issues with transportation.	12/25/2024 8:35 PM
87	Undecided - as long as the roads can handle all that traffic	12/25/2024 10:46 AM
88	Favor - safer streets for kids walking to the middle school on Fay Street	12/25/2024 10:28 AM
89	Sidewalks	12/25/2024 10:11 AM
90	Favor - We need to have a safe road for people who like to ride bikes.	12/24/2024 11:53 PM
91	Strongly favor - We are in desperate need of recreation and transportation. Thank you.	12/24/2024 8:53 PM
92	Strongly favor - fix up and make our town more appealing to visitors	12/24/2024 3:04 PM

Building Burlington Community Survey #3

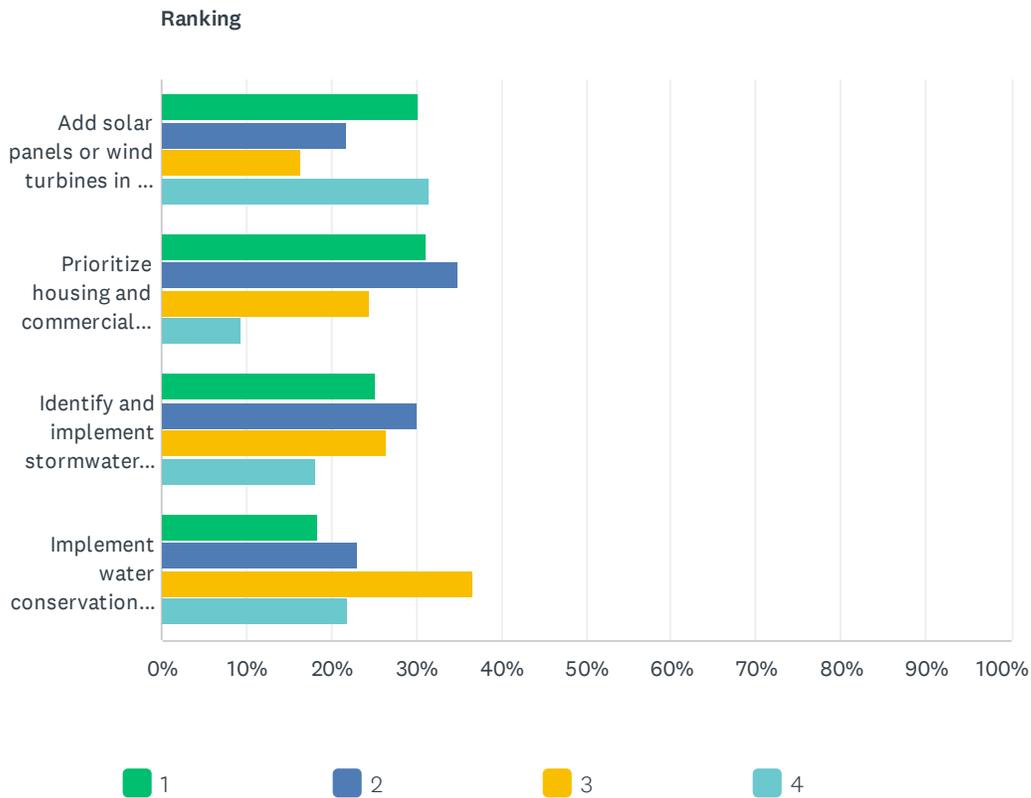

93	Bike routes are ALWAYS a plus and always a hit for me and my kids	12/24/2024 2:58 PM
94	Improve what we have first!	12/23/2024 8:54 PM
95	Looks OK to me.	12/23/2024 8:20 PM
96	We do. It need curbed bike lanes, waist of time and money.	12/21/2024 7:01 AM
97	We don't need to be dreaming of any of these possibilities until are streets are fixed. They are an utterly disgrace!	12/20/2024 6:32 PM
98	This would certainly give people a lot of different biking/walking paths to get to their desired destinations.	12/20/2024 4:22 PM
99	Sidewalks and curb/gutter need to have priority on downtown business district. It is now a hazard zone for our elderly citizens.	12/20/2024 10:21 AM
100	Put the bike lanes for school students back in place.	12/17/2024 3:51 PM
101	All of the above is needed and will have a positive impact on the entire community.	12/17/2024 10:34 AM
102	It would be wonderful if the city would put in sidewalks along popular walked streets, like Mike Lounge Dr between Rose Ave and the high school and Palmer Park.	12/17/2024 9:23 AM
103	As one who walks frequently in the summer with my family, more walking paths would be ideal for me and my family where I wouldn't have to worry about kids and traffic quite as much.	12/17/2024 8:44 AM
104	The bike path has to be analyzed very closely to make sure it does not interfere in the wrong spots. It is going to have to be not very wide of a lane due to Burlington's size, but it would be excellent to have.	12/16/2024 5:36 PM
105	Fixing the streets needs to be a priority. Most streets you are unable to roller blade on. Some are even bad enough you can hardly ride a bike on.	12/16/2024 5:01 PM
106	Overall in favor but disagree with golf carts, gators and the like on our streets.	12/16/2024 1:41 PM
107	Streets need to be the main priority!!	12/16/2024 11:58 AM
108	I definitely thing updating and caring for roads and sidewalks is great. My biggest concern is allowing small recreational vehicles on roads. Often see young kids and people driving them recklessly without following basic rules of the road (such as ignoring stop signs/no safety belts). If they are not held to same road rules then it would be best they are not on road for everyone's safety.	12/16/2024 8:38 AM
109	Nix shuttles. You can walk anywhere in Burlington in under 10min. Also, it will be a mistake to allow golf carts, gators, and whatever else on the streets.	12/16/2024 8:30 AM
110	Don't think we need a curb between bike path and street on all bike paths	12/14/2024 1:28 AM
111	Do not put a bike route on 11. It's too busy	12/13/2024 4:56 PM
112	Road repairs are needed.	12/13/2024 2:49 PM
113	Focusing on bike routes outside of strictly residential areas (many are wide enough for bikes & speed limits are low enough to handle both) is more reasonable. Also, sidewalk improvement/expansion should be at the TOP of the list. There is no continuity of pedestrian access in town.	12/13/2024 11:30 AM
114	Goat-head weeds are a serious problem for bike tires. You'll have to deal with that if you want to encourage bikes.	12/10/2024 4:35 PM
115	The streets definitely need upgrades. I know some of them have been fixed. But more needs done.	12/10/2024 4:23 PM
116	Good to have more opportunities and places for people to hide	12/10/2024 4:16 PM
117	More bike paths are good	12/10/2024 4:10 PM
118	we need more local transportation	12/10/2024 4:00 PM
119	I like the idea of the shuttles to downtown but not sure it would be utilized. I think the hotels need to do more to promote what Burlington has to offer (discounts, etc.)	12/10/2024 3:47 PM

Building Burlington Community Survey #3

120	Our town definitely needs more bike lanes and sidewalks	12/10/2024 3:39 PM
121	small motorized vehicles are not street legal	12/10/2024 3:28 PM
122	looks doable	12/10/2024 3:10 PM
123	Losing the greyhound bus hurt locals bringing a downtown & transportation to downtown will help draw people back from tourism	12/10/2024 3:02 PM
124	In favor of small vehicles - it works wonders and really like the idea - shuttles are a great idea	12/10/2024 2:58 PM
125	Our streets are in the worst condition in over 40 yrs!! They need to resurface the streets.	12/10/2024 2:51 PM
126	Sounds very reasonable - who would run it? Again do we have the manpower?	12/10/2024 2:36 PM
127	enhance the shuttle system in town would be great. bike lanes - used to be in the center of senter and other streets down the middle	12/10/2024 2:19 PM
128	Great plan	12/10/2024 2:15 PM
129	Easy transportation	12/10/2024 1:40 PM
130	It is something new	12/10/2024 1:35 PM
131	Drains need fixed as well	12/10/2024 1:22 PM
132	encourage more tourism & city growth	12/10/2024 12:57 PM
133	From a fmaily that loves to bike ride, being able to do it on safe roads & sidewalks would be great!	12/10/2024 12:28 PM
134	Adds more safe routes for bikes	12/10/2024 11:54 AM
135	having this would encourage us to ride our bike places and know we have a place to put our bikes	12/10/2024 11:34 AM
136	I think bike paths are not needed in our town yet (so expensive anyway)	12/10/2024 11:18 AM
137	Not in favor of small 4-wheeled vehicles mostly for safety and noise ordnance.	12/10/2024 11:06 AM
138	I favor most of this plan as long as rehabilitating streets and sidewalks is first priority. Fix what we got before adding more!	12/10/2024 10:58 AM
139	the collection of sidewalk and street data is a must	12/10/2024 10:53 AM
140	Not a bad idea.	12/9/2024 8:12 PM
141	cant hotels incorporate shuttles on their own if needed? allowing other motor vehicles is good. people use tram on city streets anyway.	12/9/2024 11:28 AM
142	need better sidewalks	12/9/2024 11:21 AM
143	the bike paths will be GREAT for the kids during the summer!	12/9/2024 10:32 AM
144	i dont know if we need bike trails/ paths	12/9/2024 10:00 AM
145	first - fix ALL Burlington streets infrastructure	12/9/2024 9:19 AM

Look at how much tourism the new Parmer Park and Splash Park have brought into the area. There are many travelers who purposefully plan a stop in Burlington for their kids to enjoy those amenities. They then grab lunch, fuel, and sometimes a hotel which injects critical funds into our local economy.	1/23/2025 9:49 AM

We have little kids practicing until 8pm because that perfectly good space has been allowed to sit empty and rot. It's ridiculous! Our community needs to quit wasting things we already have. The other thing we can do for the rec dept is address the ridiculous bathroom situation at Merchant's Park. Don't tell me you're worried about the impression the town is giving people when everyone who comes to our Babe Ruth & High School baseball games from out of town has to use those bathrooms.	12/28/2024 12:43 PM

53	I really like fixing up the parks we already have and adding to them. I believe we have enough parks, they just need sprucing up. Bike lanes only create havoc, Burlington is small enough to handle the bike enthusiasts they we will gain.	1/6/2025 8:30 PM

61	Take care of what we have first then move on to new. Housing is a must.	12/29/2024 2:35 PM
62	A lot of the proposals here seem to be in realms that city government has no , or should have no, say or control over. Burlington is already a very expensive place to live. Won't funding these projects make it more expensive?? I've noticed many employers in Burlington are also landlords in Burlington. Many (most?) don't pay their employees enough to afford what they charge on their rentals. Employers want good dependable employees but don't want to pay them enough to live, not to mention get ahead. How about Make Burlington Affordable and then we can Make Burlington Beautiful.	12/28/2024 8:11 PM
63	The city hasn't proven to the taxpayers that they can take care of what they've got. You can't even replace burnt out street lights or fix the potholes in the streets. This is basic maintenance!!! So maintain it!!!	12/28/2024 3:18 PM
64	The city needs to focus on the basics of their responsibilities ... safety, street & sidewalk maintenance, snow removal, maintenance of existing parks, baseball fields, softball fields, etc... If we don't have the ability or resources to do that with what we already have, why on earth would we start building new things?	12/28/2024 12:43 PM
65	I would like to make sure proper parking signals are marked and visible	12/27/2024 10:14 PM

77	None, this all seems very well thought out.	12/24/2024 2:58 PM
78	Thanks for putting this together. I think it's so important for the future of our town and those that live here or will live here. I'd like to see more recreation options, like a rec center or community gym and the ideas for walking/biking paths to keep our citizens active and healthy.	12/17/2024 8:44 AM
79	Clean up the homeless and the abandoned hotels on Lincoln , they are a bad look when coming to our town to have homeless people laying on the ground asleep , homeless people at our parks , the hotel that the homeless are staying at on the corner is so close to our middle school , it's not safe to have people that are using drugs and potentially harmful around our children. I would like to see an effort to get them out of here or a better place for them than our parks, our park benches , and hanging out all over our business. I own a business and although I feel sad they are in hard times. It's a bad impression when people first drive into town. And it's cold out. They need to be off the streets	12/16/2024 9:12 AM

91	It is clear by looking around this town, there is no pride and people just don't care about their town. Maintenance by city to streets, parks, sidewalks is shameful.
